Form 1929

Improvement Resolution

FOR STREET OR ALLEY

No. 5398-1966

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, INDIANA,

That it is deemed necessary to improve by resurfacing Woodland Avenue

from the west property line of Calhoun Street

to the east property line of Hoagland Avenue

~~By draining, curbing, grading and paving the roadway~~ to a uniform width of twenty-four (24) feet ~~with Sheet Asphalt, Asphaltic Concrete upon a six (6) inch Concrete foundation, Six (6) inch Plain Concrete or with 8" Macadam, 2" Binder and 1" Asphalt Top~~.

with 1½" - City Mix A-2

all in accordance with the profile, detail-drawing and specifications on file in the office of the Department of Public Works of said City; and such improvement is now ordered.

It is hereby found by said Board of Public Works that all benefits accruing hereunder will be to the general public of the City of Fort Wayne and that no special benefits will accrue to any property owner adjoining said improvement or otherwise assessable under said improvement. The cost of said improvement shall be paid by the City of Fort Wayne, Indiana, out of monies currently appropriated from the Motor Vehicle Highway Fund.

~~Assessments if deferred, are to be paid in ten equal installments, with interest at the rate of five (5) per cent, per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for~~ in said above entitled act and all amendments thereto and supplements thereof.

Adopted, this 25 *day of* July, 1966

all in accordance with the profile, detail-drawing and specifications on file in the office of the Department of Public Works of said City; and such improvement is now ordered.

It is hereby found by said Board of Public Works that all benefits accruing hereunder will be to the general public of the City of Fort Wayne and that no special benefits will accrue to any property owner adjoining said improvement or otherwise assessable under said improvement. The cost of said improvement shall be paid by the City of Fort Wayne, Indiana, out of monies currently appropriated from the Motor Vehicle Highway Fund.

~~Assessments if deferred, are to be paid in ten equal installments, with interest at the rate of five (5) per cent, per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.~~

SEWER EASEMENT RESOLUTION NO. 14 - 1966

For the condemnation of right of way for sewer easement purposes across, through and under a portion of lot numbered 3 in Fishers Subdivision; that portion of lots numbered 2 through 6 inclusive in Butcher's Addition, west of Mechanic Street.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to condemn right of way for sewer easement purposes across, through and under a portion of lot numbered 3 in Fishers Subdivision; that portion of lots numbered 2 through 6 inclusive in Butcher's Addition, west of Mechanic Street. The centerline more particularly described as follows:

An easement 14 feet in uniform width, 7 feet on each side of the following described centerline:

Commencing at a point located 55 feet west of the Northeast corner of lot numbered 3 in Fishers Subdivision; thence Southwesterly 107° 57' 33", measured clockwise from East to West, in and through lot numbered 3 in Fishers Subdivision; that portion of lots numbered 2 through 4 inclusive in Butcher's Addition West of Mechanic Street for a distance of 227 feet, thence Southeasterly 145° 04' 40" measured clockwise from Northeast to Southwest, in and through that portion of lots numbered 4, 5 and 6 in Butchers Addition West of Mechanic Street; terminating 25 feet South of the North 66.58 feet of lot numbered 6 in Butchers Addition West of Mechanic Street.

The cost of said condemnation of right of way for sewer purposes shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such condemnation of right of way for sewer purposes is described as follows: Across, through and under a portion of lot numbered 3 in Fishers Subdivision; that portion of lots numbered 2 through 6 inclusive in Butcher's Addition.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporation," as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5) % per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefore, shall be as provided for in said above entitled act and all amendments thereto and supplemental thereof.

All streets, lots and land affected by the above described condemnation are situated in the Southeast 1/4 Section 3, Township 30 North, Range 12 East and lie fully within the corporate limits of the City of Fort Wayne, Indiana.

Adopted this 20 day of July, 1966.

Robert W. Dahlman
Board of Works

Clerk
Reference Sewer Resolution No. 783

7/20/66
119-333-8

LOCAL SEWER IMPROVEMENT RESOLUTION

NO. 783, 19 66

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, STATE OF INDIANA, That the construction of a local sewer, intended and adopted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along

MAIN SEWER:

Commencing at an existing manhole in an alley located on the east side of Mechanic Street approximately 185 ± feet north of the centerline of Huron Street; thence in a westerly direction a distance of 44 ± feet to a proposed manhole; thence south along the west side of Mechanic Street a distance of 406 ± feet to a proposed manhole; thence in a westerly direction a distance of 60 ± feet to a proposed manhole; thence in a southwesterly direction in and through a 14 foot easement a distance of 261 ± feet to a proposed manhole; thence in a southeasterly direction in and through a 14 foot easement a distance of 205 ± feet; terminating at a proposed manhole.

Said sewer shall be 8 inches in diameter.

Basements may not be able to drain into this proposed sewer by gravity. This is caused by the fact that the existing outfall sewer is not low enough for this purpose.

in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said city.

The cost of said improvement shall be apportioned against and paid by the property holders whose property abuts thereon, and upon the City of Fort Wayne, Indiana, if the city is benefited by said improvement, all according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporations," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments, if deferred, are to be paid in ten equal annual installments, with interest at the rate of five per cent. per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond or bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvements, assessments of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments and supplements thereto.

SIDEWALK IMPROVEMENT RESOLUTION

No. 5386 -1966

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, INDIANA, that it is deemed necessary to construct ~~sidewalk on~~ curbwalk on the north side of Vance Avenue

from the east curb line of Inwood Drive

to the west property line of Reed Road,
except where sidewalk is now in place

to a width of five (5) feet

all in accordance with the profile, details, drawings, and specifications on file in the office of the Department of Public Works of said City; and such improvement is now ordered.

The cost of said improvement shall be assessed upon the real estate abutting on said Vance Avenue as above described and upon the City of Fort Wayne, Indiana, if the said city is benefited by said improvement, all according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporations," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments, if deferred, are to be paid in ten equal installments, with interest at the rate of five per cent. per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the City from the assessments for such improvement, or such moneys as said City is by said above entitled act required to pay. All proceedings had and work done in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

RAILROAD - HIGHWAY GRADE CROSSING PROTECTION AGREEMENT

THIS AGREEMENT, made and entered into this 12th day of July, 1966, by and between THE CITY OF FORT WAYNE, INDIANA, an Indiana municipal Corporation, hereinafter referred to as "City", and THE PENNSYLVANIA RAILROAD COMPANY, Lessee and operator of the works and properties of Penndel Company, and the Penndel Company, hereinafter jointly referred to as the "Railroad", WITNESSETH: That

WHEREAS, a petition has been filed at the instigation of City with the Public Service Commission of Indiana pursuant to the provisions of Chapter 200 of the Acts of 1965 of the Indiana General Assembly, for the installation of crossing protection at the point where the Grand Rapids Branch of the Pennsylvania Railroad crosses West State Boulevard in the City of Fort Wayne, Indiana; and

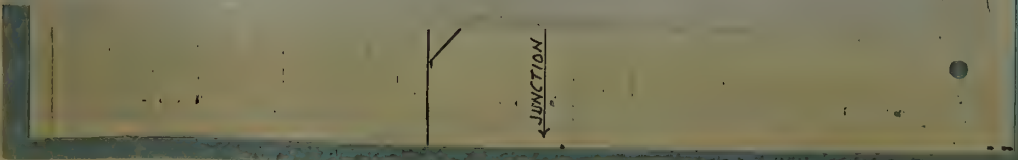
WHEREAS, certain provisions of the laws of the State of Indiana authorize Indiana municipal corporations to enter into agreements concerning contributions for defraying the cost of the installation of grade crossing protection, including automatic flasher signal protection; and

WHEREAS, Indiana municipal corporations are authorized to make said contributions towards such crossing protection out of motor vehicle highway funds available to the cities; and

WHEREAS, in the interest of public safety it is recognized by both City and Railroad that modern automatic flashing signal lights should be installed at said crossing;

NOW, THEREFORE, IN CONSIDERATION of the mutual provisions contained herein, the parties hereby agree with each other as follows:

1. Modern train activated flashing light signals with back-to-back lights in accordance with the latest recommendations of the Association of American Railroads shall be installed at the points where said railroad crosses West State Boulevard in the City of Fort Wayne, which points are fully designated and described in "Exhibit A", attached hereto and made a part hereof.



2. The design and installation specifications of the said signals shall be in conformity with all applicable requirements of the Association of American Railroads Signal Section, and the design and installation specifications shall be furnished by Railroad.

3. The detailed plans and specifications prepared by Railroad shall include complete lay-out and circuit diagrams for the installation. They shall also contain a full detailed list of all materials required and complete estimates of costs.

4. Copies of all plans and specifications, together with cost estimates, shall be furnished by Railroad to City and the Public Service Commission of Indiana for their approval.

5. All materials shall be furnished by Railroad and delivered to the site of the installation. Railroad will make the complete installation with its own forces in accordance with its working agreement with its employees. City, subject to the provisions of Chapter 200 of the Acts of 1965 of the Indiana General Assembly, will reimburse Railroad to the extent of fifty percent (50%) of the overall cost of said installation. Payment will be made following the presentation of a bill to City prepared in accordance with Bureau of Public Roads Policy and Procedure Memorandum Number 30-3.

6. Railroad and City, through their respective representatives, agree to cooperate in every reasonable way for the prompt and safe execution of the work after the necessary approvals are secured and to complete all work in accordance with the terms of this agreement as soon as practicable. Railroad further agrees to perform the work contemplated herein so as not to unnecessarily impede the flow of vehicular traffic over the crossing.

7. Upon completion of the installation of the protective devices at the crossing, Railroad, at its expense, shall thereafter operate and maintain the devices in proper working condition, with the understanding, however, that in the event it becomes necessary to replace the devices or any portion thereof, City shall pay one-half of the cost of

JUNCTION

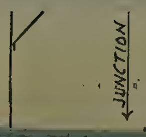
same replacement and that in the event West State Boulevard is reconstructed by City in such a manner as to require the relocation or modernization of the devices or any portion thereof or the installation of additional devices or equipment, the cost of such relocation, modernization or additional devices or equipment shall be borne by City.

8. If at any future time the need for the devices herein contemplated shall cease to exist at the designated location, Railroad may, with the approval of the Public Service Commission of Indiana and the Board of Public Works of the City of Fort Wayne, remove them to any other crossing or crossings on its lines of railroad in the City of Fort Wayne. The proposed devices shall become the property of the railroad, except in the case of termination of the Railroad as an existing carrier by rail in Indiana, in which case title to the devices shall revert to the City.

9. Within sixty (60) days after the receipt of the Railroad's final billing and claim, the City will make payment of the Railroad's claim for the installation contemplated by this agreement.

10. The contractor and his sub-contractors, if any, shall not discriminate against any employee or applicant for employment to be employed in the performance of the work contemplated by this agreement with respect to his hire, tenure, terms, conditions or privileges of employment, or any matter directly or indirectly related to employment because of his race, color, relegion, national origin or ancestry. Breach of this covenant may be regarded as a material breach of the contract.

11. This agreement shall be binding upon the legal representatives and assigns of the respective parties hereto.



IN WITNESS WHEREOF, the parties have caused these presents to be executed by their proper officers therein duly authorized.

Form 1929

Improvement Resolution

FOR STREET OR ALLEY

No. 5383 -1966

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, INDIANA,

That it is deemed necessary to improve by widening and resurfacing Illinois Road

from the westerly property line of Washington Road

~~to the property line of~~ to the northerly right-of-way line of U.S. Highway #24

~~By draining, curbing, grading and paving the roadway~~ to a uniform width of twenty (20) feet ~~with Sheet Asphalt, Asphaltic Concrete upon a six (6) inch Concrete foundation, Six (6) inch Plain Cement or with 8" Macadam, 2" Binder and 1" Asphalt Top.~~

with 9" Plain Concrete and 1½" City Mix A-2

all in accordance with the profile, detail-drawing and specifications on file in the office of the Department of Public Works of said City; and such improvement is now ordered.

It is hereby found by said Board of Public Works that all benefits accruing hereunder will be to the general public of the City of Fort Wayne and that no special benefits will accrue to any property owner adjoining said improvement or otherwise assessable under said improvement. The cost of said improvement shall be paid by the City of Fort Wayne, Indiana, out of monies currently appropriated for Street Repair and Rehabilitation Fund.

~~Assessments if deferred, are to be paid in ten equal installments, with interest at the rate of five (5) per cent, per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.~~

No. 5372 -1966

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, INDIANA,

That it is deemed necessary to improve Lindenwood Avenue

~~from the property line of~~ from a point approximately 700 feet north of the north
~~to the property line of~~ right of way line of the Norfolk & Western Railroad
to a point approximately 500 feet south of the south right of way line of the Norfolk
& Western Railroad, by raising the grade
~~By draining, curbing, grading~~ and paving the roadway to a uniform width of twenty-two (22) feet
~~with Sheet Asphalt, Asphaltic Concrete upon a six (6) inch Concrete foundation, Six (6) inch Plain Concrete or with 8" Macadam, 2" Binder and 1" Asphalt Top.~~

with 12" Waterbound Macadam Base, 2" Binder & 1" Asphalt Top
or
with 12 PMMC Compacted Aggregate Base, 2" Binder & 1" Asphalt Top

all in accordance with the profile, detail-drawing and specifications on file in the office of the Department of Public Works of said City; and such improvement is now ordered.

It is hereby found by said Board of Public Works that all benefits accruing hereunder will be to the general public of the City of Fort Wayne and that no special benefits will accrue to any property owner adjoining said improvement or otherwise assessable under said improvement. The cost of said improvement shall be paid by the City of Fort Wayne, Indiana, out of monies currently appropriated for Street Repair and Rehabilitation Fund.

~~Assessments if deferred, are to be paid in ten equal installments, with interest at the rate of five (5) per cent, per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.~~

Adopted, this 5 *day of* July, 1966

LOCAL SEWER IMPROVEMENT RESOLUTION

NO. 780, 19 66

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, STATE OF INDIANA, That the construction of a local sewer, intended and adopted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered ~~in and along~~

Commencing at an existing manhole in Cleveland Avenue 10 ± 1.f. North of Sand Point Road; thence Westerly in and along the first Alley North of Greenview Avenue, a distance of 1,170 ± 1.f., terminating at a proposed manhole.

Said sewer shall be 8 inches in diameter.

in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said city.

The cost of said improvement shall be apportioned against and paid by the property holders whose property abuts thereon, and upon the City of Fort Wayne, Indiana, if the city is benefited by said improvement, all according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporations," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments, if deferred, are to be paid in ten equal annual installments, with interest at the rate of five per cent, per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond or bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvements, assessments of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments and supplements thereto.

DECLARATORY RESOLUTION No. 1191 19 66

For the Vacation ~~Opening – Condemnation of right of way for utility purposes~~ of the alley between Beadell Street and Graeter Street from the west property line of McKinley Avenue to the west property line of Lots 70 and 105, Commercial Addition.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate the alley between Beadell Street and Graeter Street from the west property line of McKinley Avenue to the west property line of Lots 70 and 105, Commercial Addition.

All as shown by a plan of such proposed Vacation ~~Opening – Condemnation of right of way for utility purposes~~ as above described, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana

The cost of said Vacation ~~Opening – Condemnation of right of way for utility purposes~~ shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Vacation ~~Opening – Condemnation of right of way for utility purposes~~ is described as follows: Lots 67 to 70 inclusive and Lots 105 to 108 inclusive, all in Commercial Addition. Said addition is inclusive to the City of Fort Wayne, Indiana.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5)% per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

~~The vacation of the above described __________ shall be subject to an easement for the use of the City of Fort Wayne, Indiana, and other public utilities for the construction and maintenance of sewers, water mains, gas mains, electric pole lines and conduits, telephone and telegraph pole lines and conduits.~~

All Streets, lots and lands affected by the above described vacation are situated in the northeast quarter of Section Nine and the northwest quarter of Section Ten, Township 30 north, Range 12 east and lie wholly within the corporate limits of the City of Fort Wayne, Indiana.

ADOPTED THIS 20 DAY OF June 1966.

Attest: __________
Secretary Board of Public Works.

Fred A. Euman
Robert W. Dohman

Board of Public Works.

Indiana Michigan Agreement

5-312-66
~~77-255~~-3

THIS AGREEMENT made and entered into this 19 day of May, 1966, by and between INDIANA & MICHIGAN ELECTRIC COMPANY (hereinafter called the "Company"), an Indiana corporation, and the CITY OF FORT WAYNE (hereinafter called the "City"), a municipal corporation in the County of Allen and State of Indiana, acting by and through its duly authorized Board of Public Works and Mayor,

WITNESSETH:

For and in consideration of the mutual covenants and agreements hereinafter contained, the parties hereto agree with each other as follows:

ARTICLE 1

During the term of this Agreement Company agrees to furnish to City, and City agrees to take from Company, all the electric energy required by City for its own use or for resale to its customers over and above that generated by City.

City will provide all substation and transformation equipment and all other facilities as required to take delivery of the electric capacity and energy to be taken hereunder at the delivery point or points as hereinafter provided.

Company will provide all facilities as required to deliver the firm electric capacity and energy to be provided hereunder at the delivery point or points as hereinafter provided.

The electric energy to be provided and taken hereunder shall be 60-cycle alternating current at approximately 34,500 volts, 3 phase, shall be delivered at reasonably close maintenance to constant potential and frequency, and shall be measured by a meter or meters owned and installed by Company.

ARTICLE 2

Company's present facilities were designed for the delivery of 30,000 kva of firm capacity to City at City's Lawton Park Substation, which shall be the point of delivery under this Agreement (hereinafter called "Lawton Park Delivery Point"), until a second point of delivery shall be established in accordance with ARTICLE 2 hereof in which event the Lawton Park Delivery Point and such second delivery point shall be the points of delivery under this Agreement. Company will install additional facilities to permit the delivery of up to 55,000 kva of firm capacity at Lawton Park Delivery Point.

During the period prior to completion of said additional facilities the amount of firm capacity that Company may be required to supply to City (hereinafter called "Contract Capacity"), shall be as follows:

Prior to June 30, 1966	37,000 kva
From July 1, 1966, to June 30, 1967	44,000 kva

Subsequent to completion of said additional facilities to be installed by Company, the Contract Capacity for each contract year of this Agreement, the first such contract year beginning July 1, 1967, and ending June 30, 1968, shall not be less than the difference between the maximum 30-minute kilovolt-ampere demand on City's electric system during the twelve consecutive months next preceding the beginning of said contract year and the firm capability of City's generating facilities as from time to time determined by City, provided, however, that said Contract Capacity shall not exceed 55,000 kva except as hereinafter in this ARTICLE 2 provided. The firm generating capability of City's generating facilities is presently established by City as 28,000 kva and City shall advise Company in writing of any changes in said firm generating capability.

Contract Capacity may exceed 55,000 kva, up to a limit of 100,000 kva, provided; (a) written notice of its need for a Contract Capacity in excess of 55,000 kva shall have been given by City to Company not less than 24 months prior to the date that the Contract Capacity hereunder shall first exceed 55,000 kva which notice shall specify the date on which, and the amount by which, it is anticipated that the Contract Capacity as determined by the formula set forth in the third paragraph of this ARTICLE 2 shall first exceed 55,000 kva, and (b) such written notice of its need for increased Contract Capacity shall have been given by City to Company prior to June 30, 1977.

Under such conditions as provided above Company shall undertake to provide such additional facilities as are necessary to permit Contract Capacity, as determined by the formula set forth in the third paragraph of this ARTICLE 2, in excess of 55,000 kva up to a limit of 100,000 kva, provided, however, that in the period commencing with the date that Company's additional facilities shall be installed and ending with the first June 30 which is not less than five (5) years thereafter, the firm capability of City's generating facilities shall, for the purpose of determining Contract Capacity under said formula, be deemed to be either (i) that firm capability effective on the date that the aforesaid written notice shall have been given to Company by City, or (ii) such lesser firm capability as City may by 24 months prior written notice to Company elect.

Company agrees that the aforementioned additional facilities will be such as to permit either the delivery of 45,000 kva of additional capacity (a total of 100,000 kva) and associated energy at Lawton Park Delivery Point, or, at City's option, at a second delivery point to be mutually agreed upon between the parties hereto, provided that City shall specify in writing its choice as to taking the additional delivery at Lawton Park Delivery Point or at the said second delivery point, at the time City notifies Company of its need for delivery of capacity in excess of 55,000 kva.

ARTICLE 3

Company shall furnish and City shall take and pay for electric capacity and energy under the terms of this Agreement for a period beginning when service is first deemed to have commenced hereunder and extending until June 30, 1977, and thereafter in successive periods of one (1) year each, provided, however, that the total period during which electric capacity and energy shall be furnished and taken hereunder shall in no event exceed twenty-five (25) years from the date on which service is first deemed to have commenced hereunder. This Agreement may be terminated by either party on June 30, 1977, or on any succeeding June 30, upon written notice given by the terminating party to the other party at least three (3) years prior to such termination; provided, however, that until such time as City shall have exercised the option set forth in ARTICLE 2 to increase Contract Capacity to an amount exceeding 55,000 kva, City shall have the additional right to terminate this Agreement on June 30, 1972, or on any succeeding June 30, upon written notice given by City to Company at least three (3) years prior to such termination. In the event, however, of the exercise by City of said option under ARTICLE 2, this Agreement may be terminated by City, upon three (3) years prior written notice to Company on the later of (i) June 30, 1977, and (ii) the June 30 which succeeds by at least five (5) years the date when Company shall have installed the facilities required to permit an increase in the Contract Capacity to an amount in excess of 55,000 kva, or any June 30 following the later of (i) and (ii) above.

Upon receipt by Company of written notice by City of City's intention to terminate this Agreement on any one of the possible termination dates provided for herein, Company shall thereafter not be required to provide additional facilities to permit delivery of additional firm capacity.

The date that service under this Agreement shall be deemed to have commenced shall be the later of (i) the date on which any applicable requirements (including the expiration of any requisite period after filing) as to approval or filing of any regulatory agencies which have jurisdiction with respect to the subject matter of this Agreement shall have been complied with, and (ii)__________, 1966.

ARTICLE 4

City hereby agrees to pay Company monthly for electric energy delivered hereunder at the rate and under the provisions of Company's Rate M.U. as regularly filed with the Public Service Commission of Indiana, a copy of which is attached hereto and hereby made a part hereof, said Rate being selected by City, as long as said Rate is in effect; and in the event said Rate is replaced by a new or revised Rate incorporating higher or lower rates than those stipulated in the aforementioned Rate, Company will continue to furnish service as stipulated in this Agreement and City will pay for such service at the higher or lower rates from and after the date when such rates are made effective. Should the new or revised Rate incorporate higher rates, City shall have the option of cancelling this Agreement three years after termination notice is delivered to Company, provided such termination notice is furnished Company within sixty (60) days after the first billing date at the higher rates.

ARTICLE 5

In addition to the firm capacity and energy contracted for under Rate M.U., Company shall furnish power as set forth in this ARTICLE 5. During periods (Maintenance Periods) when City has scheduled the maintenance, repair, and overhaul of present generating facilities at its Lawton Park Generating Station, Company shall sell and deliver and City shall take and pay for, on the terms and conditions provided for under this ARTICLE, electric power (Maintenance Power) and associated electric energy (Maintenance Energy). Maintenance Energy shall be delivered to City at rates of delivery and during periods acceptable to both parties. The Operating Committee, provided for under ARTICLE 6, shall periodically determine and agree on the specific amounts of Maintenance Power and Maintenance Energy to be delivered to City and the Maintenance Periods during which such amounts shall be so delivered. City shall inform Company of the nature of the work to be carried out at its Lawton Park Generating Station during any Maintenance Period.

Maintenance Energy during any billing period shall be the number of kilowatt-hours equal to the product of 0.5 and the sum of the Maintenance Demands (kva) for all 30-minute intervals in which Company has supplied Maintenance Power multiplied by the average power factor for such billing period. Maintenance Demand (kva) as used herein means the difference between City's registered demand (kva) on Company in any 30-minute interval in which Maintenance Power is supplied and the kva demand that is then being supplied under the provisions of Rate M.U., provided, however, that City's total demand, i.e., Maintenance Demand plus the demand being supplied under the provisions of Rate M.U., shall not exceed the then available capacity of Company's 34,500 volt facilities supplying City.

City shall pay Company for Maintenance Energy at a rate per kilowatt-hour equal to the cost of the energy so furnished plus 20% thereof, but in no event shall such rate be less than 8 mills per kilowatt-hour. Such cost shall include the total cost to acquire or produce the energy plus an appropriate adjustment for transmission losses incurred in transmitting the energy from the source to the delivery point.

ARTICLE 6

To coordinate the operation of their respective facilities and in order to carry out the terms of this Agreement, the parties shall appoint a comittee of authorized representatives to be known as the "Operating Committee".

Each of the parties shall designate in writing delivered to the other party the person who is to act as its representative on said committee (and the person or persons who may serve as alternate whenever such representative is unable to act). Such representative and alternate or alternates shall each be persons familiar with the generation, transmission, and substation facilities of the system of such party by which he has been so designated, and each shall be fully authorized to cooperate with the other representative (or alternates). Such representative (or alternates) shall, subject to the declared intentions of the parties herein set forth and to the terms hereof, be fully authorized to cooperate and agree upon all matters relative to this Agreement which are not specifically provided for herein.

ARTICLE 7

Bills will be rendered by Company to City monthly and shall be due and payable within fifteen (15) days of date of bill. If any bill is not paid within thirty (30) days of date of bill, City shall pay Company interest on the amount of such bill at the rate of 6% per annum from the date of the bill until paid. Company shall have the right to suspend delivery of energy hereunder upon giving at least thirty (30) days' advance written notice thereof to City in the event City has not paid any bill within thirty (30) days of date thereof. Any such suspension of service shall not terminate this Agreement nor shall it abrogate any minimum charge which may be effective.

ARTICLE 8

Company will use reasonable diligence in furnishing a regular and uninterrupted supply of energy, but in case such supply should be interrupted or fail by reason of an Act of God, the public enemy, accidents, strikes, legal process, governmental interference, breakdowns or injury to the machinery, transmission lines or distribution lines of Company, or extraordinary repairs, Company shall not be liable for damages; for interruptions occasioned from any other cause the liability of Company shall be limited to five times the amount which City would have paid for energy during the period of such interruptions.

Company shall not be liable to City, however, for any loss, injury, or damage resulting from City's use of its equipment or from the use of the energy of Company or from the connections of Company's wires with City's wires and appliances.

In the event of loss or injury of the property of Company through misuse by, or the negligence of, City or its employees, the cost of the necessary repairs or replacement thereof shall be paid to Company by City.

City hereby agrees that no one except the employees of Company shall be allowed to make any internal or external adjustments of any meter or any other piece of apparatus which shall be the property of Company.

Company shall have the right at all reasonable hours to enter the premises of City for the purpose of installing, reading, removing, testing, replacing or otherwise disposing of its apparatus and property, and the right of entire removal of Company's property in the event of the termination of the Agreement for any cause.

ARTICLE 9

Use by City of the energy furnished under this Agreement for pumping water for purposes of fire protection shall not in any case subject Company to any liability for damages due to failure in water supply resulting from an interruption or deficiency in the supply of such energy from whatsoever cause such interruptions or deficiencies may arise.

ARTICLE 10

Company agrees that City may operate its Lawton Park Generating Station in parallel with Company's electric facilities. City shall indemnify and hold Company harmless from and against all liability for damages to City's system arising from such parallel operation. City agrees it will so operate its system as not to cause unprovided for voltage fluctuations or disturbances on Company's system.

ARTICLE 11

In the event City, during the term hereof, shall put into effect any tax on the sale of electric energy which would apply to the sale of energy by Company to City hereunder, the amount of such tax shall be added to the amount computed under the Rate set forth in ARTICLE 4 hereof and the amounts computed under the rates as fixed under ARTICLE 5 hereof.

ARTICLE 12

At any time from the date of this Agreement either party, by giving not less than ninety days written notice to the other party, may from time to time, call for a reconsideration of the terms and conditions of this Agreement, including, but without limiting the generality of the foregoing, any change in the electric facilities to be provided by the parties and/or the operation of such facilities. If such reconsideration is called for, the authorized representatives of the parties shall meet promptly and discuss any changed conditions not foreseen or reasonably foreseeable at the date of this Agreement or at the conclusion of the next previous reconsideration, if any, and any other factors which might cause any inequities. Any agreement modifying such terms and conditions shall specify the date such modification shall become effective.

ARTICLE 13

This Agreement is made subject to the jurisdiction of any regulatory authority or authorities having jurisdiction in the premises. Company and City agree that either party hereto shall, upon delivery of prior written notice to the other party, be entitled to take such action before or make such filings with, any regulatory authority having jurisdiction with respect to any term or condition of this Agreement as either party shall deem appropriate and, in the event of any such action by either party, the terms and conditions under which service shall be rendered by Company to City shall be the terms and conditions as so changed or as shall result from any ensuing action by or before any such regulatory authority.

ARTICLE 14

This Agreement, though executed on behalf of City, by and through its Board of Public Works and Mayor, shall not be effective unless and until the same shall have been approved by the Common Council of the City, and in the event said Council shall fail to approve the same within a period of 60 days after the date hereof, this Agreement shall be and become wholly void.

ARTICLE 15

This Agreement when effective shall cancel and supersede the Agreement between the parties hereto dated August 25, 1953.

This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date and year first above written.

Approved as to form and legality

INDIANA & MICHIGAN ELECTRIC COMPANY

Supplement No. 59
P. S. C. I. No. E-3
Fort Wayne Rate Area
No. 1 of 2 Sheets

RATE "M.U."

(Municipal Utilities)

Availability of Service.

Available for electric service to municipal utilities located adjacent to existing transmission or distribution lines operating at 34,500 volts or over and having capacity sufficient to meet the customer's requirements.

The customer shall contract for a definite amount of electrical capacity which shall be sufficient to meet normal maximum requirements but not less than 30,000 kilovolt-amperes (kva) nor more than 100,000 kva, and the company shall not be required to supply capacity in excess of that contracted for except by mutual agreement.

Rate.

Primary Portion:	For the first 30,000 kva of monthly billing demand as determined below	$2.450 per kva
	For all over 30,000 kva of monthly billing demand	$2.275 per kva
	The customer shall be allowed 250 kilowatt hours (kwhrs) for each kva of monthly billing demand billed in accordance with this section.	
Secondary Portion:	Energy in excess of 250 kwhrs per kva of monthly billing demand	$0.00485 per kwhr

Rate Adjustment.

In any monthly period when metered kwhrs, corrected for power factor, are less than 250 kwhrs per kva of monthly billing demand, the customer shall receive a fuel cost credit on such deficiency in kwhrs at the fuel cost per kwhr (computed from factors contained in the Fuel Clause) corresponding to the base price of fuel set forth in the Fuel Clause.

Minimum Charge.

This rate is subject to a minimum monthly charge equal to the primary portion of the rate set forth above. The minimum monthly charge so determined shall be subject to adjustments as determined under the Rate Adjustment and the Fuel Clause.

Payment.

Bills computed under this rate are due and payable within 15 days of date of bill. If customer should not make payment within 30 days of date of bill, company may suspend delivery of energy until all bills, with interest thereon at the rate of 6% per annum from the date thereof to the date of payment of said bills, have been paid.

Fuel Clause.

The rate is based upon the weighted average cost of fuel consumed by Indiana & Michigan Electric Company at the Breed, Tanners Creek and Twin Branch generating stations.

If during any period of three consecutive months the weighted average cost is above the base price of 20.00 cents per 1,000,000 BTU by at least .5 cent, the bill rendered to the customer for the second month after the end of such period shall be increased by an amount equal to the kwhrs adjusted for billing purposes used during said second month at .00500 cent per kwhr for each full .5 cent increase in the cost of fuel above 20.00 cents per 1,000,000 BTU.

If during any period of three consecutive months the weighted average cost is below the base price of 20.00 cents per 1,000,000 BTU, the bill rendered to the customer for the second succeeding month shall be decreased by an amount equal to the kwhrs adjusted for billing purposes used during said second month at .00500 cent per kwhr for each full .5 cent decrease in the cost of fuel below 20.00 cents per 1,000,000 BTU.

RATE "M. U." (Cont'd.)

(Municipal Utilities)

Monthly Billing Demand.

The billing demand in kva shall be taken each month as the single highest 30-minute integrated peak in kva, as registered during the month by a demand meter or indicator, but the monthly billing demand so established shall, in no event, be less than 60% of the contract capacity of the customer, nor less then 30,000 kva.

Delivery Voltage.

The customer shall own, operate and maintain all necessary substations and appurtenances thereto for receiving and purchasing all electric energy at transmission or distribution voltage of not less than 34,500 volts. The company will, however, install, own, operate and maintain necessary metering equipment.

Power Factor.

The rate set forth herein is based upon the maintenance by the customer of an average monthly power factor of 85%, leading or lagging, as shown by integrating instruments. When the average monthly power factor is above or below 85%, the kwhrs as metered will, for billing purposes, be multiplied by the following constants:

Effective Monthly Power Factor	Constant	Effective Monthly Power Factor	Constant
1.00	.951	.70	1.0835
.95	.965	.65	1.1255
.90	.981	.60	1.1785
.85	1.000	.55	1.2455
.80	1.023	.50	1.3335
.75	1.050		

Constants for other than the effective power factors given in the foregoing table will be determined from the same formula used to determine the given constants.

Term of Contract.

Contracts under this Rate will be made for a term of years taking into consideration the size of the load, the location of the load, and the amount of facilities to be furnished by the company in serving the load.

Special Terms and Conditions.

This tariff is available to customers having other sources of energy supply.

Service shall be furnished and taken under the company's general rules and regulations, except to the extent, if any, that the same are expressly modified by the terms and conditions hereinabove provided.

Issued

Effective

INDIANA & MICHIGAN ELECTRIC COMPANY

(FORT WAYNE RATE AREA)

Second Revised Rules and Regulations
Cancelling
First Revised Rules and Regulations

General Rules and Regulations Applicable to Electric Service

Effective July 1, 1957

1. **RULES AND REGULATIONS ON FILE**
A copy of all rates, rules and regulations under which service will be supplied is posted or filed for the Public's benefit in the office of the Company and with the Public Service Commission of Indiana.

2. **WRITTEN APPLICATION OR CONTRACT REQUIRED**
A written application for service or contract properly executed may be required from Customers before the Company will be required to supply service. The Company shall have the right to reject for any valid reason, any application. The Company may require contracts for a suitable period of time and reasonable guarantees when unusual construction or equipment expense is necessary to furnish the service.

3. **MODIFICATION OF CONTRACT**
No promises, agreements or representations of any agent of the Company shall be binding upon the Company unless the same shall have been incorporated in a written contract before such contract is signed and approved.

4. **ACCESS TO PREMISES**
The properly authorized agents of the Company shall have the right to enter upon the premises of the Customer at all reasonable times for the purpose of inspecting, reading, testing, repairing or replacing the meter or meters, appliances and equipment used in connection with its service and removing the same on the termination of the contract or the discontinuance of the service.

5. **EQUIPMENT LOCATION PERMIT**
The Customer shall obtain on the Company's forms, from the property owner, or owners and deliver to the Company the necessary consent to the installation and maintenance in said premises and on, over or through all private property, of all poles, wires, or other equipment that may be necessary or convenient for the supplying of service hereunder.

6. **PAYMENT OF BILLS**
Bills will be rendered monthly and must be paid at the office of the Company during business hours. If a bill is not paid within fifteen days from the due date thereof as stated in the bill, the Customer shall be considered delinquent in payment, and the Company may, at any time thereafter prior to the payment thereof, after serving notice, cut off and discontinue service. Failure to receive the bill shall not entitle the Customer to relief from the deferred payment provisions of the rate if he fails to make payment within said fifteen day period, nor shall it affect the right of the Company to cut off and discontinue service for non-payment as above provided.

7. **RECONNECTION CHARGE.**
In cases where the company has discontinued service for non-payment of bills and/or for other causes stipulated herein, the right is reserved to charge the customer an amount for reconnection commensurate with the cost of same.

8. **DEPOSIT**
The Company may require from any applicant, as a guarantee against the non-payment of bills, a cash deposit equal to the amount payable for service for any 60 day period as estimated by the Company.
In all cases, where the monthly consumption is in excess of that covered by the deposit, the Company may increase the amount of deposit required, but such deposit shall not exceed an amount for any estimated sixty day service.
In the case of seasonal users, the Company may require from such applicants a cash deposit equal to the estimated consumption of the applicant for the season.
Interest will be paid on deposits as required by the rules of the Public Service Commission. The original deposit certificate issued to patrons should be presented when demand is made for refund of deposit.

9. **PREDICATION OF RATES**
The Company's electric rates are predicated upon the supply of service to the Customer separately for each premises and for the ultimate usage of such separate premises. The combining of service of two or more separate classifications through a single meter, or of two or more premises, or of two or more separate living quarters of the same premises, will be permitted only under such rules and regulations as filed by the Company and approved by the Public Service Commission. (See Rules 10, 11 & 12). An outlying or adjacent building of the Customer, if located on the same premises, may be served from the supply to the main residence or building, provided the use of such supply to the adjacent building is supplementary to the usage in the main building. "Premises" as herein used shall mean the main residence, or living quarters for the use of a single family, or main building of a commercial Customer, and shall include the outlying or adjacent buildings used by the same provided the use of the service in the outlying or adjacent buildings is supplemental to the service used in the main residence or building.

6/20/66

49-275-6

10. BUILDING CONTAINING TWO OR MORE SEPARATE LIVING QUARTERS

Where RESIDENTIAL service is supplied through one meter to an apartment house or to a building containing two or more separate living quarters, the Customer shall have the option, by written application to the Company, of electing whether:

(a) the service shall be classed as Residential, in which case, for billing purposes, the blocks and minimum payment of the Residential rate shall be multiplied by the number of living quarters served through the meter.

(b) the service shall be classed as Commercial, in which case, for billing purposes, the Commercial rate shall be applied on the basis of a single customer.

The election made by the Customer shall continue for a period of twelve months and thereafter until the customer notifies the Company, in writing, of his election to have the selected classification of such service changed. Each such election subsequent to the initial election shall continue for a twelve month period and thereafter until the Customer again notifies the Company, in writing, of his election to change his selection of the classification of such service.

The Customer may arrange the wiring at his own expense, so as to separate the combined service and permit the Company to install a separate meter for each separate living quarter. In each such case the readings of each such meter shall be billed separately on the Residential rate.

This rule has no application to rooming houses.

11. COMBINED RESIDENTIAL AND COMMERCIAL SERVICE

Where both residential and commercial classes of service are supplied through one service and one meter to the same Customer on the same premises, such combined service shall be classed as commercial and billed under the commercial service rate.

At the option of the Customer, the connections may be arranged at the Customer's expense so as to separate the commercial service and residential service to permit installation of two meters, in which case the residential rate will apply to the residential service and the commercial rate to the commercial service.

12. RESALE OF THE SERVICE

Service will not be furnished under any schedule of the Company on file with the Commission to any customer, applicant, or group of applicants desiring service with the intent or for the purpose of reselling any or all of such service, except service to other utilities.

13. COMPANY RESERVES THE RIGHT TO SHUT OFF SUPPLY

The Company reserves the right to shut off the supply of all service to all or any part of the premises for any of the following reasons: (1) for repairs; (2) for want of supply; (3) for non-payment of any bill when due; (4) for interference with any of the Company's appliances, equipment or connections thereto; (5) for failure to comply with the terms of the contract; (6) for violation of any of the Rules and Regulations applicable to the service; and (7) for any lawful reason. Such discontinuance shall not, however, invalidate any contract and said Company shall have the right to enforce any contract notwithstanding such discontinuance.

14. FAILURE OF METER

Whenever it is discovered that a meter is not recording within the limits of accuracy as prescribed in the rules of the Public Service Commission, adjustment shall be made in accordance with such rules.

15. COMPANY'S PROPERTY AND PROTECTION THEREOF

All meters, or other appliances and equipment furnished by and at the expense of the Company, which may at any time be on or in the Customer's premises, shall, unless otherwise expressly provided, be and remain the property of the Company, and the Customer shall protect such property from loss or damage, and no one who is not an agent of the Company shall be permitted to remove such property or tamper therewith.

16. INTERRUPTION OF SERVICE, ETC.

The Company shall not be responsible in damages for any failure to supply electric service or for interruption or reversal of the supply of electrical energy, or for defective wiring on the Customer's premises, or for damages resulting to a customer or to third persons from the use of electricity or the presence of the Company's appliances on the Customer's premises, unless due to fault, neglect or culpability on the part of the Company. Neither party shall be liable to the other for any failure or delay in case such failure or delay is caused by strikes, the Act of God, or unavoidable accidents or contingencies beyond its control and is not due to fault, neglect or culpability on its part.

17. MONTH

A "Month" means the period between any two, consecutive regular readings by the Company of the meter or meters on the premises, such readings being taken as nearly as practicable every thirty days.

When the Company cannot obtain the regular monthly readings of the meter, in rendering any bill based on the meter reading thereafter obtained, it shall multiply the blocks of the rate and the minimum charges by the number of months covered by the meter reading obtained and render the bill thereon.

18. DESCRIPTION OF SERVICE TO BE FURNISHED

The Customer shall upon request of the Company, present in writing to the Company a list of the appliances which are to be attached to the Company's lines, giving the location of the building, and the Company will then advise the form, voltage and description of the electrical energy it will furnish.

19. SERVICE CONNECTIONS

The Company will supply an overhead service connection from the most suitable pole of its distribution line to the pole, building, or terminal connection provided by the Customer.

The Company will locate the point to which the service wires will be attached to the Customer's building. The wires on the Customer's entrance run shall extend at least three feet beyond the upper and outer end of the weatherproof fitting.

ADOPTED THIS 20 DAY OF June 1966.

Attest: ______________________

Secretary Board of Public Works.

Fred A. Kunau

Robert W. Dohman

Board of Public Works.

Customers desiring an underground service connection from the overhead wires must, at their own expense, install and maintain service wires of an approved type from the building, to and up the pole of the Company from which connection is made.

The Company will extend its distribution lines a reasonable distance, as may be determined by the Company for the purpose of supplying electric service for a new connection. Any changes made in the locations of service connections at the Customer's request, after once installed, shall be at his expense.

20. INSIDE WIRING AND ENTRANCE EQUIPMENT

Applicants for service must at their own expense equip their premises with all wiring, and entrance equipment, all of which shall be constructed and maintained, subject to the approval of any authorized inspectors, and in accordance with the rules of the Company in force at the time. The Company shall be under no duty to inspect the wiring and equipment of the Customer.

The applicant shall at all time maintain the service entrance and the wires inside the building.

21. LOCATION OF COMPANY TRANSFORMERS, METERS AND APPLIANCES

When the form of service requires, the Customer shall provide free of expense to the Company, near the service entrance, a suitable place for necessary transformers, meter or other appliances, which may be furnished by the Company.

22. METERS TO BE INSTALLED BY THE COMPANY

The electricity, unless otherwise specified, shall be measured by meter or meters of standard manufacture, installed by the Company on the premises in accordance with Rule 10 of Rules and Standards of Service for electrical Utilities, established by the Public Service Commission of Indiana, effective May 1, 1920, Cause No. 5344, and the Rules and Information of the Company in force at the time. Upon the registration of said meter or meters all bills, other than the service charge, shall be calculated.

If more than one meter is installed on different classes of service (each class being charged for at different rates), each meter shall be considered by itself in calculating the amount of any bills. When for the convenience of the Company more than one meter is installed hereunder, on the same class of service, the sum of the registration shall in all cases be taken at the total registration. Meters include all measuring instruments.

23. POWER INSTALLATIONS

Electrical energy must be used for the purpose set forth in the contract and in such a manner as not to cause unprovided-for voltage fluctuations.

Power installations aggregating five horsepower or less must be single phase, unless three phase is available at the location where power is to be used.

Power installations aggregating 7½ horsepower may be single phase at the option of the Company, but should preferably be three phase.

Power installations aggregating ten horsepower or more must be three phase if three phase service is available.

Motors of ⅓ horsepower and under may be operated on lighting circuits and may be wound for 110 or 220 volts. Single phase motors of ½ horsepower and up to 2 horsepower, inclusive, must be wound for 220 volts or 110/220 volts and shall be connected on the 230-volt legs of the three-wire lighting service, but they must be run on a separate circuit.

A single phase motor in excess of 2 horsepower or a group of single phase motors whose aggregate horsepower is in excess of 3 horsepower, must be covered by contract and must have a meter and power service outlet separate and distinct from the meter and outlet for lighting service.

24. AIR CONDITIONING

(A) Power Installation for Residential Air Conditioning.

Single phase power installations for Residential Air Conditioning may be taken from the residential lighting service, subject to motor sizes and voltage supply as prescribed in Rule 23. If the total connected power load of the Customer (including air conditioning equipment) does not exceed a total of three (3) horsepower, of which no individual motor exceeds two (2) horsepower, such equipment may be served through the regular residential service light meter. Should the addition of air-conditioning equipment comprising motor-driven refrigerating units and auxiliaries used in connection therewith cause the total motor load connected to exceed the above limitations, such air-conditioning equipment, not to exceed a total of 7½ horsepower, will be served through a separate meter. The meter readings shall not be combined for billing purposes.

(B) Power Installations for Commercial Air Conditioning.

(1) may at the option of the Customer be combined with any other power equipment served and considered as a part of the total connected power installation and billed on the general power schedule applicable, or

(2) at the option of the Customer air conditioning equipment comprising motor-driven refrigerating units and auxiliaries used in connection therewith may be metered through the power meter serving any other power equipment installed on the premises, if any, in which case the minimum payment for each month shall be regulated as follows:

  (a) The total connected load, less connected horsepower of the air conditioning equipment, shall be used as the basis for determining the monthly minimum payment for any billing period more than half of which is in any month of October to April, inclusive;

  (b) The total connected load, including connected horsepower of air conditioning equipment, shall be used as the basis for determining the monthly minimum payment for any billing period more than half of which is in any month of May to September, inclusive.

The option as stated by item (B) is available only if the Customer is served under block power rates in which the minimum payment is regulated by the connected load in horsepower. If under such conditions the connected load in horsepower of other than air conditioning equipment is zero, no minimum payment will be required during the billing periods for the months of October to April, inclusive.

25. TEMPORARY SERVICE

The applicant for temporary service shall be required to pay the cost of labor and material required in connection with such installation, plus 30% for supervision, use of tools, and indirect costs.

For current consumed, the regular schedule of rates will be charged, provided that in cases where the required transformer capacity is more than 10 K.V.A., an additional monthly rental charge of $1.00 per month will be made for each K.V.A. of transformer capacity required in excess of 10 K.V.A., such additional transformer rental charge to be refunded to the Customer if temporary service is continued for one year.

No temporary installation may continue for a period of more than twelve months, unless such installation conforms to the requirements of a permanent installation.

26. NOTIFY COMPANY BEFORE INCREASING LOAD

The service connections, transformers, meters and appliances supplied by the Company have definite capacity and no substantial addition to the equipment or connected load thereto will be allowed except upon written consent from the Company.

27. EXCLUSIVE SERVICE ON INSTALLATION CONNECTED

No other electric light or power service shall be used by the Customer on the same installation in conjunction with the Company's service, either by means of a "throw-over" switch or any other connection, except under a contract for auxiliary service.

Issued Date
June 10, 1957

Effective Date
July 1, 1957

General Rules and Regulations Applicable to Electric Service
(cont'd.)

Pursuant to the order of the Public Service Commission of Indiana, approved December 20, 1963, in its Cause No. 30225, the following is hereby issued in establishing classification of and standards for electric service rendered by the Company to Indiana municipally-owned utilities and rural electric membership corporations.

28. **Classification of, and Standards for, Service Rendered to Municipally-Owned Utilities and Rural Electric Membership Corporations.**

Classification:

A. Class I — those customers ("municipally-owned utility customers") of Company which (i) are a city or town of the State of Indiana, and (ii) receive electric energy delivered by Company at delivery points located wholly within the State of Indiana under a tariff, rate schedule or contract with Company which is filed with the Commission; and (iii) have resale customers at retail in the State of Indiana; and
B. Class II — those customers ("REMC utility customers") of Company which (i) are a nonprofit rural electric membership corporation operating in Indiana, (ii) receive electric energy delivered by Company at delivery points located wholly within the State of Indiana under a tariff, rate schedule or contract with Company which is filed with the Commission; and (iii) have resale customers at retail in the State of Indiana.

Standards for Measurement:

(I) Electric energy delivered to the municipally-owned utility customers and REMC utility customers of Company shall, for any applicable period of measurement, be classified as electric energy generated in the State of Indiana except to the extent that the amount of electric energy generated in the State of Indiana by Company (and other electric energy generated in the State of Indiana and available to Company) shall be less than the sum of (a) the amount of electric energy delivered by Company to its municipally-owned utility customers and REMC utility customers, and (b) any losses applicable thereto from the Indiana generating stations to the respective points of delivery; and
(II) In the event that, in any such period, the amount of electric energy generated in the State of Indiana by Company (and other electric energy generated in the State of Indiana and available to Company) shall be less than such sum, the amount of electric energy generated in the State of Indiana (minus such losses) shall be allocated first among such municipally-owned utility customers in proportion to the respective total amounts of electric energy delivered by Company to such customers during such period, and second among such REMC utility customers in proportion to the respective total amounts of electric energy delivered by Company to such customers during such period.

General:

The foregoing provisions apply to all tariffs, rate schedules and contracts of the Company as filed with the Commission. Whenever such provisions conflict or are inconsistent with any of the other terms and conditions of service, tariffs, rate schedules or contracts of Company as filed with the Commission, such provisions shall control and govern to the full extent not prohibited by law.

Liberty Gardens Add.

SEWER EASEMENT RESOLUTION NO. 10 - 1966

For the Condemnation of right of way for sewer easement purposes across, through and under a portion of lots numbered 32, 45, 46, 47, 48, 53, 54, 55 and 56, all lots in Liberty Gardens Addition.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to condemn right of way for sewer easement purposes across, through and under a portion of lots numbered 32, 45, 46, 47, 48, 53, 54, 55 and 56, all lots in Liberty Gardens Addition, more particularly described as follows:

The South 12 feet of lot numbered 32 in Liberty Gardens Addition.

Also, the South 9 feet of lots numbered 47 and 48, and East 1/2 of lot numbered 46, all in Liberty Gardens Addition.

Also, the North 5 feet of lots numbered 53, 54, 55 and 56, all in Liberty Gardens Addition.

Also, the South 7 feet of lot numbered 45 and West 1/2 of lot numbered 46, all in Liberty Gardens Addition.

All as shown by a plan of such proposed Condemnation of right of way for sewer purposes as described above, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana.

The cost of said Condemnation of right of way for sewer purposes shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Condemnation of right of way for sewer purposes is described as follows: Across, through and under a portion of lots numbered 32, 45, 46, 47, 48, 53, 54, 55 and 56, all lots in Liberty Gardens Addition.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporation", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5) % per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplemental thereof.

All streets, lots and land affected by the above described condemnation are situated in the Southwest 1/4, Section 27, Township 30 North, Range 13 East, and lie fully within the corporate limits of the City of Fort Wayne, Indiana.

Adopted this 13 day of June, 1966.

LOCAL SEWER IMPROVEMENT RESOLUTION

No. 778, 1966

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, STATE OF INDIANA, That the construction of a local sewer, intended and adopted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered ~~in and along~~

Beginning at an existing manhole located at the Southwest corner of lot numbered 32 in Liberty Gardens Addition; thence East along the South line of said lot a distance of 199 ± l.f. to a proposed manhole in Liberty Drive; thence Southerly in and along Liberty Drive a distance of 404 ± l.f. to a proposed manhole; thence Westerly in and along the easement between Waynewood Drive and Lower Huntington Road a distance of 400 ± l.f., terminating at a proposed manhole.

Said sewer shall be 8 inches in diameter.

in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said city.

The cost of said improvement shall be apportioned against and paid by the property holders whose property abuts thereon, and upon the City of Fort Wayne, Indiana, if the city is benefited by said improvement, all according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporations," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments, if deferred, are to be paid in ten equal annual installments, with interest at the rate of five per cent, per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond or bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvements, assessments of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments and supplements thereto.

FOR STREET OR ALLEY

No. 5352-1966

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, INDIANA,

That it is deemed necessary to improve by resurfacing Broadway

from the south property line of Washington Boulevard

~~to the property line of~~ to a point approximately 250 feet south of Lavina Street.

~~By draining, curbing, grading and paving the roadway~~ to a uniform width of forty & forty-two (40 & 42) feet ~~with Sheet Asphalt, Asphaltic Concrete upon a six (6) inch Concrete foundation, Six (6) inch Plain Concrete or with 8" Macadam, 2" Binder and 1" Asphalt Top.~~

with 1½" - City Mix A-2

all in accordance with the profile, detail-drawing and specifications on file in the office of the Department of Public Works of said City; and such improvement is now ordered.

It is hereby found by said Board of Public Works that all benefits accruing hereunder will be to the general public of the City of Fort Wayne and that no special benefits will accrue to any property owner adjoining said improvement or otherwise assessable under said improvement. The cost of said improvement shall be paid by the City of Fort Wayne, Indiana, out of monies currently appropriated for Street Repair and Rehabilitation Fund.

~~Assessments if deferred, are to be paid in ten equal installments, with interest at the rate of five (5) per cent, per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.~~

Adopted, this 7 *day of* June, 1966

SANITARY SEWER RELIEF RESOLUTION

No. 163 - 1966

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that the construction of a sanitary relief sewer, which from its size and character is not only intended and adapted for use by property holders whose property abuts along the line of said sewer, but is also intended and adapted for receiving sanitary sewage from collateral drains already constructed or which hereafter may be constructed, be and same is hereby ordered.

Commencing at a proposed manhole located on an existing 24" sewer on the West side of St. Joe Boulevard at the intersection of Charlotte Avenue; thence Southerly in and along St. Joe Boulevard a distance of 494 ± l.f., terminating at a proposed manhole on an existing sewer.

Said sewer shall be 12" in diameter with all appurtenances to be constructed in accordance with the plans, profiles, and specifications now on file in the office of the Board of Public Works of said City.

It is hereby found by said Board of Public Works that all benefits accruing hereunder will be to the general public of the City of Fort Wayne. All costs pertaining to said sanitary sewer will be borne by the City of Fort Wayne out of monies currently appropriated for Sanitary Sewer Relief Funds.

ADOPTED THIS 31 DAY OF May 1966.

DELETE: All of paragraphs 4 and 5

" Also, the East 7 feet of lot numbered 44 and the West 7 feet of lot numbered 45 in Elzey's 4th Addition.

" Also, the South 7 feet of the East 7 feet of lot numbered 43 in Elzey's 4th Addition.

ADD: " Also, the West 7 feet of lot numbered 44 and the East 7 feet of lots numbered 41 through 43 inclusive in Elzey's 4th Addition.

CHANGE: Lot number 43 to 41 in paragraphs 1, 2, and 11.

49-320-19

SEWER EASEMENT RESOLUTION NO. 9-1966

(SUPPLEMENTAL MODIFICATION)

Pursuant to an investigation by our Sewer Engineering Department, we find a building constructed on Lot No. 37 in Elzey's 4th Addition, extending two (2) feet on the proposed easement. It is, therefore, necessary to further modify said easement by changing paragraph 3 to read as follows:

"The West 5 feet of lot numbered 37 and the East 7 feet of lots numbered 38 through 40 inclusive in Elzey's 4th Addition"-*(In place of The West 7 feet of lot numbered 37 and the East 7 feet of lots numbered 38 through 40 inclusive in Elzey's 4th Addition)

DECLARATORY RESOLUTION No. 1190 1966

For the Vacation ~~— Opening — Condemnation of right of way for utility purposes~~ of the alley between Locust Street and Taylor Street from the east property line of Lots 31 and 37, Sturgis 2nd Addition to a point 4 feet west of the east property line of Lots 33 and 39, Sturgis 2nd Addition .

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate the alley between Locust Street and Taylor Street from the east property line of Lots 31 and 37, Sturgis 2nd Addition to a point 4 feet west of the east property line of Lots 33 and 39, Sturgis 2nd Addition.

All as shown by a plan of such proposed Vacation ~~— Opening — Condemnation of right of way for utility purposes~~ as above described, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana

The cost of said Vacation ~~— Opening — Condemnation of right of way for utility purposes~~ shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Vacation ~~— Opening — Condemnation of right of way for utility purposes~~ is described as follows: Lots 30 to 33 inclusive and Lots 36 to 39 inclusive, all in Sturgis 2nd Addition; Lots 1 to 5 inclusive Spereisen's Addition; Lot No. 1, Rinehart's Addition; and space West of Sturgis 2nd Addition and south of the Norfolk & Western Railroad. Said additions and space are inclusive to the City of Fort Wayne, Indiana.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5)% per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

The vacation of the above described alley shall be subject to an easement for the use of the City of Fort Wayne, Indiana, and other public utilities for the construction and maintenance of sewers, ~~water mains, gas mains,~~ electric pole lines and conduits, telephone and telegraph pole lines and conduits.

All Streets, lots and lands affected by the above described vacation are situated in the northwest quarter of Section Eleven, Township 30 north, Range 12 east and lie wholly within the corporate limits of the City of Fort Wayne, Indiana.

ADOPTED THIS 19 DAY OF May 1966

Improvement Resolution

FOR STREET OR ALLEY

No. 5342 -1966

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, INDIANA,

That it is deemed necessary to improve Wilson Drive

from the west property line of Gaywood Drive

~~to the property line of~~ to a point 200 feet west thereof.

By draining, curbing, grading and paving the roadway to a uniform width of twenty-seven including curb (27) feet with Sheet Asphalt, Asphaltic Concrete upon a six (6) inch Concrete foundation, Six (6) inch Plain Concrete or with 8″ Macadam, 2″ Binder and 1″ Asphalt Top.

all in accordance with the profile, detail-drawing and specifications on file in the office of the Department of Public Works of said City; and such improvement is now ordered.

The total cost of said improvement, excepting the cost of street and alley intersections, shall be assessed upon the real estate abutting on said Wilson Drive as above described and on property within 150 feet of the line of the street to be improved, and upon the City of Fort Wayne, Indiana, to the extent of the street and alley intersections. All according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Muncipal Corporation," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments if deferred, are to be paid in ten equal installments, with interest at the rate of five (5) per cent, per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

AMENDMENT TO WATER AGREEMENT DATED SEPTEMBER 26, 1960 EXECUTED BY AND BETWEEN THE CITY OF FORT WAYNE AND THE CITY OF NEW HAVEN, BOTH OF ALLEN COUNTY, INDIANA

WHEREAS the City of Fort Wayne and the City of New Haven, both of Allen County, Indiana, entered into an agreement on the 26th day of September, 1960, for the sale by the City of Fort Wayne and the purchase by the City of New Haven of certain quantities of water and the sale of such water by the City of New Haven by and through its water utility in certain areas all as more specifically described in said water agreement,

WHEREAS the two municipal corporations who are parties to said agreement deem it to their mutual benefit and advantage to amend said agreement as the same pertains to the servicing of an area in Section 3 of Adams Township of Allen County, Indiana,

NOW THEREFORE, it is agreed by and between the City of Fort Wayne and the City of New Haven that there shall be excluded from the area to be serviced by the City of New Haven all of that portion of Section 3, Township 30 North of Range 13 East in Adams Township, Allen County, Indiana, lying North of the Maumee River and all of said area in said Section 3 lying North of the Maumee River shall be included in the area to be serviced hereafter by the City of Fort Wayne for any and all water uses and purposes.

It is further agreed between the parties hereto that said agreement above referred to, dated September 26, 1960, heretofore executed by and between the parties hereto be and the same is amended accordingly.

IN WITNESS WHEREOF, the proper officials of the municipal corporations to this agreement have hereunto set their hands and the official seals of said corporations on the 18 day of April, 1966.

SEWER EASEMENT NO. 8 - 1966

For the Condemnation of a permanent right of way for sewer easement purposes across, through and under a portion of space bounded on the East by the West property line of lot numbered 1 in Fernwood Place Addition, Section I; on the South by the North right of way line of Lower Huntington Road; on the West by a line 8 feet West of and parallel to the West property line of lot numbered 1, Fernwood Place Addition, Section I; and on the North by a line 74.5 feet South of and parallel to the Westerly extension of the North property line of lot numbered 1 in Fernwood Place Addition, Section I; and space bounded on the East by the West property line of lots numbered 24 and 31 in Bluffton Interurban Gardens Extended Addition; on the South by a line 14 feet South of and parallel to the Westerly extension of the North property line of lot numbered 31 in Bluffton Interurban Gardens Extended Addition; on the West by a line 14 feet West of and parallel to the West property line of lots numbered 24 and 31 of Bluffton Interurban Gardens Extended Addition; and on the North by the South right of way line of Lower Huntington Road. Also lot numbered 1 in Fernwood Place Addition, Section I, and lots numbered 22, 24, 25, 26, 29, 30, 31, 33, 34, 37, 38, 41, 42, 45, 46, 49 and 50 in Bluffton Interurban Gardens Extended Addition, to the City of Fort Wayne, Indiana, being situated in the SW 1/4, Section 28, Township 30 N, Range 12 E and the NW 1/4, Section 33, Township 30 N, Range 12 E, Allen County, Indiana.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to condemn right of way for sewer easement purposes across, through and under a portion of land as described in the above paragraph, more particularly described as follows:

An easement 8 feet in uniform width described as follows:

Beginning at the Southwest corner of lot numbered 1 in Fernwood Place Addition, Section I; thence North along the West property line of said lot numbered 1 a distance of 100 feet; thence West on a line parallel to the Westerly extension of the North property line of said lot numbered 1, a distance of 8 feet; thence South on a line parallel to the West property line of said lot numbered 1 to the North right of way line of Lower Huntington Road; thence East along the said right of way line to the point of beginning.

Also, an easement 8 feet in uniform width described as follows:

Beginning at the Northwest corner of lot numbered 24 in Bluffton Interurban Gardens Extended Addition; thence South along the West property line of said lot numbered 24 to a point 14 feet South of the Southwest corner of said lot numbered 24; thence West on a line parallel to the Westerly extension of the North property line of lot numbered 31, a distance of 8 feet; thence North on a line parallel to the West property line of said lots numbered 24 and 31 to the South right of way line of Lower Huntington Road; thence East along the said right of way line to the point of beginning.

Also, the East 5 feet of the West 12 feet of the South 35 feet of the North 49 feet of lot numbered 1 in Fernwood Place Addition, Section 1.

Also, the West 4 feet of the South 120 feet of the East 185.5 feet of lot numbered 22; the West 7 feet of the North 62 feet of the South 182 feet of the East 185.5 feet of lot numbered 22; the East 10 feet of the South 120 feet of the West 185.5 feet of lot numbered 22; the East 7 feet of the North 62 feet of the South 182 feet of the West 185.5 feet of lot numbered 22; the West 14 feet of the East 192.5 feet of the North 25 feet of the South 207 feet of lot numbered 22; the West 6 feet of lot numbered 24; the East 5 feet and the South 6 feet of lot numbered 25; the West 9 feet of lot numbered 26; the North 14 feet of lot numbered 31; the North 8 feet and the East 7 feet of lot numbered 30; the East 7 feet of lots numbered 33, 38, 41, 46 and 49; and the West 7 feet of lots 29, 34, 37, 42, 45 and 50, all lots in Bluffton Interurban Gardens Extended Addition.

All as shown by a plan of such proposed Condemnation of right of way for sewer purposes as described above, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana.

Form 1929

Improvement Resolution

FOR STREET OR ALLEY

No. 5337 -1966

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, INDIANA,

That it is deemed necessary to improve Euclid Avenue

from the south property line of Rudisill Boulevard

to the north property line of McKinnie Avenue

By draining, curbing, grading and paving the roadway to a uniform width of twenty-seven (27) feet including curb with Sheet Asphalt, Asphaltic Concrete upon a six (6) inch Concrete foundation, Six (6) inch Plain Concrete or with 8″ Macadam, 2″ Binder and 1″ Asphalt Top.

all in accordance with the profile, detail-drawing and specifications on file in the office of the Department of Public Works of said City; and such improvement is now ordered.

The total cost of said improvement, excepting the cost of street and alley intersections, shall be assessed upon the real estate abutting on said Euclid Avenue as above described and on property within 150 feet of the line of the street to be improved, and upon the City of Fort Wayne, Indiana, to the extent of the street and alley intersections. All according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Muncipal Corporation," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments if deferred, are to be paid in ten equal installments, with interest at the rate of five (5) per cent, per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

NORTHWEST SANITARY RELIEF SYSTEM - SECTION I

RESOLUTION NO. 161

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana that the construction of a sanitary relief system which from its size and character is not only intended and adapted for use by property holders whose property abuts along the line of said sewer, but is also intended and adapted for receiving sewage from collateral drains already constructed or which hereafter may be constructed, be and the same is hereby ordered.

Main Line: Beginning at a proposed chamber located on the existing 72" sewer at the intersection of Boone and Osage Streets; thence Northerly in and along Osage Street to the intersection of High Street; thence Westerly in and along High Street to the intersection of Schilling Avenue; thence Northerly in and along Schilling Avenue to the intersection of Third Street; thence Westerly in and along Third Street to the intersection of Rumsey Avenue; thence Northerly in and along Rumsey Avenue, terminating at the intersection of Cherokee Road.

Lateral No. 1: Beginning at a proposed chamber on the main sewer located at the intersection of Schilling Avenue and High Street; thence Westerly in and along High Street to the first alley West of Osage Street; thence Southerly in and along said alley, terminating at an existing manhole located in the alley between High and Howell Streets.

Lateral No. 2: Beginning at a proposed manhole located on the main line at the intersection of Rumsey and Fourth Streets; thence Westerly in and along Fourth Street, terminating at a proposed manhole at the first alley West of Runnion Avenue.

Lateral No. 3: Beginning at a proposed manhole on the main line located at the intersection of Rumsey Avenue and Clover Lane; thence Westerly in and along Clover Lane to the intersection of Hinton Drive; thence Northerly on Hinton Drive, terminating at the first alley North of Clover Lane.

Lateral No. 4: Beginning at an existing manhole located at the intersection of Hinton Drive and Emerson Avenue; thence Westerly in and along Emerson Avenue, terminating at a proposed manhole at the intersection of Tyler Avenue.

Said sewers shall be 12", 15", 18", 21", 24", 30", 36", 42" and 48" in diameter.

Said sewer with all appurtenances to be constructed in accordance with the plans, profiles and specifications now on file in the Office of the Department of Public Works of said City and shall be used for sanitary and storm water purposes only.

All work done in the making of the aforementioned public improvement shall be in accordance with the terms and conditions of the resolution aforementioned and the plans, profiles and specifications now on file in the Office of the Board of Public Works of said City.

It is hereby found by said Board of Public Works that all benefits accruing hereunder will be to the general public of the City of Fort Wayne and that no special benefits will accrue to any property owner adjoining said improvement or otherwise assessable under said improvement. The cost of said improvement shall be paid by the City of Fort Wayne, Indiana, out of monies currently appropriated for Sewer Relief Fund.

Adopted this 13 day of April 1966.

IMPROVEMENT RESOLUTION

FOR STREET

NO. 5335 -1966

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, INDIANA, that it is deemed necessary to improve the following, in connection with the Three Rivers Redevelopment Project:

> Improving Columbia Street from a point 171.5 feet east of the east property line of Lafayette Street to a point 534 feet southeasterly thereof, said point being the westerly end of the Columbia Street Bridge, by paving with 9" plain concrete to a width of 44 feet;
>
> Also redesigning and improving the intersection of Clay Street and Columbia Street, by paving with 9" plain concrete and constructing traffic islands,

all in accordance with the profile, detail-drawing and specifications on file in the office of the Department of Public Works of said City; and such improvement is now ordered.

The total cost of said improvement shall be assessed against the City of Fort Wayne, Department of Redevelopment. All according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporations," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof, and the waiver of the City of Fort Wayne, Department of Redevelopment filed herein.

LOCAL SEWER IMPROVEMENT RESOLUTION

NO. 775, 19 66

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, STATE OF INDIANA, That the construction of a local sewer, intended and adopted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in ~~and~~ ~~along~~

Commencing at an existing manhole in Sand Point Road 145 ± l.f. South of the intersection of Genesee Avenue; thence Southwesterly in and along Sand Point Road a distance of 250 ± l.f. to the intersection of Monmouth Avenue; thence Easterly in and along Monmouth Avenue a distance of 850 ± l.f., and terminating at a proposed cleanout.

Said sewer shall be 8 inches and 10 inches in diameter.

in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said city.

The cost of said improvement shall be apportioned against and paid by the property holders whose property abuts thereon, and upon the City of Fort Wayne, Indiana, if the city is benefited by said improvement, all according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporations," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments, if deferred, are to be paid in ten equal annual installments, with interest at the rate of five per cent. per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond or bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvements, assessments of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments and supplements thereto.

SEWER EASEMENT RESOLUTION NO. 7---1966

For the Condemnation of right of way for sewer easement purposes across, through and under a portion of lot numbered 74 in Belle Vista Place Addition.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to condemn right of way for sewer easement purposes across, through and under a portion of lot numbered 74 in Belle Vista Place Addition, more particularly described as follows:

The Westerly 10 feet of lot numbered 74 in Belle Vista Place Addition.

All as shown by a plan of such proposed Condemnation of right of way for sewer purposes as described above, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana.

The cost of said Condemnation of right of way for sewer purposes shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Condemnation of right of way for sewer purposes is described as follows: Across, through and under a portion of lot numbered 74 in Belle Vista Place Addition.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporation", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5) % per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplemental thereof.

All streets, lots and land affected by the above described condemnation are situated in the Southeast 1/4, Section 21, Township 30 North, Range 12 East, and lie fully within the corporate limits of the City of Fort Wayne, Indiana.

CONTRACT FOR AERIAL PHOTOGRAPHY AND PHOTOGRAMMETRIC SERVICES FOR THE CITY OF FORT WAYNE, INDIANA & VICINITY

THIS AGREEMENT, made and entered into in duplicate this 21st. day of March 1966, by and between the City Planning Director of the City Planning Commission, its Board of Public Works, and General Superintendent of City Utilities, hereinafter called "CITY", and Abrams Aerial Survey Corporation, a Michigan corporation with principal offices at Lansing, Michigan, hereinafter called "CORPORATION".

WITNESSETH THAT:

WHEREAS, City desires to obtain aerial photographic surveys and photogrammetric services of those competent to do such work by reason of their technical skill, equipment and experience; and

WHEREAS, Corporation meets the foregoing requirements and is willing to furnish the required services and deliver the materials prescribed in this contract and in the specifications thereto, which specifications are attached hereto as Exhibit "A" and by reference incorporated herein and made a part of this Contract as if herein set out in full, such services and materials to be furnished by Corporation for City for the area designated.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements hereinafter set forth, it is agreed by and between the parties hereto as follows:

ARTICLE I

Corporation shall provide and furnish, at its sole and separate cost, all materials, superintendence, labor, equipment and transportation required to make an aerial survey by means of photography of area designated, and shall furnish to City from said aerial photographic survey the materials hereinafter specified in Article II hereof and shall further, if so directed by City, compile and furnish to City topographic maps of those portions of the areas photographed as may be prescribed by City, all in accordance with the specifications set forth in said Exhibit "A".

ARTICLE II

That the materials to be furnished to City by Corporation shall be as follows:

Item 1

(a) One (1) set of contact prints at a photographic scale of 1" = 500' on double weight, semi-matte photographic paper, providing full stereoscopic coverage.

(b) One (1) copy of a photographic index illustrating the relative position of each contact print.

Item 2

One set of cronaflex atlas sheet enlargements, scale 1" = 100'.

Item 3

A composite photographic mosaic assembled to the approximate scale of 1" = 500' on oil tempered masonite, mounted on a rigid wooden frame suitable for wall mounting.

Item 4

Reproducible cronaflex reproductions of topographic maps of all or any portion of said areas as from time to time hereafter directed by City but within a period of five (5) years from the date of this Contract.

ARTICLE III

City shall pay to Corporation for the performance by Corporation of the services hereinabove prescribed and the furnishing by it of the materials hereinabove required, the sum of fourteen-thousand-one-hundred-two-dollars and no/100 cents, ($14,102.00), as follows:

1. Upon the completion and delivery by Corporation to City of the materials required by items 1 (a) and 1 (b) above, the sum of $5,468.00.
2. Upon the completion and delivery by Corporation to City of the materials required by item 2 above, the sum of $6,784.00.
3. Upon the completion and delivery by Corporation to City of the materials required by item 3 above, the sum of $1,850.00.
4. In addition to the foregoing, City shall pay to Corporation for any materials ordered by City pursuant to item 4 above, at the time of completion and delivery of the same by Corporation to City thereof, in accordance with the following price schedule:

mapped	Price
Minimum, 80 acres	$395.00 lump
160 - 640 acres	3.60 per acre
640 - 1000 "	3.15 " "
1000 - 3000 "	2.90 " "
Over 3000 acres	Special estimate

The foregoing unit cost prices for compilation of topographic maps shall remain in effect for a period of two (2) years from the date of this agreement. After said 2-year period, the per acre cost price for further mapping shall be determined by agreement between the parties at the time such maps are ordered by City.

ARTICLE IV

Corporation shall submit to City invoices for its services and materials furnished hereunder, as follows:

1. One invoice covering all costs of Item 1 above upon delivery and acceptance of the materials required by such item.
2. Monthly invoices pro-rated on a square mile basis covering partial delivery and acceptance of atlas sheet enlargements required by Item 2 above.
3. One invoice covering all costs in connection with Item 3 above upon delivery and acceptance of the materials required by said item.
4. Monthly invoices covering the materials specified in Item 4 above, rendered on a per-acre basis upon delivery and acceptance of completed sheets.

ARTICLE V

That all materials required to be delivered to City pursuant to this Contract shall be forwarded by Corporation to the Planning Director, City of Fort Wayne, Indiana, 425 South Calhoun Street, Fort Wayne, Indiana, F.O.B. Fort Wayne, Indiana.

ARTICLE VI

That all metal containers and spools and all film used by Corporation in the performance of this Contract shall be and become the property of City, but shall for convenience be retained by Corporation in its specially-constructed vaults for a minimum period of ten (10) years from the date of completion of the services prescribed by this Contract.

ARTICLE VII

Corporation shall assume all risks in connection with the performance of the flying, aerial photography and delivery of materials aforesaid and shall be liable for and does hereby save the City harmless on account of any damages to persons or property by Corporation in connection with the performance of its work hereunder. No work shall be commenced by Corporation until it has obtained all insurance hereinafter required and furnished to the Board of Public Works of City satisfactory certificates thereof. Such insurance shall consist of the following:

1. Complete Workmen's Compensation Insurance for all employees of Corporation and any subcontractors of Corporation in full compliance with the requirements of the Indiana statutes pertaining to the same,
2. Public Liability and Property Damage Insurance, insuring Corporation and any subcontractor of Corporation for all claims for damages for personal injury, including accidental death, as well as for all claims for property damages, in an amount not less than $25,000.00 for personal injury, including accidental death, for one person, and not less than $50,000.00 for each accident, and not less than $25,000.00 for property damage.

ARTICLE VIII

Corporation shall obtain and pay for, at its own expense, all permits and licenses which may be required by any federal, state or local agency, shall observe all laws, ordinances, rules and regulations of any and all federal, state and city governments applying to its activities hereunder, and shall pay any and all royalties and license fees pertaining thereto.

ARTICLE IX

Corporation shall furnish to City a performance bond on a form and with sureties approved by the Board of Public Works of City in the penal sum of not less than the full contract price hereinabove stipulated.

Said performance bond shall, upon acceptance and approval, be and become a part of and is hereby by reference incorporated in this Contract.

ARTICLE X

EXHIBIT "A"

SPECIFICATIONS ATTACHED TO AND BECOMING A PART OF AN AGREEMENT FOR AERIAL PHOTOGRAPHY AND PHOTOGRAMMETRIC SERVICES
FOR
THE CITY OF FORT WAYNE, INDIANA

1. AREA

The aerial photographic survey shall cover an area of 114 square miles as designated by the City with the understanding that the City may request the inclusion of additional photography around the perimeter of the project, if such additional photography is desired. It is understood any additional photography will be accomplished at the time of photography of the principal areas with the cost of the additional areas to be negotiated by the City and the Corporation.

2. COMMENCEMENT OF WORK

One airplane camera crew will be assigned to commence work on the aerial photography at the earliest date possible in keeping with the Corporation's flying schedule, and prevailing weather and foliage conditions.

3. CAMERA

Photography will be accomplished with a Wild RC-8, 6" precision topographic camera incorporating a distortion free lens.

4. FLIGHT LINES

Flight lines shall be determined by the Corporation, to assure suitability of the photography for ultimate use in the production of survey materials and compilation of topographic maps.

5. NEGATIVES

All negatives shall be made on special low shrink, topographic base, aero film. All negatives shall be uniform in density and even throughout the image area. The negatives will be left in rolls and filed in metal containers in the Corporation's film vaults for a minimum period of ten years.

6. NEGATIVE SCALE

Negatives shall be made at sufficient elevation above the ground to yield contact prints at the scale of one inch equals 500 feet and at the scale of 1" = 2000', plus or minus 5 percent.

7. PHOTOGRAPHIC QUALITY

Photographs shall be clear and sharp in detail and of average and uniform density, will be free from clouds and cloud shadows, light streaks, snow static marks, and other blemishes which would interfere with their intended use. No vertical photographs will be made when the sun is less than three hours above the horizon.

8. CONTACT PRINTS

Contact prints shall be on double weight, semi-matte photographic paper and shall carry identifying numbers. Running overlap shall be such that full stereoscopic coverage of the entire area is provided.

9. STAPLED PHOTO INDEX MAP

Photo-index map shall be prepared from the 1" = 500' scale photography by photographing a stapled assembly of contact prints from each vertical negative carefully laid to match corresponding images and clearly showing the aerial numbers of each negative. Said contact prints shall be made without mask, and shall be trimmed to the edges of the photographic images. The specified number of photographic copies of said photo-index map shall be delivered on double weight, semi-matte photographic paper, sheet sizes to be no longer than 20" x 24".

10. ATLAS SHEET ENLARGEMENTS

Atlas sheets shall be enlarged to a scale of 1" = 100' on cronaflex material. The scale of the atlas sheet enlargements is to be controlled by means of horizontal measurements supplied by the City between points indicated on contact prints from the survey. Resulting atlas sheets shall be as accurate in overall scale as materials, processes and techniques will permit and measured distances in excess of 1320 feet shall check within plus or minus 1%. Each atlas sheet will cover an area 1/4 mile north and south by 1/2 mile east and west.

11. COMPOSITE PHOTOGRAPHIC MOSAIC

A composite photographic mosaic will be assembled to an approximate scale of 1" = 500' on oil tempered masonite attached to a wooden frame suitable for wall mounting. Scale of the mosaic will be controlled by horizontal ground measurements. The individual prints will be carefully matched as to color and detail to present the overall appearance of a single large photograph. The finished mosaic will be given a protective lacquer coating to guard against surface deterioration.

12. TOPOGRAPHIC MAPS

Topographic maps shall be compiled at a horizontal scale of 1" = 100' showing 2' contour intervals of all or any portion of the overall area, as directed by the City. Maps shall be delivered in the form of reproducible cronaflex positives printed from scribed masters and shall conform to accepted National Standards as to accuracy and content. Details as to sheet size and format shall be developed to comply with the City's requirements.

13. GROUND CONTROL DATA

All ground control surveys required to support the preparation of survey materials and the topographic mapping shall be performed by the City. The Corporation will make full use of control data in its files from previous aerial survey work for the City of Fort Wayne.

14. DELIVERY SCHEDULE

One complete set of contact prints and one photographic index will be delivered to the City within 30 calendar days after completion of the flying. Atlas sheet enlargements will be delivered within 90 days after completion of photography and securing of any additional ground control required. The composite photographic mosaic will be delivered within 120 days after completion of flying and securing of field control. Topographic maps will be delivered on a priority schedule to be developed by representatives of the City and the Corporation after the areas to be mapped have been designated by the City.

15. INSPECTION AND ACCEPTANCE

All materials to be delivered under the Agreement shall be forwarded to the City for inspection and acceptance. One copy of the shipping memorandum covering each shipment of materials will be returned to the

Corporation acknowledging receipt, and indicating whether or not all of the materials in the shipment are satisfactory. If, in the opinion of the City, the materials are not satisfactory, or if the materials are found to be of poor photographic quality or not suitable for the work intended, reflights or reprints will be made in order to correct the unsatisfactory material. All materials shall be completed and furnished to the City in a good workmanlike manner and in accordance with the best customs and standards for such work. Any and all work and labor required to correct any material which is unsatisfactory to the City shall be furnished and supplied at the sole cost and expense of the Corporation.

16. RESALE OF SURVEY MATERIALS

The survey and any materials from the survey will be the exclusive property of the City. No materials will be sold or made available to any person, agency, or group except with the authorization of and at the direction of the City.

Easement No. 6 Nyffler Drain

3/28/66
49-169-7

LOCAL SEWER IMPROVEMENT RESOLUTION

No. 772, 1966

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, STATE OF INDIANA, That the construction of a local sewer, intended and adopted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered ~~in and along~~

Beginning at a proposed manhole located in the existing sanitary sewer at the Southwest corner of lot numbered 86 in Waynedale Gardens 2nd Addition; thence Easterly on the South line of said lot numbered 86 a distance of 198 ± feet to a proposed manhole; thence Northerly in and along Bradley Avenue a distance of 118 ± feet to a proposed manhole to be located on the existing Nyffeler Drain; thence Easterly in and along the easement between Waynedale Boulevard and Witchwood Drive, terminating at a proposed manhole located on the South line of lot numbered 185 in Waynedale Gardens 2nd Addition.

Said sewer shall be 8", 10" and 12" in diameter.

The above project consists of modifying an existing County Drain so that it may be accepted as a City Sanitary Sewer. Before this sewer can be accepted by the City, it will be necessary that each property owner disconnects his downspouts and bypasses and abandons his septic tank.

MODIFIED: By deleting therefrom the following:

"Beginning at a proposed manhole located in the existing sanitary sewer at the Southwest corner of lot numbered 86 in Waynedale Gardens 2nd Addition; thence Easterly on the South line of said lot numbered 86 a distance of 198 ± feet to a proposed manhole; thence Northerly in and along Bradley Avenue a distance of 118 ± feet"

And adding thereto the following:

"Beginning at an existing manhole located near the Northwest corner of lot numbered 213 in Waynedale Gardens 2nd Addition; thence Southerly in and along Bradbury Avenue a distance of 394 ± feet"

in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said city.

The cost of said improvement shall be apportioned against and paid by the property holders whose property abuts thereon, and upon the City of Fort Wayne, Indiana, if the city is benefited by said improvement, all according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporations," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments, if deferred, are to be paid in ten equal annual installments, with interest at the rate of five per cent. per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond or bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvements, assessments of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments and supplements thereto.

Adopted, this 28 *day of* March 1966

BOARD OF PUBLIC WORKS:

SEWER EASEMENT RESOLUTION NO. 6-1966

MODIFIED

The following described parcels of real estate are deleted from Sewer Easement Resolution No. 6-1966:

CONFIRMED AS MODIFIED by deleting from said Resolution certain parcels of real estate described as follows:

All of paragraph three (3)

"and lot numbered 86" from paragraphs one (1), two (2) and eight (8)

Clerk

Reference Sewer Resolution No. 772

SEWER EASEMENT RESOLUTION NO. 6 - 1966

For the Condemnation of right of way for sewer easement purposes across, through and under a portion of lots numbered 156 through 212 inclusive, (and lot numbered 86,) all lots in Waynedale Gardens 2nd Addition, an Addition to the City of Fort Wayne.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to condemn right of way for sewer easement purposes across, through and under a portion of lots numbered 156 through 212 inclusive, (and lot numbered 86,) all lots in Waynedale Gardens 2nd Addition, more particularly described as follows:

(The South 10 feet of lot numbered 86 in Waynedale Gardens 2nd Addition.)

Also, the South 7 feet of lots numbered 184 through 212 inclusive, in Waynedale Gardens 2nd Addition.

Also, the North 7 feet of lots numbered 156 through 183 inclusive, in Waynedale Gardens 2nd Addition, an Addition to the City of Fort Wayne.

All as shown by a plan of such proposed Condemnation of right of way for sewer purposes as described above, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana.

The cost of said Condemnation of right of way for sewer purposes shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Condemnation of right of way for sewer purposes is described as follows: A portion of lots numbered 156 through 212 inclusive, (and lot numbered 86) all lots in Waynedale Gardens 2nd Addition.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5) % per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefore, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

All streets, lots and land affected by the above described condemnation are situated in the NE 1/4, Section 28, Township 30 North, Range 12 East and lie fully within the corporate limits of the City of Fort Wayne, Indiana.

Adopted this 28 day of March, 1966.

AGREEMENT FOR SANITARY SEWER

Book 288 Page 387-91

This Agreement, made in triplicate this 29 day of March, 1966, by and between Schlatter Hardware Company, Inc., an Indiana Corporation, hereinafter referred to as "Developer", and the City of Fort Wayne, Indiana, an Indiana municipal corporation, hereinafter referred to as "City",WITNESSETH:

WHEREAS, the Developer desires to construct a sanitary sewer described as follows:

An eighteen inch sewer centered upon and along a line described as follows: Commencing within the Southeast Quarter of Section 22, Township 31 North, Range 12 East, at a point situated 165 feet, more or less, south of the north line, and 210 feet west of the east line of said Quarter Section, at an existing terminal manhole connected to the sanitary sewer system of the City of Fort Wayne; thence running Northeastward across the right-of-way of State Road No. 3, Project 419 (4), on a line at an angular position 82 degrees 30 minutes to the right of the centerline Northwest Direction of said road, a distance of 315.0 feet to a point within the right-of-way of the public highway known as the Ley Road and situated fifty feet east of the West line of the Northwest Quarter of Section 23, and twenty feet north of the south line thereof, Township & Range aforesaid; thence running eastward by a deflection right of 36 degrees, more or less, within the right-of-way of said Ley Road, a distance of 259.0 feet; thence northward by a deflection left of 90 degrees, a distance of 263.0 feet, more or less, to the Point of Junction of the Northeast Branch and Northwest Branch of said sewer; thence by extension along the said Northeast Branch, northeastward by a deflection right of 57 degrees, more or less, a distance of 300.0 feet, more or less; thence Northeastward by a deflection left of six degrees 30 minutes, more or less a distance of 180.0 feet, more or less; thence Northeastward by a deflection left of 30 degrees, a distance of 184.0 feet, more or less; thence Northeastward by a deflection left of 13 degrees, 30 minutes, more or less, a distance of 300.0 feet, more or less; thence Northeastward by a deflection left of six degrees, 30 minutes, more or less, a distance of 280.0 feet, more or less; thence Northwestward by a deflection left of 54 degrees 30 minutes, more or less, a distance of 220.0 feet, more or less; and there terminating;

Also, a ten inch sewer by an extension along the Northwest Branch of said sewer, Northwestward of the Point of Junction hereinbefore referred to, by a deflection left of the course antecedent thereto, of 20 degrees, a distance of 150.0 feet; thence Northwestward by a deflection left of 16 degrees 30 minutes, more or less, a distance of 265.0 feet, more or less; thence Northwestward by a deflection right of 28 degrees 30 minutes, more or less, a distance of 205.0 feet, more or less; thence northeastward by a deflection right of 34 degrees, more or less, a distance of 195.0 feet, more or less; and there terminating,

in accordance with plans, specifications, and profiles heretofore submitted to the City and now on file in the office of the Chief Engineer of the Sewer Utilities of the City, which plan, specifications, and profiles are by reference incorporated herein and made a part hereof, which sewer will serve not only land in which the Developer has an interest but also adjoining land areas, and

WHEREAS, the cost of construction of said sewer is represented to be $30,632.84, including the cost for the oversizing of the sewer as required by City; and

1966 MAY 16 PM 1 24
ALLEN CO
ER

8

WHEREAS, the City has agreed to contribute the sum of $3,646.80 to the cost of the oversizing of the sewer for the use and benefit of adjoining land areas and will retain the right to elect to recoup said sum from owners of adjoining lands if such owners desire to tap into or extend said sewer.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements hereinafter set forth, the parties hereto agree as follows:

1. CONSTRUCTION OF SEWER

The Developer shall cause said sewer to be constructed and located in accordance with said plans, specifications, and profiles, all approved by the City, under private contract to be let within sixty (60) days after requisite City approval. All work and materials shall be subject to inspection by City and the right of City to halt construction if there should be noncompliance therewith. Said sewer shall not be deemed permanently connected into the sewer system of City until final acceptance by City. Upon completion, said sewer shall become the property of City and City shall accept sewage therefrom, subject to such sewage service charges as may now or hereafter be regularly established by City, and all further maintenance thereafter shall be borne by City.

2. COST OF CONSTRUCTION

The Developer agrees to pay the contractor the entire cost and expense of construction of said sewer in accordance with the terms and conditions of the contract to be let as hereinabove provided for, and to cause the contractor to pay the City engineering and inspection fees, and Developer further agrees to hold the City harmless from any liability for claims connected therewith.

3. CONTRIBUTION BY CITY

The City shall, upon final acceptance of the sewer and payment of its engineering and inspection fees, pay to Developer the sum of $3,646.80 in settlement of the costs and expenses for oversizing said sewer.

4. AREA OF DEVELOPER

Said sewer when accepted by the City will initially serve the following described real estate of the Developer: All land lying within the boundaries of Merchandise Place, an addition to the City of Fort Wayne, Allen County, Indiana.

As the Developer will pay for the cost of construction of said sewer as it pertains to the above described area, no charge or assessment is made by this Agreement against the above described real estate for the construction of said sewer, or the use thereof, by the present or future owners of said real estate, except only as to such standard tap-in and inspection fees as are customarily charged by the City for connections to City sewer mains.

5. CHARGE AGAINST EXCESS AREA

Said sewer, when constructed, will also serve additional areas to that above described. Such additional areas to be fixed and determined by City. If any owner of land located without the boundaries of said Merchandise

Place shall desire to use said sewer or any extension thereof, the City shall have the right to require such owner or owners to pay to City such portion of its costs for said sewer, including the amount payable by City to the Developer under the terms of this Contract, as shall be fixed and determined by the Board of Public Works of the City of Fort Wayne. Any extension of said sewer shall be subject to the same limitation of use as hereinafter set forth.

6. BOND

This contract is subject to Developer furnishing a satisfactory bond guaranteeing said sewer against defects for a period of one (1) year from the date of final acceptance of said sewer by the City.

7. LIMITATION ON USE

Said sewer shall be constructed for disposal of sanitary sewage only and neither the parties hereto, their successors, or assigns, or any future owner of any land serviced by said sewer, shall at any time dischage or permit to be discharged or to flow into said sanitary sewer any water run-off caused by natural precipitation or anything other than sanitary sewage or contaminated waste.

8. WAIVER OF RIGHT TO REMONSTRATE AGAINST ANNEXATION

The Developer, for itself, its successors in title and assigns, waives and releases any and all rights which it may now or hereafter have to remonstrate against or otherwise object to, interfere with or oppose any pending or future annexation by City of any territory now or hereafter owned by it, as described in Article 4 herein, or hereafter served by said sewer or any extension thereof.

In further consideration and to induce City to execute and ratify this contract, said Developer for itself, its successors and assigns agree by this contract to vest in City the permanent right at its discretion to annex to the City of Fort Wayne at any future time by duly authorized ordinance the said real estate described in Article 4 herein.

Developer further agrees that any deeds, contracts, or other instruments of conveyance made by the Developer, its successors or assigns transferring or conveying any interest or title in and to any of the real estate described in Article 4 herein, shall contain the waiver and release provisions contained in this article, which provisions shall run with the land and the acceptance of the delivery of any such instrument from the Developer, its successors and assigns by any grantee, vendee, or contract purchaser, shall be made subject to the terms of this Agreement and shall constitute an acceptance of the foregoing provisions by said grantee, vendee or contract purchaser and their successors in title.

The Developer further agrees to record an executed copy of this contract in the Allen County Recorder's Office within ten (10) days of its adoption and approval by the Common Council of City as hereinafter provided.

Any owner or owners of land which is now, or hereafter located outside the corporate limits of City who connect into the sewer constructed hereunder shall be deemed to thereby waive his, her, their or its right to remonstrate against or otherwise object to, interfere with or oppose any pending or future annexation by City of such land or of the territory in which it is located or of the area served by said sewer.

9. GOVERNING STATUTE

It is the intention of the parties hereto to utilize and take advantage of and apply to this Agreement the provisions of Chapter 182 of the Acts of 1955 of the State of Indiana (Burns Indiana Anno. Statutes 1963 Replacement, Section 48-3938), the provisons of which Statute shall govern with respect to any matters not specifically outlined herein.

10. COUNCILMANIC APPROVAL

It is understood and agreed that this contract is in all respects subject to approval by the Common Council of City, by duly adopted Ordinance, and if such Ordinance is not adopted within a period of ninety (90) days after execution thereof, this contract shall be null and void and of no further force and effect.

IN WITNESS WHEREOF, the parties have subscribed to this Agreement the day and year first above written.

AGREEMENT BETWEEN CITY AND PUBLIC UTILITY FOR SEWAGE DISPOSAL SERVICE IN SUBURBAN AREA.

THIS AGREEMENT, made and entered into this 17th day of March, 1966, by and between the following parties which will be hereinafter referred to by the following designations:

CITY: CITY OF FORT WAYNE, INDIANA

and

UTILITY: INDIANA SUBURBAN SEWERS, INC.

ALLEN COUNTY RECORDER
1966 MAY 6 PM 1 24

WITNESSETH

WHEREAS, CITY is a municipality in Allen County, which owns and operates a sewage treatment facility for the benefit of the citizens living within its municipal territory, and, since said municipal sewage plant has a greater capacity, capable of treating more sewage than is now produced or will be produced in the foreseeable future by the residents of said municipality, and which CITY has, accordingly, from time to time undertaken to supply service directly to residents living outside its municipal limits, or other entities to provide said service in suburban areas; and

WHEREAS, CITY has had many requests to extend its services into the area lying southeast of its municipal limits, and south of the Maumee River, and had gone so far as to propose to construct an interceptor sewer in the northern portion of said area, dependent upon certain federal funds being supplied, but said federal funds available for projects such as these have been depleted before CITY'S priority status was reached, and CITY is now unable to go ahead with

Bd. of Works Bof

said interceptor or the extension of any service into said area; and

WHEREAS, UTILITY is an Indiana for-profit corporation with corporate authority to render sewage disposal service anywhere in Indiana, including Allen County, and proposes to build said interceptor sewer into said southeast area and to obtain a franchise from the Public Service Commission to render sewage disposal service within said area if the CITY will contract to treat said sewage with the right of said CITY to buy out said UTILITY operation after a given period of time;

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the parties to this Agreement do hereby agree as follows:

1. Service Area.

The suburban area southeast of the municipal limits of CITY, and south of the Maumee River, as said territory is more specifically described as the "CONTRACT TERRITORY" in "EXHIBIT A", attached hereto and incorporated herein.

2. Term of Contract.

This contract shall be in force and effect for an indeterminate period, subject however to the options hereinafter set forth.

3. Service.

The CITY agrees to accept for treatment in its Sewage System, sewage collected by the UTILITY within the Contract Territory described in attached Exhibit "A" at the following described connection points:

A. The primary connection point at which UTILITY'S

48 inch interceptor will connect with existing CITY interceptor known as Harvester Interceptor is a point north of Old Maumee Road and east of U.S. 30 By-Pass, as the point is more particularly shown on map attached to Exhibit "A";

B. A secondary connection point shall be at the termination of the CITY'S planned sewer extension in the vicinity of Anthony Boulevard and Tillman Road for the service to the Eastland Garden Area beyond.

C. Temporary connection points shall be to the existing lift stations' sewer systems in the "Lift Station Areas" now being served by CITY, subject to CITY'S existing contractual obligations with said Lift Station Areas, as more fully described hereinafter in this Agreement, in attached Exhibit "B".

D. Such other connection points more conveniently located to serve territory, as may be agreed upon by CITY and UTILITY from time to time.

UTILITY agrees to collect sewage within Contract Territory at its own cost and to deliver said sewage to the above-described connection points.

Plans and specifications for all construction by the UTILITY shall be approved in advance of construction by the Engineering Department of the CITY. All such plans shall be prepared by a registered professional engineer. CITY agrees to give UTILITY all of the engineering work which it has already completed for the proposed interceptor system in subject territory, and to make available to UTILITY all drawings, maps and other documents and information as may be useful to UTILITY.

UTILITY agrees that the construction of all sanitary sewers, interceptors, and appurtenances shall be made in accordance with said approved plans and specifications and UTILITY shall submit to the two (2) sets of "As Built" drawings and specifications certified by a Registered Professional Engineer employed by the UTILITY for each phase of construction before that particular phase is placed into service. Construction work in progress will be subject to inspection from time to time by representatives of CITY. UTILITY agrees to provide necessary engineering inspection to insure that the sewer system is constructed according to City of Fort Wayne standards and specifications. Deviations from approved plans will be corrected promptly upon notice.

UTILITY agrees to furnish and maintain, at points of delivery hereinabove referred to, volumetric measuring devices acceptable to the CITY for the purpose of measuring, or verifying measurements from time to time, of all sewage delivered to the CITY. Such meters and devices will be subject to inspection from time to time by representatives of the CITY. UTILITY shall also keep written records of all taps.

CITY covenants and agrees that it will not provide sewage disposal service to any person, entity or other public utility, either within, through or beyond the contract territory, except the City of New Haven, upon CITY paying an agreed conduit service charge to UTILITY.

4. RATES, SERVICES, AND CHARGES

A. BASIS:

For the sewage treatment service hereinabove described, the UTILITY agrees to pay to the CITY on the basis of total cubic feet of sewage flow per month as measured by volumetric measuring devices, to be read monthly by CITY, subject to allowances for infiltration and lift station areas as hereinafter provided.

B. RATE:

For the above-described and measured sewage service in the Contract Territory, UTILITY covenants and agrees to pay each month twenty-one (21) cents per 100 cubic feet of measured service at each point of service applicable to this contract, subject to the following conditions:

(i) In consideration of the added expenditure required of UTILITY to build the larger 48-inch interceptor to handle all forseeable service for the entire Contract Territory, and due to the recognized ground water conditions in the Fort Wayne area, CITY agrees that there shall be a reduction in the monthly rate to allow for normal interceptor infiltration, namely 100 gallons per inch diameter per mile per day, and CITY further agrees that said rate shall be subject to a scale of payments based on increased volume as set out in EXHIBIT "C", attached hereto and incorporated herein;

(ii) Said rates shall be subject to revision prior to the expiration of this contract at any time that all of the rates and charges for sewage service of CITY are reviewed at public hearing of the Common Council of the City of Fort Wayne, Indiana, provided, however, that such revised rates and charges shall only become effective when a proportionate percentage increase in UTILITY'S rates is approved by the Public Service Commission of Indiana; for which increase UTILITY shall forwith apply.

(iii) That portion of the rate and charge which represents the CITY'S surcharge, that is, either the nine (9) cent surcharge as testified to by Mr. Bernard Perry in PSCI Cause No. 30154 or such larger sums as CITY may designate, shall be paid by UTILITY into an escrow fund to be held by a third party, designated by CITY, at interest, exclusively for application to the purchase price of UTILITY'S sewage system by CITY, as hereinafter set out, provided, however, that if at the end of twelve (12) years from the date a certificate is granted to UTILITY by the Public Service Commission, and CITY shall not have exercised its option to purchase, as hereinafter set out, then said escrow fund shall either be utilized by CITY as the downpayment on a binding contract to purchase said sewage system from UTILITY; the remaining balance of the total purchase price of said contract may constitute an interest bearing obligation at one-half (1/2) percent in excess of the then prime commercial interest rate, if interest payment is taxable, or at prime interest rate alone if tax exempt, and shall have a term in excess of one year period, and said financing shall be subject to the approval of the Common Council of the City of Fort Wayne, Indiana, or shall revert to UTILITY as contributions-in-aid-of-construction to provide funds for the then-anticipated required capital improvements for the sewage system in the Contract Territory.

5. Option to Purchase.

As a further and additional consideration for providing sewage service to the UTILITY, CITY is hereby given by UTILITY, a twelve (12) year option, exercisable any time after five (5) years from the date of execution of this contract, said exercisable option date being the_____day of______________, 19___, to purchase the entire sewage system of UTILITY in the Contract Territory which is deemed to be used and useful by the Public Service Commission of Indiana.

A. Notice.

UTILITY shall give City at least sixty (60) days written notice of the expiration of the fifth (5th) year, the sixth (6th) year, and the twelfth (12th) year of this option.

B. Exercise of Option.

CITY may exercise this option by taking appropriate official action through its Board of Public Works and Common Council, and action by the former within the particular option time period shall be sufficient to cause the provisions of that option time period to apply, subject to approval by the latter body.

C. Down Payment.

The exercise of the option shall require CITY to pay UTILITY, ten percent (10%) of the total purchase price, or such lesser amount as may be negotiated between the parties, but in no event shall the down payment be less than the then-existing balance of the escrow fund; the balance of the purchase price shall be as provided in 4 B (iii).

D. Purchase Price.

(1) In the Sixth (6th) Year.

If this option is exercised by CITY within the first year following the expiration of five (5) years, i.e. within the sixth (6th) year, then the purchase price of said sewage utility system shall be the lower of the appraised value at the date of purchase, or the property's original cost, reduced by accumulated depreciation since first committed to public use, and said original cost depreciated or said appraisal shall be further reduced by contributions-in-aid-of-construction therefor received by UTILITY.

(2) After the Sixth Year.

If the option is not exercised by CITY within one year after the expiration of five years, then the purchase price shall be the then-cuffent fair value of UTILITY'S sewage system, as that term is defined and used in the Public Service Commission Act, or the reproduction cost thereof, whichever is lesser, and said fair value or reproduction cost shall be further reduced by contributions-in-aid-of-construction therefor received by UTILITY.

(3) Definition of Price Determination Terms.

It is expressly understood that rates of depreciation which shall be considered in determining original cost depreciated referred to above, shall not exceed those rates of depreciation approved for UTILITY by the Public Service Commission of Indiana. It is further agreed that a determination of the original cost depreciated, less contributions-in-aid-of-construction, shall be made by a registered professional engineer and certified public accountant employed by UTILITY and approved by CITY for the express purpose of making such determination.

Appraised value referred to in this option shall mean the estimated cash value of the property as determined by three independent appraisers. UTILITY and CITY shall each appoint one appraiser and shall mutually agree on the appointment of the third.

(4) Additional Rights and Limitations.

It is agreed by UTILITY and CITY that if the UTILITY be adjudged a bankrupt, or lose its franchise by action of the Public Service Commission of Indiana, or be unable to continue operation for any reason whatsoever, prior to the option purchase date as hereinabove provided, then at such time, CITY shall have the absolute and unconditional right to exercise its option to purchase under the terms as provided above. CITY agrees that the option to purchase as hereinabove provided will not be sold or assigned to any other party unless required by law, and UTILITY agrees that it will not sell or assign its sewer system to any other entity or public utility during the option period.

6. Waiver of Right to Remonstrate Against Annexation.

Pursuant to rules and regulations of the Sewage Treatment utility of the City of Fort Wayne, the Resolutions and Ordinances of said City, and pursuant to the provisions of Chapter 182 of the Acts of 1955 of the State of Indiana (Burns' Indiana Statutes Annotated §48-3938), UTILITY, for itself and its successors in title and assigns, waives and releases any and all rights which it may now or hereafter have to remonstrate against or otherwise object to, interfere with or oppose any pending or future annexation by the City of Fort Wayne of any territory now or hereafter owned by it within the contract area and said UTILITY by this Agreement does vest in the City of Fort Wayne the permanent right at its discretion to annex to the City of Fort Wayne, by duly authorized Ordinance, all real estate served under the terms of this Agreement by sewage service provided to UTILITY by CITY.

Provided further that pursuant to the provisions of Rules and Regulations of the Sewage Treatment utility of the City of Fort Wayne and Resolution 109, dated August 23, 1955, of the Common Council of said City of Fort Wayne, any owner or owners of land which is now or hereafter located outside the corporate limits of the City of Fort Wayne who connect into the Sewage System constructed under the terms of this Agreement and who thereby receive sewage service provided by the UTILITY from service received from CITY, shall be and is hereby deemed to waive his, her, their, or its rights to remonstrate against or otherwise object to, interfere with, or oppose in any manner any pending or future annexation by the City of Fort Wayne of such land, or of the territory in which such land is located, or of the area served by the sewage system constructed under and pursuant to the terms of this Agreement, and said owner or owners of land do by such connections with said sewage system agree for itself and its successors and assigns to vest in the City of Fort Wayne the permanent right at the CITY'S discretion to annex said land to the City of Fort Wayne by duly authorized Ordinance.

Provided, however, that any such annexation by CITY shall not affect the respective rights and obligations of the parties to this Agreement.

7. Obligation of CITY.

CITY shall do everything in its power to insure that UTILITY is awarded an exclusive certificate to render sewage disposal service in the Contract Territory; and specifically it will not contract with any other entity or public utility to render sewage service in the Contract Territory, and will oppose the application of any other entity or public utility which attempts to seek a certificate for said Contract Territory, or any part thereof; and further it will specifically, join UTILITY as a supporting party in its application to the Public Service Commission. For these purposes CITY agrees to furnish such assistance from its legal and technical staffs as UTILITY may request, and CITY specifically authorizes counsel for UTILITY to represent CITY'S interest, without charge, in taking all legal steps necessary to protect this contract, and to obtain the certificate to serve said Contract Territory, and to appear before any administrative agency or court to accomplish this purpose.

Since CITY may use the easements of the sewer system by exercise of its option, CITY agrees to aid UTILITY in the acquisition thereof, to the extent that the provisions of Acts 1905, Ch. 129, §97 et seq. (Burns' Ind. Stat. Anno., §48-2001 et seq.) and similar acts, may be applicable thereto.

CITY further agrees that should it desire to render water service within the Contract Territory through another utility, it will give first consideration and right of first refusal to UTILITY'S companion water utility, Indiana Suburban Water, Inc.

8. Obligation of UTILITY.

UTILITY shall do everything in its power to insure that UTILITY is awarded an exclusive certificate by the Public Service Commission of Indiana to render sewage disposal service in the Contract Territory, and agrees to thereafter render satisfactory sewage disposal service therein, as required by the Public Service Commission Act, and to utilize exclusively the sewage treatment plant of CITY for the treatment of the sewage which it collects from said Territory; provided, however, that UTILITY need not immediately undertake to serve nor seek a certificate for the entire Contract Territory, but may undertake to serve and seek a certificate for only that northern and adjacent portion of the Contract Territory which requires and can be serviced from the initial 48 inch interceptor sewer, as said northern area is indicated on the map attached to EXHIBIT "A", and UTILITY will thereafter undertake to serve and seek a certificate for additional portions of the Contract Territory as and when a sufficient need and demand for sewage service arises, and it becomes economically feasible to render said extended service to said other portions of the Contract Territory; provided further, however, that the exclusive use of the CITY'S sewage treatment plant shall not prevent or preclude UTILITY, from time to time, utilizing a package sewage treatment plant as a temporary expedient to serve particular portions of the area until connection can be made with the CITY sewage treatment plant, or to provide advance service to additional portions of the Contract Territory where it is not yet economically feasible to construct laterals connecting to the CITY sewage treatment plant. UTILITY shall not allow any detrimental substance to enter the sewage system or treatment plant.

9. Conditions of Approval.

It is understood and agreed that this contract is in all respects subject to the approval of the Common Council of the City of Fort Wayne by duly adopted Ordinance and this contract is further subject to the grant of a Certificate of Convenience and Necessity by the Public Service Commission of the State of Indiana, within 60 days of which UTILITY shall commence construction, weather permitting.

UTILITY agrees to place of record in Allen County, Indiana, an executed copy of this contract in the Recorder's Office within ten (10) days after its execution and approval by theCommon Council of the City of Fort Wayne.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement the day and year first above written.

INDIANA SUBURBAN SEWERS, INC.

Kenneth McGraw
Kenneth McGraw, Clerk

Approved by Common Council of the City of Fort Wayne, Indiana

on April 26, 1966. SPECIAL ORDINANCE 280-66

STATE OF INDIANA)
) SS:
COUNTY OF ALLEN)

Before me, a Notary Public in and for said County and State this 17th day of March, 1966, personally appeared the within named Arthur H. Lemmer and Allen B. Fauss, to me personally known, who, being by me duly sworn, said that they are the President and Secretary, respectively, of Indiana Suburban Sewers, Inc., an Indiana Corporation, and that they signed said instrument on behalf of said Corporation, with full authority to so do, and acknowledged said instrument to be the voluntary act and deed of said Corporation for the uses and purposes therein set forth.

IN WITNESS WHEREOF, I have hereunto subscribed my name and affixed my official seal.

Freda Catherine Shelley
Notary Public

My Commission Expires:

May 26, 1969

STATE OF INDIANA)
)SS:
COUNTY OF ALLEN)

Before me, a Notary Public in and for said County and State this 17 day of March, 1966, personally appeared the within named Harold S. Zeis, Mayor and Chief Executive officer of the City of Fort Wayne, Indiana; the within named Fred S. Ehrman, Robert W. Dahman, and George F. Gable, members of the Board of Public Works, City of Fort Wayne, Indiana; and Kenneth McGraw, Clerk of the Board of Public Works of the City of Fort Wayne, Indiana, to me personally known, who, being by me duly sworn, said that they are respectively the Mayor and Chief Executive Officer of the City of Fort Wayne, the Members and the Clerk of the Board of Public Works of the City of Fort Wayne, Indiana, and that they signed said instrument on behalf of the City of Fort Wayne, and its Water Works and Sewage Departments of the City of Fort Wayne, Indiana, with full authority so to do, and acknowledged said instrument to be the voluntary act and deed of said Department and said City for the uses and purposes therein set forth.

IN WITNESS WHEREOF, I have hereunto subscribed my name and affixed my official seal.

Edna L. Smick
Notary Public

My Commission Expires:
My commission expires
October [illegible], [illegible]

Approved as to form and legality.

Robert E. Meyers
Robert E. Meyers, Associate City Attorney

CONTRACT AREA

Parts of Adams Township and Marion Township located in Allen County, Indiana, consisting of approximately 20,000 acres being described in detail as follows:

Beginning at a point located on the South bank of the Maumee River and on the West line of Section 9, T 30 N, R 13 E; thence Easterly following the meandering of the South bank of the Maumee River to the Parrot Road; thence continuing Easterly along the Parrot Road to the common property line between properties now or formerly owned by Terminal Service and Betty A. and B. G. Hiscox; thence South on said common property line to the N.Y.C. Railroad; thence Easterly along the N.Y.C. Railroad to the East line of Section 10, T 30 N, R 13 E; thence North on the said East line of Section 10 to Parrot Road; thence continuing Easterly on Parrot Road to the North and South centerline of Section 2, T 30 N, R 13 E; thence North on the said centerline of Section 2 to the South bank of the Maumee River; thence Easterly following the meanderings of the South bank of the Maumee River to a point on the North line of the South 1/2 of the SE 1/4 of said Section 2; thence East on the said North line of the SE 1/4 to the East line of Section 2, T 30 N, R 13 E; thence South on said East line of Section 2 to Parrot Road; thence Southwesterly along the Norfolk and Western Railroad to the Northerly extension of Meadowbrook Drive; thence South on said extension to U. S. 24; thence West on U. S. 24 to the Northerly extension of the West line of Meadowbrook Addition; thence South on said West line to the South line of Section 10, T 30 N, R 13 E; thence East on said South line of Section 10 to the Northeast corner of Section 15 in T 30 N, R 13 E; thence South on the said East line of Section 15 to Moeller Road; thence East on Moeller Road to West line of East 1/2 of the SW 1/4 of Section 13, T 30 N, R 13 E; thence South on said West line of the East 1/2 to Seiler Road; thence East on Seiler Road to Green Road; thence South on Green Road to Paulding Road; thence East on Paulding Road to Minnich Road; thence South on Minnich Road to Flatrock Road; thence West on Flatrock Road and the Westerly extension thereof to the St. Marys River; thence Northwesterly following the meanderings of the St. Marys River to Anthony Boulevard; thence North on Anthony Boulevard to the North line of a 62.92 acre tract now or formerly owned by Martin H. and E. L. Fruechtenicht; thence Easterly on said tract to North and South centerline of Section 31, T 30 N, R 13 E; thence North on said North and South centerline of Section 31 to the South property line of an 18.22 acre property now or formerly owned by Charles K. and E. E. Winans; thence following the Southerly line of the afore described Winans property to the Old Decatur Road; thence Northwesterly along the Old Decatur Road to Anthony Boulevard; thence North on Anthony Boulevard to the North line of Curdes South Acre Addition; thence East on said North line to the West line of Eastland Gardens Addition, Section B; thence North on said West line to the North line of said Addition; thence East on the North line of said Addition to the West line of Hickory Grove Addition; thence North on the West line of Hickory Grove Addition, Sections A, B, C, and D to the North line of Hickory Grove Addition, Section D; thence East on the North line of said Addition to Hessen Cassel Road; thence South on Hessen Cassel Road to the East and West centerline of Section 29, T 30 N, R 13 E; thence East on said line to the West line of a 30.48 acre property now or formerly owned by Fred B. and A. M. Buescher; thence North on the West line of said property to the North line thereof; thence East on the North line of said property to the Trier Ditch; thence South along the Trier Ditch to the East and West centerline of said Section 29; thence East on said centerline to the center of said Section 29; thence South on the North and South centerline of said Section 29 to Tillman Road; thence West on Tillman Road to Hessen Cassel Road; thence South on Hessen Cassel Road to the South line of the North 1/2 of the NW 1/4 of Section 32, T 30 N, R 13 E; thence East on said South line of the North 1/2 to the North and South centerline of said Section 32; thence North on said North and South centerline of Section 32 to Tillman Road; thence East on Tillman Road to the West line of the NE 1/4 of the NE 1/4 of Section 32, T 30 N, R 13 E; thence South on the West line of aforesaid NE 1/4 of the NE 1/4 to the South line thereof; thence East on the South line of said NE 1/4 of the NE 1/4 to Trentman Road; thence North on Trentman Road and the Northerly extension thereof, to the South line of a 9.3 acre tract now or formerly owned by Alfred N. Bade; thence East on the South line of said tract to Wayne Trace; thence Northwesterly along Wayne Trace to the North line of said Bade tract; thence West on the North line of said Bade tract to the East line of Section 29, T 30 N, R 13 E; thence North on the East line of said Section 29 to the East and West centerline of Sections 28 and 29, T 30 N, R 13 E; thence East along said East and West centerline to the East line of properties now or formerly owned by the New Haven Public Schools; thence North on the East line of said tract; thence West on the North line of said tract to Wayne Trace; thence Northwesterly on Wayne Trace to the North line of Southwick Village Addition; thence West on said North line to the Trier Ditch; thence North along the Trier Ditch to Paulding Road; thence West on Paulding Road to the North and South centerline of Section 20, T 30 N, R 13 E; thence North on said North and South centerline of Section 20 and 17 to the Moeller Road; thence East on Moeller Road to the

EXHIBIT A (Continued)

Pennsylvania Railroad; thence North on the West line of a 22.61 acre property now or formerly owned by Harbock Realty Company, Inc.; thence East on said North line to Meyer Road; thence North on Meyer Road to the South line of a 25.2 acre tract now or formerly owned by International Harvester Company; thence East, North and West on the perimeter of said tract to Meyer Road; thence North on Meyer Road to the Wabash Railroad; thence East along said Railroad to East line of a tract now or formerly owned by Gertrude A. Schuckman, et al; thence North on said East line to U. S. 24 and 30; thence West on U. S. 24 and 30 to the West line of the Gladieux Service Station property; thence North on West line of said property to N.Y.C. Railroad; thence East along said Railroad to West line of Section 9, T 30 N, R 13 E; thence North on said West line of Section 9 to point of beginning.

EXHIBIT B

LIFT STATION AREAS

It is specifically recognized by the parties that CITY now has existing contractual obligations with certain Lift Station Areas within or adjacent to the Contract Territory, under which contracts it is now rendering and is hereafter required to render sewage disposal service to said Lift Station Areas, and that CITY' reserves the right to continue rendering said service to said Lift Station Areas, and UTILITY agrees that, if CITY desires to render such service to said Areas by connection to UTILITY'S laterals rather than through use of the existing lift stations, that UTILITY will allow such connections with and use of its laterals, provided that CITY shall place a volumetric metering device at each such connection and subtract the flow so measured from the flow measured at UTILITY'S volumetric metering point with the CITY system, and provided further that CITY shall pay to UTILITY, or credit against UTILITY'S payment to CITY, for said use of UTILITY'S laterals a monthly "conduit service charge" of twenty-five (25) cents per residence, or other buildings serviced within said Lift Station Areas.

CITY agrees that UTILITY in turn may use the CITY'S facilities within said Lift Station Areas by tapping into such system to serve portions of the Contract Territory, subject to the terms of said existing contractual obligations, when such use is considered more feasible by UTILITY than constructing laterals.

CITY further agrees that UTILITY shall have the right of first refusal if CITY desires to sell said Lift Stations after converting to UTILITY'S laterals.

For purposes of ready reference in this Agreement, said Lift Station Areas shall be identified as follows:

1) The Paulding Road Lift Station Area.

This Area is subject to a certain contract entered into between CITY and the respective developers, (Poag Custom Homes, Inc., Colony Heights, Inc. and Hoevel Development Corporation), on February 27, 1963, which is incorporated herein by reference; said Area is shown on the map attached to Exhibit A in GREEN;

2) The Wayne Trace Lift Station Area.

This Area is subject to a certain contract entered into between CITY and the respective developers, (Dav-Way Realty, Inc.), on October 18, 1963, which is incorporated herein by reference; said Area is shown on the map attached to Exhibit A in BLUE;

3) The Anthony Wayne Village Lift Station Area.

This Area is not covered by any existing Contract, but CITY is rendering service thereto by means of an existing lift station; said Area is shown on the map attached to Exhibit A in PURPLE.

EXHIBIT C

MONTHLY VOLUME (cubic feet)	RATE PER 100 CUBIC FEET
up to 300,000	21 cents
300,000 to 400,000	20 cents
400,000 to 500,000	19 cents
500,000 to 600,000	18 cents
600,000 to 700,000	17 cents
700,000 to 800,000	16 cents
800,000 and over	15 cents

INDUSTRIAL WASTE SURCHARGE

Upon CITY imposing an in-city industrial waste surcharge, a like surcharge shall apply to UTILITY for industrial waste in the Contract Territory. Approval of CITY shall be secured before connecting an industry producing industrial wastes.

COMMENTS RE SCALE OF PAYMENT ACCORDING TO VOLUME.

Inasmuch as UTILITY will be performing a service for CITY by (1) use of its unused capacity to treat sewage; (2) protecting it by contracting for expansion into suburban area, UTILITY deserves to be treated like a wholesale customer within the CITY is treated, i. e. scale of rates.

The actual cost of CITY providing disposal service for 100 cubic feet was determined for P.S.C.I. Cause No. 30154 to be something less than 3 cents. The CITY'S C.P.A., Bernard Perry, pointed out to CITY that said 3 cents did not allow for depreciation, interest, replacement, etc. Therefore, we should double the 3 cents to cover these additional items.

The same accountant testified that there is a 9 cent surcharge embodied in the CITY rate. Under the terms of this Agreement, this surcharge is to be set aside in an escrow fund to provide the CITY funds to exercise its option and purchase UTILITY.

Therefore, starting at 300,000 as a reasonable minimum according to CITY engineer, at 21 cents, we have scaled the rate down by 1 cent per 100,000 cubic feet.

Evidentiary proof of the lowest marginal rate is that 15 cents covers the 6 cent actual cost and the 9 cent surcharge.

By comparison, the within CITY lowest rate is ½ that amount i. e. 7½ cents for approximately ½ of the volume, i. e. 450,000 vs. 800,000.

COMMENT ON INFILTRATION ALLOWANCE

The 10 States Standard provides for an infiltration allowance of

500 gal. per inch diameter per day.

The City of Fort Wayne has provided for an allowance of something less than ½ of the 10 States Standard or

200 gal. per inch diameter per day.

At CITY'S request UTILITY is going to put in a bigger diameter pipe (48 inch vs. 24 inch) which will not be needed by UTILITY during 12 year period in order to cover future needs, and because it is recognized that the subject area has had ground water conditions, it is only fair that UTILITY receive an allowance for infiltration in its volume consumption under this Agreement.

Therefore, it has been provided that UTILITY will receive an infiltration allowance of

100 gal. per inch of diameter per day.

which is ½ of the CITY'S own allowance and 1/5 of the 10 State Allowance.

AGREEMENT FOR LIFT STATION, FORCE MAIN, AND LOCAL SEWER, CALHOUN AND TILLMAN ROADS

9193

THIS AGREEMENT, made and entered into this 21 day of March, 1966, by and between GANDY DEVELOPMENT, INC., an Indiana Corporation, hereinafter referred to as "Developer", and THE CITY OF FORT WAYNE, INDIANA, an Indiana Municipal Corporation, hereinafter referred to as "City",

WITNESSETH:

WHEREAS, the Developer desires to construct a Sewage Lift Station and Force Main described as follows, to-wit:

> A 200 g.p.m. sewage lift station on the East side of Calhoun Street, at the Northeast corner of Lot 333, Stellhorn Park, Section "B", together with a 6 inch cast iron force main commencing at a manhole at the Northwest corner of Lot 42 Morningside Terrace Addition; thence continuing south along the East side of Calhoun Street 1073 feet and terminating at the said sewage lift station on the Northeast corner of Lot 333, Stellhorn Park, Section "B".

1966 MAY 6 PM 1 25
ALLEN COUNTY RECORDER

and;

WHEREAS, the Developer desires to construct a Sanitary Sewer described as follows:

> An 8 inch sanitary sewer commencing at the lift station on the East side of Calhoun Street, at the Northeast corner of Lot 333, Stellhorn Park, Section "B", thence continuing south along the East side of Calhoun Street 165 feet, to a point being situated 1177.0 feet South and 33.0 feet East of the Northwest corner of the Southeast quarter of the Southeast quarter of Section 26, Township 30 North, Range 12 East, said point also being situated on the East line of Calhoun Street, a public thoroughfare in the aforementioned Section, Township and Range; thence East 87.0 feet; thence North 86 degrees East 262.0 feet; thence North 83 degrees East 353.0 feet and there terminating

Bd. of works Box

21

in accordance with plans, specifications, and profiles heretofore submitted to the City and now on file in the Office of the Chief Engineer of the Sewer Utilities of the City, which plans, specifications, and profiles are by reference incorporated herein and made a part hereof, which lift station, force main and sewer will serve not only land in which the Developer has an interest, but also adjoining land areas.

WHEREAS, the cost of construction of said sewage lift station and force main is represented to be $23,179.60, composed of $22,352.00 for construction costs, including inspection fees chargeable by the City Utilities, $827.60 for engineering services, and $17,663.23 of said cost is chargeable to the additional land areas not owned by the Developer but which will be benefited by said lift station and force main.

WHEREAS, the cost of construction of said sewer is represented to be $6,573.00, composed of $6,236.00 for construction costs, including inspection fees chargeable by the City Utilities, $313.00 for engineering services, and $1,005.05 of said costs is chargeable to the additional land areas not owned by the Developer but which will be benefited by said sewer.

NOW, THEREFORE, in consideration of the foregoing and mutual covenants and agreements hereinafter set forth, the parties hereto agree as follows:

1. CONSTRUCTION OF SEWER, LIFT STATION AND FORCE MAIN

The Developer shall cause said sewer to be constructed and located in accordance with said plans, specifications, and profiles, all approved by the City, under private contract to be let within sixty (60) days after requisite City approval. All work and materials shall be subject to inspection by City and the right of City to halt construction if there shall be noncompliance therewith. Said sewer shall not be deemed permanently connected into the sewer system of City until final acceptance by City. Upon completion, said sewer shall become the property of City and City shall accept sewage therefrom, subject to such sewage service charges as may now or hereafter be regularly established by City, and all further maintenance thereafter shall be borne by City.

2. COST OF CONSTRUCTION.

The Developer agrees to pay the entire cost and expense of construction of said sewer, in cash, including City engineering and inspection fees, and to hold the City harmless from any liability for claims connected therewith.

3. AREA OF DEVELOPER.

Said sewer when accepted by the City will initially serve the following described real estate of the Developer:

> Lots 298 through and including Lot 336, Stellhorn Park, Section "B", and that portion of Babson Drive between Lot 333 and 334 all in Stellhorn Park, Section "B",;
>
> Part of the Southeast Quarter of the Southeast Quarter of Section 26, Township 30 North, Range 12 East, Allen County, Indiana, described as follows, to-wit: Commencing at a point situated 1150.0 feet South and 33.0 feet East of the Northwest corner of the tract aforesaid, thence continuing south parallel to the West line of the tract aforesaid a distance of 200 feet, thence East parallel to the North line of the aforementioned tract 345.0 feet; thence North 81 degrees East 400 feet to a point; thence North parallel to the West line of the aforesaid tract 200 feet to a point, thence West parallel

to the North line of the tract aforesaid a distance of 520.0 feet to a point, thence South parallel to the West line of the aforesaid tract 45. feet to a point, thence West parallel to the North line of the aforesaid tract a distance of 289.5 feet to the point of beginning.

Said force main and lift station when accepted by the City will initially serve the following described real estate of the Developer:

Lots 298 through and including Lot 336 and that portion of Babson Drive between Lot 333 and 334, all in Stellhorn Park, Section "B",;

Part of the Southeast Quarter of the Fractional Southeast Quarter of Section 26, Township 30 North, Range 12, East, in Allen County, Indiana, described as follows, to-wit: Commencing on a line situated parallel to and 1110 feet South of the north line of the aforesaid tract, at a point 100 feet West of the East line of the Southeast quarter of said Section; thence continuing West and parallel to the North line of the Southeast quarter of the Southeast quarter of said Section, a distance of 930 feet; thence South andparallel to the East line of the Southeast quarter of said Section, a distance of 45 feet; thence West and parallel to the North line of the Southeast 1/4 of the Southeast 1/4 of said Section 256.5 feet; thence South and parallel to the East line of the Southeast quarter of said Section a distance of 280,4 feet to the centerline of the public highway known as the Tillman Road; thence East on the said road centerline, a distance of 1222,8 feet; thence North and parallel to the East line of said quarter Section, a distance of 262.8 feet to the place of beginning, excepting therefrom the south 40 feet of the West 620.2 feet of the above described tract; and also excepting therefrom the South 25 feet of the East 602.6 feet of the above described tract

all as shown on the attached drawing identified as Exhibit "A".

As the Developer will pay for the cost of construction of said sewer, force main and lift station, as it pertains to the above described area, no charge or assessment is made by this Agreement against the above described real estate for the construction of said sewer, or the use thereof, by the present or future owners of said real estate, except only as to such standard tap-in and inspection fees as are customarily charged by the City for connections to City sewer mains.

4. CHARGE AGAINST EXCESS AREA.

Said sewer, when constructed, will also serve the following described additional or excess area:

> Part of the Southeast 1/4 of the Southeast 1/4 of Section 26, Township 30 North, Range 12 East, Allen County, Indiana, in particular described as follows, to-wit: Commencing at a point being situated 1010 feet South and 33.0 feet East of the Northwest corner of the Tract aforesaid; thence South parallel to the West line of the tract aforesaid 140 feet to a point, thence East parallel to the North line of the tract aforesaid 256.5 feet, thence North parallel to the West line of the aforesaid tract 140 feet, thence West parallel to the North line of the aforesaid tract 256.5 feet to the point of beginning.

Said force main and lift station, when constructed, will also serve the following described additional or excess area:

> Part of the Southeast Quarter of the Fractional Southeast Quarter of Section 26, Township 30 North, Range 12 East, in Allen County, Indiana, described as follows, to-wit: Commencing on the East line of the Southeast 1/4 of said Section at a point 1110 feet South of the North line of the aforesaid tract, thence West and parallel to the North line of the Southeast 1/4 of the Southeast 1/4 of said Section a distance of 100 feet, thence South and parallel to the East line of the Southeast 1/4 of said Section a distance of 237.8 feet; thence East parallel to the North line of the aforesaid tract a distance of 100.2 feet to the East line of the Southeast 1/4 of said Section; thence North along the East line of said Section a distance of 231.5 feet to the place of beginning.

> Part of the Southeast 1/4 of the Southeast 1/4 of Section 26, Township 30 North, Range 12 East,

Allen County, Indiana, in particular described as follows, to-wit: Commencing at a point being situated 1010 feet South and 33.0 feet East of the Northwest corner of the tract aforesaid; thence South parallel to the West line of the tract aforesaid 140 feet to a point, thence East parallel to the North line of the tract aforesaid 256.5 feet, thence North parallel to the West line of the aforesaid tract 140 feet, thence West parallel to the North line of the aforesaid tract 256.5 feet to the point of beginning.

Part of the Southeast 1/4 of the Southeast 1/4 of Section 26, Township 30 North, Range 12 East, Allen County, Indiana, in particular described as follows, to-wit: Commencing on the North line of the tract aforesaid at a point 33.0 feet East of the Northwest corner of the tract aforesaid; thence South andparallel to the West line of the tract aforesaid 610.0 feet; thence East parallel to the North line of the tract aforesaid 498.0 feet to a point; thence North 63 degrees East 222.5 feet to a point; thence East parallel to the North line of the tract aforesaid 586.5 feet to the East line of the Southeast 1/4 of said Section; thence North on the East line of the Southeast 1/4 of said Section to the North line of the aforesaid tract, thence West on the North line of said tract aforesaid to the point of beginning, except that portion of the above described tract used for public highway purposes and designated Hoover Street being a tract 50 feet wide the North line of which is 340 feet South of the North line of the Southeast 1/4 of the Southeast 1/4 of Section 26, Township 30 North, Range 12 East, which commences at the East line of Calhoun Street at such point and continues East 640 feet.

The South one-half of Lot 135 and all of Lots 136 to and including Lot 142 Stellhorn Park, Section "A",; Lots 176 to and including 190 Stellhorn Park, Section "A"; Lots 208 to and including Lot 213 Stellhorn Park, Section "B"; Lots 247 to and including Lot 258, Stellhorn Park, Section "B"; Lots 294 to and including Lot 297 Stellhorn Park, Section "B"; Lots 398 to and including Lot 419 Stellhorn Park, Section "B", and that portion of vacated Webster Street lying between Lots 407 and 408 Stellhorn Park, Section "B"; also including those vacated portions of Rossmar Drive, Kenosha Blvd., Hoover Avenue, and the alleys adjacent to the Lots described above.

and as shown on the attached drawing identified as Exhibit "A".

In the event any present or future owner of the said described excess area shall at any time within fifteen (15) years after the date of this contract desire to use said sewer or any extension thereof, or said sewage lift station and force main, whether by direct tap or through the extension or connection of lateral or local lines to service such land, City, through its duly constituted authorities, before permitting such use, shall require by contract or assessment as may be appropriate, that such owner or owners of said excess area pay to City, in addition to the cost of standard tap-in and inspection fees, the sum of $0.027988077 per square foot for the area served by each such connection and use, which represents the pro rata share of the cost of the extension of city local sewer to said excess area, said sum be calculated as follows:

Total cost of local sewer =	$ 6,573.00
Total area served by local sewer =	234,850 square feet
Cost per square foot =	$\frac{6,573.00}{234,850 \text{ S.F.}}$ =
	$0.027988077 per square foot

in connection with the aforesaid sewage lift station and force main, such users shall pay the sum of $0.014420707 per square foot for the area served by each such connection and use of the aforesaid sewage lift station and force main, said sum being calculated as follows:

waste.

Total cost of sewage lift station and force main = $ 23,179.60

Total area served by sewage lift station and force main = 1,607,383 square feet

Cost per square foot = $\frac{\$\ 23{,}179.60}{1{,}607{,}383}$ = $0.014420707 per square foot

Exhibit "A" showing properties in excess area subject to charge for construction and use of sewage lift station and force main as of this date is attached.

Of the amount so collected by the City seventy-five (75%) per cent thereof shall be paid by the City within sixty (60) days of the receipt thereof by City to Developer; provided that the rights of Developer to such payments shall not be assignable by it as against City and any assigns or successors in title of Developer shall look only to Developer as to any monies payable to Developer hereunder.

The City shall retain twenty-five (25%) per cent of the amount so collected as reimbursement for its share of the costs of construction.

5. BOND:

This contract is subject to Developer furnishing a satisfactory bond guaranteeing said sewer against defects for a period of one (1) year from the date of final acceptance of said sewer by the City.

6. LIMITATION ON USE

Said sewer, lift station and force main shall be constructed for disposal of sanitary sewage only and neither the parties hereto, their successors, or assigns, or any future owner of any land serviced by said sewer, shall at any time discharge or permit to be discharged or to flow into said sanitary sewer any water run-off caused by natural precipitation or anything other than sanitary sewage or contaminated waste.

7. WAIVER OF RIGHT TO REMONSTRATE AGAINST ANNEXATION.

The Developer, for itself, its successors in title and assigns, waives and releases any and all rights which it may now or hereafter have to remonstrate against or otherwise object to, interfere with or oppose any pending or future annexation by City of any territory now or hereafter owned by it, as described in Article 3 herein, or hereafter served by said sewer or any extension thereof.

In further consideration and to induce City to execute and ratify this contract, said Developer for itself, is successors and assigns agrees by this contract to vest in City the permanent right at its discretion to annex to the City of Fort Wayne at any future time by duly authorized ordinance any of the said real estate described in Article 3 herein.

Developer further agrees that any deeds, contracts, or other instruments of conveyance made by the Developer, its successors or assigns transferring or conveying any interest or title in and to any of the real estate described in Article 3 herein, shall contain the waiver and release provisions contained in this article, as applicable to real estate outside of the City of Fort Wayne, which provisions shall run with the land and the acceptance of the delivery of any such instrument from the Developer, its successors and assigns by any grantee, vendee, or contract purchaser, shall be made subject to the terms of this Agreement and shall constitute an acceptance of the foregoing provisions by said grantee, vendee, or contract purchaser and their successors in title.

The Developer further agrees to record and executed copy of this contract in the Allen County Recorder's Office within ten (10) days of its adoption and approval by the Common Council of City as hereinafter provided.

Any owner or owners of land which is now, or hereafter located outside the corporate limits of City who connect into the sewer, or lift station and force main, constructed hereunder, shall be deemed to thereby waive his, her, their or its right to remonstrate against or otherwise object to, interfere with or oppose any pending or future annexation by City of such land or of the territory in which it is located or of the area served by said sewer.

8. GOVERNING STATUTE

It is the intention of the parties hereto to utilize and take advantage of and apply to this Agreement the provisions of Chapter 182 of the Acts of 1955 of the State of Indiana (Burns Indiana Anno. Statutes 1960 Suppl., Section 48-3938), the provisions of which Statute shall govern with respect to any matters not specifically outlined herein.

9. COUNCILMANIC APPROVAL.

It is understood and agreed that this contract is in all respects subject to approval by the Common Council of City, by duly adopted Ordinance, and if such ordinance is not adopted within a period of ninety (90) days after execution thereof, this contract shall be null and void and of no further force and effect.

IN WITNESS WHEREOF, the parties have subscribed to this agreement the day and year first above written.

DECLARATORY RESOLUTION No. 1188 1966

For the Vacation ~~Opening — Condemnation of right of way for utility purposes~~ of Piedmont Avenue from the south property line of Kinsmoor Avenue to the north property line of Nuttman Avenue.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate Piedmont Avenue from the south property line of Kinsmoor Avenue to the north property line of Nuttman Avenue.

All as shown by a plan of such proposed Vacation ~~Opening — Condemnation of right of way for utility purposes~~ as above described, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana

The cost of said Vacation ~~Opening — Condemnation of right of way for utility purposes~~ shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Vacation ~~Opening — Condemnation of right of way for utility purposes~~ is described as follows: Lots 65 and 94, Riverside Terrace Addition; also space lying west of Piedmont Avenue, south of Kinsmoor Avenue and north of Nuttman Avenue. Said Addition and space are inclusive to the City of Fort Wayne, Indiana.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5)% per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

The vacation of the above described street shall be subject to an easement ~~for the use of the City of Fort Wayne, Indiana, and other public utilities~~ for the construction and maintenance of ~~sewers, water mains,~~ gas mains, ~~electric pole lines and conduits, telephone and telegraph pole lines and conduits.~~

All Streets, lots and lands affected by the above described vacation are situated in the north one-half of Section Fifteen, Township 30 north, Range 12 east and lie wholly within the corporate limits of the City of Fort Wayne, Indiana.

Improvement Resolution

FOR STREET OR ALLEY

No. 5331 -1966

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, INDIANA,

That it is deemed necessary to improve by widening and paving Paulding Road

from the west property line of Hanna Street

~~to the property line of~~ to a point approximately 184 feet east of the east property line of Anthony Boulevard.

By draining, curbing, grading and paving the roadway to a uniform width of forty (40) feet ~~with Sheet Asphalt, Asphaltic Concrete upon a six (6) inch Concrete foundation, Six (6) inch Plain Concrete or with 8" Macadam, 2" Binder and 1" Asphalt Top.~~

with 9" Plain Concrete

all in accordance with the profile, detail-drawing and specifications on file in the office of the Department of Public Works of said City; and such improvement is now ordered.

It is hereby found by said Board of Public Works that all benefits accruing hereunder will be to the general public of the City of Fort Wayne and that no special benefits will accrue to any property owner adjoining said improvement or otherwise assessable under said improvement. The cost of said improvement shall be paid by the City of Fort Wayne, Indiana, out of monies currently appropriated for Street Repair and Rehabilitation Fund.

~~Assessments if deferred, are to be paid in ten equal installments, with interest at the rate of five (5) per cent, per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.~~

DECLARATORY RESOLUTION No. 1187 19 66

For the Vacation ~~- Opening - Condemnation of right of way for utility purposes~~ of Melissa Street from the west property line of Freeman Street to its western terminus.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate Melissa Street from the west property line of Freeman Street to its western terminus.

All as shown by a plan of such proposed Vacation ~~- Opening - Condemnation of right of way for utility purposes~~ as above described, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana

The cost of said Vacation ~~- Opening - Condemnation of right of way for utility purposes~~ shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Vacation ~~- Opening - Condemnation of right of way for utility purposes~~ is described as follows: Block "A", Portage Place Addition, and space immediately north and south of Melissa Street, lying west of Freeman Street. Said addition and parcels of space are inclusive to the City of Fort Wayne, Indiana.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5)% per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

A portion ~~The vacation~~ of the above described street shall be subject to an easement for the use of the City of Fort Wayne, Indiana, ~~and other public utilities~~ for the construction and maintenance of sewers, ~~water mains, gas mains, electric pole lines and conduits, telephone and telegraph pole lines and conduits.~~

All Streets, lots and lands affected by the above described vacation are situated in the northwest quarter of Section Nine, Township 30 north, Range 12 east and lie wholly within the corporate limits of the City of Fort Wayne, Indiana.

LOCAL SEWER IMPROVEMENT RESOLUTION

No. 770, 19 66

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, STATE OF INDIANA, That the construction of a local sewer, intended and adopted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered ~~in and along~~

Commencing at a proposed manhole located in Vance Avenue and 204 ± l.f. West of the centerline of Hobson Road; thence South in and along an existing 15 foot easement a distance of 561 ± l.f. and terminating at a proposed manhole.

Said sewer shall be 8 inches in diameter.

MODIFIED March 10, 1966

"The properties affected by the above Resolution are also required to pay a reimbursement in the amount of $61.92 per home. This is required under a contract entered into by and between the City of Fort Wayne and Clarence Feichter and Hamilton Hunter in 1956. This amount must be paid at the time the home is connected to the new sewer."

in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said city.

The cost of said improvement shall be apportioned against and paid by the property holders whose property abuts thereon, and upon the City of Fort Wayne, Indiana, if the city is benefited by said improvement, all according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporations," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments, if deferred, are to be paid in ten equal annual installments, with interest at the rate of five per cent. per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond or bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvements, assessments of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments and supplements thereto.

SEWER EASEMENT RESOLUTION NO. 5 - 1966

For the Condemnation of right of way for sewer easement purposes across, through and under a portion of Lots numbered 13, 14 and 15 in George Mason's Sub, an Addition to the City of Fort Wayne.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that:

WHEREAS, by Declaratory Resolution 1161-1965, an easement was condemned 7 feet in width on each side of the line separating Lot 13 from Lots 14 and 15, all in George Mason's Subdivision, and

WHEREAS, the exact location of said division line is indefinite, and

WHEREAS, a sewer has been installed along the line hereinafter described in this Resolution, and

WHEREAS, it is desired to more accurately describe the easement as it exists,

NOW, THEREFORE, BE IT RESOLVED by the Board of Public Works that a right of way for sewer easement purposes be condemned across, through and under a portion of Lots numbered 13, 14, and 15 in George Mason's Subdivision, more particularly described as follows:

An easement 14 feet in uniform width, 7 feet on each side of the following described centerline: Beginning at a point located on the East right of way line of Ideal Avenue and 234 feet South of the centerline of Lower Huntington Road; thence Southeasterly on a straight line to a point located on the West line of the Norfolk and Western Railroad and 447 feet South of the centerline of Lower Huntington Road.

All as shown by a plan of such proposed Condemnation of right of way for sewer purposes as described above, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana.

The cost of said Condemnation of right of way for sewer purposes shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Condemnation of right of way for sewer purposes is described as follows: A portion of Lots numbered 13, 14 and 15 in George Mason's Sub.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5) % per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

All streets, lots and land affected by the above described condemnation are situated in the Southwest 1/4 of Section 28, Township 30 North, Range 12 East and lie fully within the corporated limits of the City of Fort Wayne, Indiana.

ADOPTED THIS 9 DAY OF February, 1966.

Board of Public Works of the City of Fort Wayne, Indiana

DECLARATORY RESOLUTION NO. 1186-1966

WHEREAS, heretofore on the 2nd day of February, 1966, FALSTAFF BREWING CORPORATION OF INDIANA, filed with this board its written petition for permission to construct and maintain across Wabash Avenue, between Humphrey Street and Washington Boulevard in the City of Fort Wayne, Indiana, a certain overhead structure connecting the present buildings of Falstaff on the west side of said block of Wabash Avenue with a warehouse being constructed on the east side thereof, in accordance with that set of plans designated JOB NO. 1855 and entitled "NEW CASE WAREHOUSE FOR FALSTAFF BREWING CORPORATION, PLANT NO. 7, FORT WAYNE, INDIANA", dated January 10, 1966, by Malcolm R. Stirton, Architect, Detroit, Michigan, consisting of 7 pages designated P-1, A-1, A-2, A-3, A-4, S-1, S-2 and S-3 (hereinafter called the "Plan") on file in the office of this board and by reference incorporated herein and made a part hereof; which Petition is in words and figures as follows, to wit: (H. I.); and

WHEREAS, this Board now finds and determines:

1. That Falstaff is the sole owner of all lots on both sides of said Wabash Avenue between Humphrey Street and Washington Boulevard, to wit, lots numbered 83 through 88, 105, 104 and 89 through 94, all inclusive, in White's 1st Addition to the City of Fort Wayne according to the recorded plat thereof, which is all of the real estate immediately abutting upon both sides of that part of said street described in said petition;

2. That said overhead structure will connect the existing buildings of Falstaff located and abutting on the west side of said

block of Wabash Avenue with a warehouse being constructed and which will abut on the east side thereof, will be located across Wabash Avenue a distance of 165' 4" (+/-) north of the north right-of-way line of Humphrey Street, will have an all-over width over said street of 11' 4" (+/-) and a minimum clearance above the crown of the pavement of Wabash Avenue of 16' 1½" measured in a perpendicular line.

3. That said overhead structure will be used by Falstaff to convey finished products from its bottling plant on the west side of said block of Wabash Avenue to its said warehouse on the east side thereof and to return empty containers received at said warehouse to said bottling plant;

4. That said overhead structure will in no way interfere with the full use of Wabash Avenue by the public or be otherwise detrimental to or inconsistent with the free use of the easement of the public in said street or the proper highway purposes thereof;

5. That said overhead structure will be beneficial to the public in that it will relieve congestion and eliminate the traffic that would otherwise result from the necessary use of the surface of said Wabash Avenue by Falstaff to move finished products from said bottling plant to said warehouse and return empty containers received at said warehouse to said bottling plant;

NOW THEREFORE, pursuant to the power and authority granted it by the provisions of Ch. 168, Acts of 1927 of the Indiana General Assembly be and it is hereby resolved by the Board of Public Works of the City of Fort Wayne, Indiana;

1. That it hereby grants to FALSTAFF BREWING CORPORATION OF INDIANA, permission to construct and maintain across Wabash Avenue, between Humphrey Street and Washington Boulevard in the City of Fort Wayne, Indiana, that certain overhead structure designated and

described in the Plan hereinabove referred to; subject however to the obligation of Falstaff to pay all the costs of construction and maintenance of said structure, to protect the public from any harm during the construction thereof, to save the City of Fort Wayne, Indiana harmless from any claims of loss or damage to persons or property caused by such construction and the maintenance and existence of said structure, to repair any damage to said street or any installation therein resulting from the installation of said structure and to maintain the same at all times in a safe condition;

2. That the real estate which may be injuriously or beneficially affected by said overhead structure is lots numbered 83 through 88, 105, 104 and 89 through 94 in White's 1st Addition to the City of Fort Wayne, according to the recorded plat thereof, all owned by said petitioner Falstaff;

3. That a public hearing be held on Thursday, the 3 day of march, 1966, at 3:30 o'clock p. M, at the offices of this board at which this board will hear and receive remonstrances from persons interested in or affected by these proceedings, after which this board will take final action confirming, modifying or rescinding this resolution, which action shall be final and conclusive on all persons;

4. That there be published in the News-Sentinel, a newspaper of general circulation published in the City of Fort Wayne, Indiana, once a week for two consecutive weeks, the 2nd of which shall be upon a date not less than ten (10) days prior to the date of the public hearing set in paragraph 3 above, due notice of the adoption of this resolution, stating the time, place and date of said public hearing, that at said

public hearing this board will hear and receive remonstrances from persons interested in or affected by these proceedings, and that after which this board will confirm, modify or rescind this resolution; and

5. That in the event this Resolution be so confirmed, the permission hereby granted to construct and maintain said overhead structure shall be nonconcellable so long as said structure shall continue to exist.

Date entered this 3 day of February, 1966.

PETITION

January, 31, 1966

To: The Board of Public Works of the City of
Fort Wayne, Indiana

Pursuant to the provisions of Ch. 168, Acts of 1927, of the Indiana General Assembly, FALSTAFF BREWING CORPORATION OF INDIANA, an Indiana Corporation hereby petitions the Board of Public Works of the City of Fort Wayne, Indiana, for permission to construct and maintain a certain overhead structure across Wabash Avenue between Humphrey Street and Washington Boulevard in the City of Fort Wayne, Indiana, in accordance with that set of plans designated Job. No. 1855 and entitled "NEW CASE WAREHOUSE FOR FALSTAFF BREWING CORPORATION, PLANT NO. 7, FORT WAYNE, INDIANA", dated January 10, 1966, by Malcom R. Stirton, Architect, Detroit, Michigan, consisting of 7 pages designated P-1, A-1, A-2, A-3, A-4, S-1, S-2 and S-3, on file in the office of said Board of Public Works and by reference incorporated herein and made a part hereof, and represents and shows to said board as follows:

1. That it is the sole owner of all lots on both sides of said Wabash Avenue between Humphrey Street and Washington Blvd. in said City and state, to wit: lots numbered 83 through 88, 105, 104, and 89 through 94, all inclusive, in White's 1st Addition to the City of Fort Wayne, Indiana, according to the recorded plat thereof; which is all the real estate immediately abutting on both sides of the street described herein.

2. That it owns and operates a brewery upon the property lying west of said Wabash Avenue between Humphrey Street and Washington Blvd.

3. That it intends to build and is building upon said lots numbered 89 through 94 both inclusive in White's 1st Addition, lying east of said block of Wabash Avenue, a warehouse for the receiving and shipping of the goods and products of said brewery, which warehouse

will be an integral part of said brewery.

4. That said overhead structure will connect the present buildings of Falstaff on the west side of Wabash Avenue and the new warehouse being constructed upon the east side thereof, will be located across Wabash Avenue a distance of 165' 4" (+/-) north of the north right-of-way line of Humphrey Street, will have an all over width over said street of 11' 4" (+/-) and a minimum clearance above the crown of the pavement of Wabash Avenue of 16' 1½" measured in a perpendicular line.

5. That said overhead structure will in no way interfere with the full use of Wabash Avenue by the public or in any other way be otherwise detrimental to or inconsistent with the free use of the easement of the public in Wabash Avenue or the proper highway purposes thereof.

6. That said overhead structure will be beneficial to the public, in that it will be used to convey finished products of Falstaff from its bottling plant on the west side of Wabash Avenue to the new warehouse on the east side thereof and to return empty containers received at said warehouse to said bottling plant, which materials otherwise of necessity would have to be so moved by vehicle using the surface of Wabash Avenue, thereby relieving said street from such traffic.

7. That Falstaff will pay all costs of construction and maintenance of said overhead structure, will fully protect the public from any harm during the construction thereof, will save the City of Fort Wayne harmless from any claims of loss or damage to persons or property caused by such construction, maintenance and existence of said structure, will repair any damage to said street or any installation

thereon resulting from the installation of said structure and will maintain the same at all times in a safe condition.

Respectfully submitted,

FALSTAFF BREWING CORPORATION OF
INDIANA

LOCAL SEWER IMPROVEMENT RESOLUTION

No. 769, 19 66

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, STATE OF INDIANA, That the construction of a local sewer, intended and adopted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered ~~in and along~~

MAIN SEWER: Beginning at an existing manhole at the intersection of Camden and North Camden Drives; thence in a Northerly direction a distance of 196 ± feet to a proposed manhole near the Northeast corner of lot numbered 174 in Northcrest Addition, Section 2; thence Westerly a distance of 190 ± feet to a proposed manhole; thence Northerly a distance of 1,165 ± feet to a proposed manhole in the Washington Center Road; thence Easterly a distance of 35 ± feet to a proposed manhole; thence Northerly a distance of 718 ± feet to a proposed manhole in Elnora Drive near the Northeast corner of lot numbered 22 in Silver Maple Addition; thence Easterly in Elnora Drive a distance of 730 ± feet to its terminus.
Said sewer shall be 12", 10" and 8" in diameter.

LATERAL NO. 1: Beginning at a proposed manhole in the main sewer on the Stratton Road at the Northwest corner of lot numbered 19 in Washington Center Place Section A; thence Easterly a distance of 840 ± feet to its terminus at a proposed manhole.
Said sewer shall be 8" in diameter.

LATERAL NO. 2: Beginning at a proposed manhole in the main sewer located on the Washington Center Road; thence Easterly a distance of 210 ± feet to a proposed manhole; thence Southerly a distance of 30 feet to a proposed manhole; thence Easterly a distance of 595 ± feet to its terminus at a proposed manhole.
Said sewer shall be 8" in diameter.

NOTE: Existing basements on Stratton Road may be too low to be served by proposed sewer.

MODIFIED: February 17, 1966

"Properties affected by the above mentioned resolution are also required to pay an area reimbursement toward the Northcrest Pumping Station and the Dunwood Interceptor. This area reimbursement amounts to $150.82 per acres, or $0.00347 per square foot, and must be paid at the time the home is connected to the new sewer."

in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said city.

The cost of said improvement shall be apportioned against and paid by the property holders whose property abuts thereon, and upon the City of Fort Wayne, Indiana, if the city is benefited by said improvement, all according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporations," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments, if deferred, are to be paid in ten equal annual installments, with interest at the rate of five per cent, per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond or bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvements, assessments of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments and supplements thereto.

SEWER EASEMENT RESOLUTION NO. 4 - 1966

For the Condemnation of right of way for sewer easement purposes across, through and under a portion of lot numbered 174 in Northcrest Addition, Section 2; space bounded on the South by the North line of Northcrest Addition, Section 2; bounded on the North by the South line of Washington Center Place Addition; bounded on the West by Coldwater Road (U.S. #27); and bounded on the East by a line parallel to and 400 feet East of the centerline of Coldwater Road (U.S. #27); space bounded on the South by Washington Center Road; on the East by the Southerly extension of the East line of lot numbered 21 in Silver Maple Addition; bounded on the North by the South line of Silver Maple Addition and bounded on the West by Coldwater Road (U.S. #27) and lots numbered 21 and 22 in Silver Maple Addition.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to condemn right of way for sewer easement purposes across, through and under a portion of land as described in the above paragraph, more particularly described as follows:

The Easterly 10 feet of lot numbered 174 in Northcrest Addition, Section 2.

Also, an easement 10 feet in uniform width, the centerline being described as follows:

Beginning at a point located on the North line of Northcrest Addition, Section 2, said point being 331.4 feet East of the centerline of Coldwater Road (U.S. #27); thence North parallel to the centerline of said Coldwater Road a distance of 183 feet to a point, said point being 5 feet West of the Southeast corner of lot numbered 18 in Washington Center Place Addition.

Also, the West 5 feet of lot numbered 21 and the east 10 feet of lot numbered 22, said lots being in Silver Maple Addition.

Also, an easement 15 feet in uniform width described as follows:

Beginning at a point located on the South line of lot numbered 21 in Silver Maple Addition and 5 feet East of the Southwest corner of said lot numbered 21; thence on the Southerly projection of a line which is 5 feet East and parallel to the West line of lot numbered 21 a distance of 505 feet to the North line of Washington Center Road; thence Westerly on the North line of Washington Center Road a distance of 15 feet; thence Northerly on the Southerly projection of a line which is 10 feet West and parallel to the West line of lot numbered 21 in Silver Maple Addition a distance of 503.4 feet to the South line of Silver Maple Addition; thence Easterly a distance of 15 feet to the point of beginning.

All as shown by a plan of such proposed Condemnation of right of way for sewer purposes as described above, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana.

The cost of said Condemnation of right of way for sewer purposes shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Condemnation of right of way for sewer purposes is as described in paragraph one above.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporation", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5) % per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplemental thereof.

All streets, lots and land affected by the above described condemnation are situated in the Northwest 1/4, Section 24 and the Southwest 1/4, Section 13, Township 31, North, Range 12 East, and lie fully within the corporate limits of the City of Fort Wayne, Indiana.

Adopted this 17 day of January, 1966.

LOCAL SEWER IMPROVEMENT RESOLUTION

No. 764, 19 66

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, STATE OF INDIANA, That the construction of a local sewer, intended and adopted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered ~~in and along~~

Commencing at an existing manhole in the intersection of Babcock Drive and Winchester Road; thence in and along Winchester Road in a Southeasterly direction for a distance of approximately 647 feet; thence in and along Godfrey Road in a Southwesterly direction for a distance of approximately 663 feet and terminating at a proposed manhole.

Commencing at a proposed manhole in the intersection of Scotsdale Drive and Winchester Road; thence in and along Scotsdale Drive in a Southwesterly direction for a distance of approximately 722 feet and terminating at a proposed manhole.

Said sewer shall be 8 inch and 10 inch in diameter.

in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said city.

The cost of said improvement shall be apportioned against and paid by the property holders whose property abuts thereon, and upon the City of Fort Wayne, Indiana, if the city is benefited by said improvement, all according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporations," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments, if deferred, are to be paid in ten equal annual installments, with interest at the rate of five per cent. per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond or bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvements, assessments of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments and supplements thereto.

SEWER EASEMENT RESOLUTION NO. 2 - 1966

For the Condemnation of right of way for sewer easement purposes across, through and under a portion of Lots numbered 1 through 4 inclusive, in La Fontain Addition, an Addition to the City of Fort Wayne.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to condemn right of way for sewer easement purposes across, through and under a portion of Lots numbered 1 through 4 in La Fontaine Addition, more particularly described as follows:

The Northeast 15 feet of Lots numbered 1, 2, 3 and 4 directly adjacent to Winchester Road, all four lots being in La Fontaine Addition, and Addition to the City of Fort Wayne.

All as shown by a plan of such proposed Condemnation of right of way for sewer purposes as described above, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana.

The cost of said Condemnation of right of way for sewer purposes shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Condemnation of right of way for sewer purposes is described as follows: A portion of Lots numbered 1 through 4 inclusive, in La Fontaine Addition.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5) % per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefore, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

All streets, lots and land affected by the above described condemnation are situated in the South half, Section 22, Township 30 North, Range 12 East and lie fully within the corporate limits of the City of Fort Wayne, Indiana.

LOCAL SEWER IMPROVEMENT RESOLUTION

NO. 762, 1966

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, STATE OF INDIANA, That the construction of a local sewer, intended and adopted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered

MAIN LINE:

Beginning at an existing manhole located at the Southeast corner of lot numbered 45 in the Original Plat of Waynedale; thence Northerly in and along the existing alley between Elzey Street and Old Trail Road a distance of 613 ± l.f., terminating at a proposed manhole.

LATERAL A:

Beginning at a proposed manhole on the Main Line located in the vicinity of the Northwest corner of lot numbered 64 in the Original Plat of Waynedale; thence Westerly in and along a proposed easement a distance of 472 ± l.f., terminating at a proposed manhole located in lot numbered 20 in the Original Plat of Waynedale.

Said sewers shall be 8" and 10" in diameter.

in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said city.

The cost of said improvement shall be apportioned against and paid by the property holders whose property abuts thereon, and upon the City of Fort Wayne, Indiana, if the city is benefited by said improvement, all according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporations," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments, if deferred, are to be paid in ten equal annual installments, with interest at the rate of five per cent, per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond or bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvements, assessments of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments and supplements thereto.

SEWER EASEMENT RESOLUTION NO. 3 - 1966

For the Condemnation of right of way for sewer easement purposes across, through and under a portion of lots numbered 20, 21 and 35 through 39 inclusive, all lots in Original Plat of Waynedale.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to condemn right of way for sewer easement purposes across, through and under a portion of lots numbered 20, 21 and 35 through 39 inclusive, all lots in Original Plat of Waynedale, more particularly described as follows:

> The North 14 feet of the South 132 feet of lots numbered 20 and 21 in Original Plat of Waynedale.
>
> Also, the North 14 feet of the South 107 feet of lots numbered 35 through 39 inclusive, in Original Plat of Waynedale.

All as shown by a plan of such proposed Condemnation of right of way for sewer purposes as described above, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana.

The cost of said Condemnation of right of way for sewer purposes shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Condemnation of right of way for sewer purposes is described as follows: Across, through and under a portion of lots numbered 20, 21 and 35 through 39 inclusive, all lots in Original Plat of Waynedale.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporation", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5) % per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplemental thereof.

All streets, lots and land affected by the above described condemnation are situated in the Southeast 1/4, Section 28, Township 30 North, Range 12 East, and lie fully within the corporate limits of the City of Fort Wayne, Indiana.

DECLARATORY RESOLUTION NO. 1185 1965

[illegible]

COVENANT

This instrument of covenant, made and entered into this 3rd day of February, 1966, by the civil City of Fort Wayne, Indiana and as executed by its representatives from the Board of Public Works, WITNESSETH THAT

WHEREAS, the civil City of Fort Wayne, in the month of December, 1965, caused to be condemned a certain right-of-way for a sewer easement on, over and across a certain triangular parcel of real estate situate in the Northwest Quarter of Section 25, Township 31 North, Range 12 East (west of CLINTON STREET, Fort Wayne, Indiana) owned by GATEWAY PROPERTIES, INC. and

WHEREAS, in due time said sewer was constructed which, in effect, bisected the triangular portion of land owned by said corporation, and

WHEREAS, the Corporation by its officers and legal counsel caused a remonstrance to be filed on the 21st day of January, 1966, as to all matters concerning money assessment and/or benefits by virtue of said sewer construction, and

WHEREAS, the said Corporation by its officers and counsel have been negotiating with the appropriate officials of the City of Fort Wayne with a view toward settling the question of assessment and/or damages arising out of such bisected sewer construction, and

WHEREAS, the parties have reached a state of compromise agreement which they desire to be incorporated into the dignity of a written instrument,

NOW THEREFORE, in consideration of the Corporation's agreement to accept a compromise sum for damages in connection with said sewer project, and in further consideration of the sincerity and fair dealing of the negotiating parties hereto

11/22/65
49-42-5

DECLARATORY RESOLUTION NO. 1185 1965

and the mutual concession of rights and privileges, the civil City of Fort Wayne, by its undersigned officers, does hereby agree as follows:

IT IS AGREED that GATEWAY PROPERTIES, INC. and/or its successors, grantees, lessees or assigns, shall have the right for so long as said realty is under the governmental control of the civil City of Fort Wayne, to erect or cause to be erected on said premises from time to time, any improvement or improvements, structures or buildings, on, over and across that certain easement area claimed and condemned by the City aforesaid; and the civil City of Fort Wayne does hereby waive any right to withhold permits or to prohibit the construction or erection of improvements on said land which might, as a matter of fact, encroach on or over such sewer easement; provided that such improvements be compatible with the provisions of the Zoning Ordinance of the City of Fort Wayne, and that the substructure of said improvements be constructed in such a way and by such appropriate re-enforcement that the actual use and effectiveness of such established sewer be not impaired or destroyed.

IT IS FURTHER AGREED by the civil City of Fort Wayne by its undersigned officers, that this is a covenant with the present owner of the land and its successors as aforesaid and shall be such contract and promise as will run with the land and be binding and obligatory upon all successors.

IN WITNESS WHEREOF, the civil City of Fort Wayne, by the undersigned officers, has caused this instrument to be executed the date and year first above indicated.

DECLARATORY RESOLUTION NO. 1185-1965

For the condemnation of permanent right of way for easement purpose across, and through parts of:

Space North of the intersection of U. S. Highway No. 27 and Indiana Highway No. 427 to the City of Fort Wayne, Indiana, being situated in the Northwest Quarter Section 25, Township 31 North, Range 12 East, Allen County, Indiana.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to condemn right of way for permanent easement for storm sewer purposes across and through a strip of land 14 feet in width contained in the following described real estate in Allen County, Indiana to wit:

Beginning at a point on the West line of the Northwest Quarter Section 25, Township 31 North, Range 12 East, in said county, said point being 2,171.3 feet South of the Northwest corner of said Section; thence East parallel with the North line of said Section 310.2 feet; thence South parallel with the West line of said Section 145.2 feet to the centerline of the Leo Road; thence Southwesterly on the centerline of the Leo Road 194.12 feet; thence Northwesterly to the West line of said Section 186.68 feet; thence North on the West line of the said Northwest Quarter 257.01 feet to the place of beginning.

The centerline of said easement is described as follows:

Beginning at a point on the West property line of the above described real estate and 148.2 feet South of the North property line; thence East and parallel to the North property line a distance of 282.77 feet to a point on the East property line of said real estate.

All as shown by a plan of such proposed Condemnation of right of way for sewer purposes as above described, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana.

The cost of said Condemnation of right of way for sewer easement shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Condemnation of right of way for sewer easement is described as follows:

Space North of the intersection of U. S. Highway No. 27 and Indiana Highway No. 427 to the City of Fort Wayne, Indiana, being situated in the Northwest Quarter Section 25, Township 31 North, Range 12 East, Allen County, Indiana.

All according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporation," as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five percent (5%) per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All Proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

All streets, lots and lands affected by the above described Condemnation are situated in the Northwest Quarter Section 25, Township 31 North, Range 12 East, and lying wholly within the corporate limits of the City of Fort Wayne, Indiana.

ADOPTED THIS 22 DAY OF November 1965.

MEMORANDUM OF AGREEMENT
FOR THE ACQUISITION OF A SITE AND THE CONSTRUCTION OF A BUILDING FOR THE JOINT USE OF THE CITY AND COUNTY TO HOUSE GOVERNMENTAL OFFICES AND FUNCTIONS.

THIS MEMORANDUM OF AGREEMENT, made and entered into this 22nd day of December, 1964, by and between the City of Fort Wayne, by its Mayor, City Council and Board of Works, and the County of Allen, by its Board of Commissioners and County Council,

W I T N E S S E T H :

WHEREAS, many plans and proposals have been submitted in the past for the financing of the acquisition of a site and the construction of a building for the joint use of the City and County to house governmental offices and functions; and

WHEREAS, both the City and the County are aware of the importance and urgency of completing such a project; and

WHEREAS, it is the desire of all the parties to this Memorandum of Agreement to bring about the acquisition of the site and the construction of such a building in a manner most suitable and economical to the citizens of this County; and

WHEREAS, it is their carefully considered opinion that such can best be done through the joint action of the City of Fort Wayne and the County of Allen,

NOW THEREFORE, the City of Fort Wayne and the County of Allen, through its proper officers, agree as follows:

1. The City of Fort Wayne and the County of Allen shall act together in the purchase of land and construction of a building for the joint use of the City and County to house governmental offices and functions.

2. The one and one-half block area bounded by Main Street, Clinton Street, Calhoun Street and the Nickel Plate Railroad, shall be acquired by the City, and a sufficient part of the city block bounded by Main Street, Clinton Street, Calhoun Street and Columbia Avenue shall be conveyed by the City to the County to enable the County to construct thereon a building suitable for the joint use of the City and County to house governmental offices and functions.

3. The County shall construct on such site a suitable building for the foregoing purposes and shall lease space therein to the City for the housing of City offices.

4. The City shall improve the balance of the area not utilized as the site for the building by paving, landscaping, lighting, construction of parking facilities, and similar improvements.

5. The portion of the cost of the joint project to be borne by the City shall be financed by the issuance of general obligation bonds of the City in an amount not to exceed Two Million Dollars ($2,000,000.00), and the portion of the cost of the joint project to be borne by the County shall be financed by the issuance of general obligation bonds of the County in an amount not to exceed Five and One-half Million Dollars ($5,500,000.00).

IN WITNESS WHEREOF, the parties have hereunto set their hands the day and year first above written.

AGREEMENT
FOR
SANITARY SEWER

THIS AGREEMENT, made in triplicate this 3rd day of November, 1965, by and between Joseph F. Derheimer, hereinafter referred to as "Developer", and the City of Fort Wayne, Indiana, an Indiana municipal corporation, hereinafter referred to as "City:, WITNESSETH:

WHEREAS, the Developer desires to construct a sanitary sewer described as follows; Beginning at existing MH @ Fernwood Avenue and Elmhurst Drive thence North along East side of Fernwood Avenue a distance of 242 (+)(-) LF terminating at a proposed MH. in accordance with plans, specifications, and profiles heretofore submitted to the City and now on file in the office of the Chief Engineer of the Sewer Utilities of the City, which plans, specifications, and profiles are by reference incorporated herein and made a part hereof, which sewer will serve not only land in which the Developer has an interest but also adjoining land areas. owner of said describe

WHEREAS, the cost of construction of said sewer is represented to be $ 1,803.55 composed of $ 1,678.00 for construction costs $ -0- for engineering services, plus $ 125.55 for engineering and inspection fees chargeable by the City Utilities, and $ 646.76 of said cost is chargeable to the additional land areas not owned by the Developer but which will be benefited by said sewer.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements hereinafter set forth, the parties hereto agree as follows:

1. CONSTRUCTION OF SEWER

The developer shall cause said sewer to be constructed and located in accordance with said plans, specifications, and profiles, all approved by the City, under private contract to be let within sixty (60) days after requisite City approval. All work and materials shall be subject to inspection by City and the right of City to halt construction if there shall be noncompliance therewith. Said sewer shall not be deemed permanently connected into the sewer system of City until final acceptance by City. Upon completion, said sewer shall become the property of City and City shall accept sewage therefrom, subject to such sewage service charges as may now or hereafter be regularly established by City, and all further maintenance thereafter shall be borne by City.

2. COST OF CONSTRUCTION

The Developer agrees to pay the entire cost and expense of construction of said sewer, in cash, including City engineering and inspection fees, and to hold the City armless from any liability for claims connected therewith.

6

of Works Bx.

3. AREA OF DEVELOPER

Said sewer when accepted by the City will initially serve the following described real estate of the Developer: Lots 6 and 8 in Elmhurst Gardens Addition - and as shown on the attached drawing.

As the Developer will pay for the cost of construction of said sewer as it pertains to the above described area, no charge or assessment is made by this Agreement against the above described real estate for the construction of said sewer, or the use thereof, by the present or future owners of said real estate, except only as to such standard tap-in and inspection fees as are customarily charged by the Cityfor connections to City sewer mains.

4. CHARGE AGAINST EXCESS AREA

Said sewer, when constructed, will also serve the following described additional or excess area; North 132 feet of Lot No. 21 in Elmhurst Gardens Addition - and as shown on the attached drawing.

In the event any present or future owner of said described excess area shall at any time within fifteen (15) years after the date of this contract desire to use said sewer or any extension thereof, whether by direct tap or through the extension or connection of lateral or local lines to service such land, City, through its duly constituted authorities, before permitting such use, shall require by contract or assessment, as may be appropriate, that such owner or owners of said excess area pay to City, in addition to the cost of standard tap-in and inspection fees, the sum of .028322 per square foot for the area served by each such connection and use, which represents the pro rata share of the cost of the extension of city sewer to said excess area, Schedule A showing properties in excess area subject to charge for construction and use of sewer as of this date is attached.

The amount so collected by the City shall be paid by City within sixty (60) days of the receipt thereof by City to Developer; provided that the rights of Developer to such payments shall not be assignable by it as against City and any assignees or successors in title of Developer shall look only to Developer as to any monies payable to Developer hereunder.

5. BOND

This contract is subject to Developer furnishing a satisfactory bond quaranteeing said sewer against defects for a period of one (1) year from the date of final acceptance of said sewer by the City.

6. LIMITATION ON USE

Said sewer shall be constructed for disposal of sanitary sewage only and neither the parties hereto, their successors, or assigns, or any future owner of any land serviced by said sewer, shall at any time discharge or permit to be discharged or to flow into said sanitary sewer any water run-off caused by natural precipitation or anything other than sanitary sewage or contaminated waste.

7. GOVERNING STATUTE

It is the intention of the parties hereto to utilize and take advantage of and apply to this Agreement the provisions of Chapter 182 of the Acts of 1955 of the State of Indiana (Burns Indiana Anno. Statutes 1960 Suppl., Section 48-3938), the provisions of which Statute shall govern with respect to any matters not specifically outlined herein.

8. ~~COUNCILMANIC APPROVAL~~

~~It is understood and agreed that this contract is in all respects subject to approval by the Common Council of City, by duly adopted Ordinance, and if such Ordinance is not adopted within a period of ninety (90) days after execution thereof, this contract shall be null and void and of no further force and effect.~~

IN WITNESS WHEREOF, the parties have subscribed to this Agreement the day and year first above written.

DECLARATORY RESOLUTION No. 1184 1965

For the Vacation ~~Opening Condemnation of right of way for utility purposes~~ of Pittsburg Street from the east property line of Dubois Street to the west property line of Warren Street.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate Pittsburg Street from the east property line of Dubois Street to the west property line of Warren Street.

All as shown by a plan of such proposed Vacation ~~Opening Condemnation of right of way for utility purposes~~ as above described, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana

The cost of said Vacation ~~Opening Condemnation of right of way for utility purposes~~ shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Vacation ~~Opening Condemnation of right of way for utility purposes~~ is described as follows: Lots 5 to 16, inclusive, K. McDonald's Addition; Lots 251 to 253 inclusive, Vordermark's Subdivision; and Lots 48 and 49, White's 2nd Addition. All additions are inclusive to the City of Fort Wayne, Indiana.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5)% per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

~~The vacation of the above described ________ shall be subject to an easement for the use of the City of Fort Wayne, Indiana, and other public utilities for the construction and maintenance of sewers, water mains, gas mains, electric pole lines and conduits, telephone and telegraph pole lines and conduits.~~

All Streets, lots and lands affected by the above described vacation are situated in the northwest quarter of Section Seven, Township 30 north, Range 13 east and lie wholly within the corporate limits of the City of Fort Wayne, Indiana.

Improvement Resolution

FOR STREET OR ALLEY

No. 5330 -1965

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, INDIANA,

That it is deemed necessary to improve the alley between Taylor Street and Brown Street

from the east property line of Brooklyn Avenue

to the east property line of Lot 8, Dreisbach's 1st Addition

By draining, ~~curbing,~~ grading and paving the roadway to a uniform width of ten (10) feet with Sheet Asphalt, Asphaltic Concrete upon a six (6) inch Concrete foundation, Six (6) inch Plain Concrete or with 8" Macadam, 2" Binder and 1" Asphalt Top.

all in accordance with the profile, detail-drawing and specifications on file in the office of the Department of Public Works of said City; and such improvement is now ordered.

The total cost of said improvement, ~~excepting the cost of street and alley intersections,~~ shall be assessed upon the real estate abutting on said alley as above described and on property within 150 feet of the line of the alley to be improved, ~~and upon the City of Fort Wayne, Indiana, to the extent of the street and alley intersections.~~ All according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Muncipal Corporation," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments if deferred, are to be paid in ten equal installments, with interest at the rate of five (5) per cent, per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

DECLARATORY RESOLUTION NO. 1182 1965

For the condemnation of permanent right of way for easement purpose for storm sewers across and through parts of

The Northeast 1/4 Section 30, Township 30 North, Range 13 East, to the City of Fort Wayne, Indiana.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana that it is desired and deemed necessary to condemn right of way for permanent easement purpose for storm sewers across and through a strip of land 14 feet in width, which is described as follows, to wit:

> Commencing at the Northwest corner of the Northeast 1/4 Section 30, Township 30 North, Range 13 East; thence East along the centerline of Paulding Road, which is also the North line of said Section 30, a distance of 479 feet to a point; thence South on a line parallel to the West line of the Northeast 1/4 Section 30, Township 30 North, Range 13 East, a distance of 25 feet to a point on the South right-of-way line of Paulding Road, said point being the beginning of a 20 foot easement, the centerline of which is more fully described as follows, to wit:
>
> Thence South on a line parallel to the West line of the Northeast 1/4 Section 30, Township 30 North, Range 13 East, a distance of 775 feet to a point; thence with a right deflection of 17 degrees 00 minutes a distance of 200 feet to a point, said point being the centerline of an existing ditch and end of easement.

All as shown by a plan of such proposed Condemnation of right of way for sewer purposes as above described, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana.

The cost of said Condemnation of right of way for sewer easement shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Condemnation of right of way for sewer easement is described as follows:

> Parts of the Northeast 1/4 Section 30, Township 30 North, Range 13 East, to the City of Fort Wayne, Indiana.

All according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporation," as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five percent (5%) per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

All streets, lots and lands affected by the above described Condemnation are situated in the Northeast 1/4 Section 30, Township 30 North, Range 13 East, and lying wholly within the corporate limits of Allen County, Indiana.

Adopted this 21 day of October 1965.

DECLARATORY RESOLUTION NO. 1181 1965

For the condemnation of permanent right of way for easement purpose for storm sewers across and through parts of

The Southeast 1/4 Section 19, Township 30 North, Range 13 East and also lot numbered 8 in Hoevelwood Court Addition to the City of Fort Wayne, Indiana.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana that it is desired and deemed necessary to condemn right of way for permanent easement purpose for storm sewers across and through a strip of land 14 feet in width, which is described as follows, to wit:

> Commencing at the Southwest corner of the Southeast 1/4 section 19, Township 30 North, Range 13 East, thence North along the West line of the said Southeast 1/4 Section 19, a distance of 25 feet to the North right of way line of Paulding Road, thence East along the North right of way line of Paulding Road a distance of 161 feet to the point of beginning of the centerline of the 14 foot easement herein described:
>
> Thence in a Northerly direction on a line parallel to the West line of the Southeast 1/4 section 19, Township 30 North, Range 13 East, a distance of 200 feet to a point; said point being the end of the easement herein described.
>
> Also, the West 14 feet of the East 34 feet of lot numbered 8 in Hoevelwood Court Addition, to the City of Fort Wayne, Indiana.

All as shown by a plan of such proposed Condemnation of right of way for sewer purposes as above described, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana.

The cost of said Condemnation of right of way for sewer easement shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Condemnation of right of way for sewer easement is described as follows:

The Southeast 1/4 Section 19, Township 30 North, Range 13 East and also lot numbered 8 in Hoevelwood Court Addition to the City of Fort Wayne, Indiana.

All according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporation," as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five percent (5%) per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All Proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

All streets, lots and lands affected by the above described Condemnation are situated in the Southeast 1/4 Section 19, Township 30 North, Range 13 East, and lying wholly within the corporate limits of the City of Fort Wayne, Indiana.

ADOPTED THIS 21 DAY OF October 1965.

MAIN STORM SEWER IMPROVEMENT RESOLUTION

NO. 759, 1965

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, STATE OF INDIANA, That the construction of a Main Storm Sewer, intended and adopted for use by the property holders whose property lies within the drainage shed of this Main Storm Sewer, and the same is hereby ordered

Commencing on an existing ditch located approximately 1,000 ± feet South of the centerline of Paulding Road and 175 ± feet East of the centerline of Radcliffe Drive; thence in and along a proposed easement in a Northerly direction a distance of 968 ± feet and terminating at a proposed headwall. Said line will be an open drainage ditch.

MAIN LINE: Commencing at said proposed headwall; thence in a Northerly direction a distance of 25 ± feet; thence East along the South side of Paulding Road a distance of 420 ± feet; thence North along the East side of Fruehauf Drive a distance of 771 ± feet; thence East along the South side of Shadyoak Drive a distance of 648 ± feet and terminating at a proposed manhole.

LATERAL NO. 2: Commencing at a proposed manhole located in the intersection of Paulding Road and Fruehauf Drive; thence East along the North side of Paulding Road a distance of 645 ± feet and terminating at a proposed manhole.

LATERAL NO. 1: Commencing at a proposed manhole located 25 ± feet North of the proposed ditch, thence West along the South side of Paulding Road a distance of 318 ± feet; thence North across Paulding Road along an existing ditch in a proposed easement to Hoevelwood Drive a distance of 440 ± feet and terminating at a proposed manhole.

Said sewer shall be 42",36", 24", 18", 15", and 12" in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City. Said sewer is for storm water only.

The cost of said improvement shall be apportioned against and paid by the property holders whose property lies within the drainage shed of this main storm sewer, and upon the City of Fort Wayne, Indiana, if the city is benefited by said improvement, all according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporations," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments, if deferred, are to be paid in ten equal annual installments, with interest at the rate of five per cent, per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond or bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvements, assessments of property, collection of assessments and issuance of bonds therefor, shall be asprovided for in said above entitled act and all amendments and supplements thereto.

Through the recommendation of the Purchasing Agent of the City Utilities, the bid of the National Mill Supply Co., was accepted under Purchase Order No. 08386, dated November 19, 1965 for the amount of $7,035.00.

Ordered sent to the Common Council Tuesday, November 23, 1965 at 8 p. m.

8. Received Board of Works executed copy of Memorandum of Agreement entered into, passes and adopted by the Common Council per Ordinance S-112-64 on the 22nd day of December, 1964 by and between the City of Fort Wayne, by its Mayor, City Council and Board of Public Works, and the County of Allen, by its Board of Commissioners and County Council. Said Agreement provides for the acquisition of a site and the construction of a building for the joint use of the City and County to house governmental offices and functions.

Approved.

A true copy of which Memorandum Agreement is incorporated by reference herein and appears in Minutes herein, under Memorandum of Agreement for the Acquisition of a Site and the Construction of a Building for the Joint Use of the City and County to House Governmental Offices and Functions.

RESOLUTION

BE IT RESOLVED by the Board of Public Works of the City of Fort Wayne, pursuant to a communication dated November 5, 1965, from the General Electric Company tendering a price adjustment offer in the sum of $21,441.00 on certain products purchased by our City Utilities, that we accept said offer.

The Board of Public Works, comprising Fred S. Ehrman, Robert W. Dahman and George F. Gable, is duly authorized as the governing body to execute all instruments pertaining thereto. The price adjustment offer in the amount of $21,441.00 and reimbursement of Out-of-Pocket Expenses in the amount of $3,196.00, calculated on basis of formulas and conditions set forth in Appendix I.C., have been verified.

THEREFORE, the Agreement between City Utilities of Fort Wayne, Indiana, and General Electric Company and Covenant for Exhibit No. I have been duly executed, approved, and adopted this 18th day of November, 1965.

December 21, 1965 --- Received General Electric check No. 464459, dated December 14, 1965 in the amount of $21,441.00.

Meeting adjourned at 5:05 p. m.

(B.O. 187-'65)

Approved.

Ordered acceptance letter written.

15. RESOLUTION

It is deemed appropriate to employ Remington Office Systems Div., Sperry Rand Corp., to redistrict the Meter Routes and Meter Books.

Pursuant to the same company performing a similar service in 1948 and 1955, it is the opinion of the Board this work can again be more economically done by Remington Office Systems.

City Utilities Purchase Order No. 09119 to the aforesaid company is submitted in the sum of $24,600.00 on basis of $412.49 per thousand accounts and is hereby ordered sent to the Common Council on January 25, 1966 for approval.

Meeting adjourned at 9:53 a. m.

It is deemed advisable to offer for sale certain City owned real estate at 1405 Broadway described as Lot No. 32, G. W. Ewing's 2nd Addition. The City of Fort Wayne previously used said real estate for a fire station until the new No. 5 Fire Station was built on Bluffton Road. Pursuant to an inquiry and now that the City now has no further use for said property, the Board requests that a Resolution be prepared granting permission to offer said real estate for sale. The Board further recommends that Kenneth Zent, Verne Mitchell, Jr., and James Roth be named as appraisers.	Approved. Ordered City Attorney to send Resolution to Council Tuesday, January 25, 1966 at 8 p. m.

RESOLUTION

WHEREAS, there is an appropriation for Services Personal and Services Contractual in Special Account No. 31 - Flood Prevention and River Improvement - and,

WHEREAS, the management, jurisdiction, and control of said account is under the Board of Public Works and,

WHEREAS, there is a tremendous amount of work necessary to continue the Mayor's program of beautifying the river banks by cutting and removing all dead trees, brush and debris,

NOW, THEREFORE, BE IT RESOLVED that the Board of Public Works hereby authorizes the setting up of a River Bank Project Crew of five or more members with Walter Devers of Sewer Maintenance designated as Director. Other provisions are hereinafter mentioned:

1. Wages and fringe benefits of City Utilities employees temporarily assigned to the project shall be charged to the Board of Works and paid from Account 31-2 - Services Contractual.
2. Wages of Street Department employees temporarily assigned to the project shall be paid from Account 31-1 - Personal Services.
3. Any employee hired direct shall be paid from Account 31-1.
4. Any equipment purchased solely for the project shall be paid from Account 31-2 and shall be accounted for by the Director.
5. The foregoing shall be effective as of January 11, 1966

Meeting adjourned at 9:50 a. m.

Said streets are not at present within the City and , therefore, are not a part of the City Street System.

Received inspection report, from the City Engineer and Guaranty Bond of Lebrato Homesites, Inc., in the amount of $7,000.00, signed by American States Insurance Company for Main Sanitary Sewer, Lateral No. 1 and Lateral No. 4 in Victoria Park, Section I.

Approved.

Ordered acceptance letter written.

Received City Utilities Purchase Order dated January 20, 1966, in the amount of $15,682.00, for Bailey Meter Company which provides for the purchase of one (1) set of Combustion Controls to replace existing controls on Power Plant Boilers Nos. 1, 2, 3 and 4.

Approved.

Ordered City Utilities Purchase Order No. 09194, in the amount of $15,682.00, sent to the Common Council Tuesday, January 25, 1966 at 8 p. m.

RESOLUTION

Pursuant to the drastic reduction of the amount of railroad traffic and the expense in keeping the crossing gate operable, it is deemed necessary to eliminate the crossing gate at the New York Central Railroad intersection with Fourth Street.

The Board of Public Works hereby requests that an ordinance be prepared amending Municipal Code, Chapter 25, Section 14, by deleting therefrom the following:

> "New York Central Railroad Company - Fourth Street, west of Clinton Street - Crossing gates from 9 a. m. to 5 p. m. daily, except Sundays and holidays; at all other times railroad employee to furnish crossing protection in advance of each movement over crossing.

and by adding thereto the following:

> "New York Central Railroad Company - Fourth Street, west of Clinton Street - At all times to furnish crossing protection by railroad employee in advance of each movement over crossings."

Ordered the City Attorney to prepare an Ordinance to be sent to the Common Council Tuesday, January 25, 1966 at 8 p. m.

Meeting adjourned at 3:40 p. m.

	Fred S. Ehrman, R. W. Dahman, George F. Gable Kenneth McGraw, Clerk Robert E. Meyers, Associate City Attorney Walter H. Meitz, City Engineer	PRESENT Fred S. Ehrman, R. W. Dahman, George F. Gable Kenneth McGraw
1.	Continued from January 27, 1966 HEARING ON CONFIRMATION OF ASSESSMENT ROLL. Declaratory Resolution No. 1185-1965 for the condemnation of permanent right of way for easement purposes across, and through parts of: Space North of the intersection of U. S. Highway No. 27 and Indiana Highway No. 427 to the City of Fort Wayne, Indiana, being situated in the Northwest Quarter Section 25, Township 31 North, Range 12 East, Allen County, Indiana.	Ordered the Final Assessment Roll in accordance with the findings of the Board. The Board determined the Gateway Properties, Inc. is damaged in the amount of $400.00 and the City benefited in the same amount. Also Unilateral Agreement executed.
2.	Received request from the FORT WAYNE WORKERS OF THE BLIND in cooperation with the Lions Club, so sell Miniature White Canes in the Downtown area, the shopping centers and at industries, beginning Monday, April 18, 1966 through Saturday April 30, 1966. Purpose: Emergency aid for the needy blind.	Approved and permit issued.
3.	Received inspection report, from the City Engineer and Guaranty Bond of John Dehner, Inc., in the amount of $131,000.00, signed by the United States Fidelity and Guaranty Company for construction of Special Sewer - Pierson Ditch, Phase III.	Approved. Ordered acceptance letter written.
4.	RELEASE OF EASEMENT was granted to the H B C Realty Corporation over and across Blocks 5 and 6 of Interstate Industrial Park, Section A, a copy of which is on file.	Approved.
5.	Received STREET DEDICATION from Winfield C. and Clare J. Moses, Indiana & Michigan Electric Company and John R. Worthman, Inc., whereby they dedicate the following described property for a public street or highway: A strip of land 10 feet wide along the west side of Freeman Street, parelleling said street, beginning at a point at the intersection of the south side of Portage Boulevard and the west side of Freeman Street, extending south 1028 feet along the west side of Freeman Street. Said Dedication recorded January 24, 1966 in Book 665, Page 602.	Approved. A true copy of which Dedication is made a matter of record incorporated by reference herein, and appears in Minutes herein under Street Dedication.

Received AGREEMENT from owners of all of those portions of Lots No. 80 through 87 in Elzey's 3rd Addition to the Original Plat of Waynedale, which front on the south side of the Lower Huntington Road between Bradbury Avenue and Beaty Avenue, which provides for the establishment of a building line for each of said lots located fifteen feet (as measured along the line perpendicular to the front line of said lot) back of the front line of each of said lots as platted and agree that no building, or part thereof, shall be located on any of said lots between said building line and the front of the lot.

Approved.

Pursuant to the terms of Article IV of the Contract between the City of Fort Wayne, Indiana and Commonwealth Associates, Inc., dated the 12th day of August, 1963, approved as per Minute Record 45-363-6, the City now deems it advisable to give notice of termination of said Agreement.

Approved.

Letter of official notice written to Commonwealth Associates, Inc.

Meeting adjourned at 3:45 p. m.

Issue Board of Works Purchase Order No. 20117.

RESOLUTION

WHEREAS, pursuant to the minutes of the Highway Coordinating Board held February 1, 1966, a new position was established entitled, "Executive Director - Highway Coordinating Board for the Fort Wayne-New Haven-Allen County Area," and

WHEREAS, it was recommended the City of Fort Wayne shall pay the annual salary in the amount of $7,500 and $500 travel allowance; the County to provide space and hire and pay for a secretary for the Director; and the State would participate to the extent of providing Consulting Services as needed, and

WHEREAS, there is an appropriation for Services Personal in Special Account No. 28-MVH Fund, and

WHEREAS, the management, jurisdiction and control of said account is under the Board of Public Works,

NOW, THEREFORE, BE IT RESOLVED that pursuant to the foregoing, an ordinance be prepared fixing the salary of the aforesaid Executive Director and that said employee be placed on the Board of Public Works Payroll, effective with the date of ratification of the ordinance.

Ordered sent to the Common Council Tuesday, March 1, 1966 at 8 p. m.

RESOLUTION

BE IT RESOLVED by the Board of Public Works of the City of Fort Wayne, Indiana, pursuant to a communication dated December 21, 1965, from the WESTINGHOUSE ELECTRIC CORPORATION tendering a price adjustment offer in the sum of $7,173.00 on certain products purchased by our City Utilities, that we accept said offer.

The Board of Public Works, comprising Fred S. Ehrman, Robert W. Dahman, and George F. Gable, is duly authorized as the governing body to execute all instruments pertaining thereto. The Proce adjustment offer in the amount of $7,173.00, calculated on basis of formulas and conditions set forth in Appendix I.C., have been verified.

THEREFORE, the Agreement between City Utilities of Fort Wayne, Indiana, and Westinghouse Electric Corporation and Covenant for Exhibit A have been duly executed, approved, and adopted this 25th day of February, 1966.

17. Received request from SORG CONSTRUCTION CO., INC., to close Fernwood Avenue from Elmhurst to Sand Point Road, beginning Friday, February 25, 1966 from Noon to Friday, March 11, 1966.
Purpose: Sewer Construction Resolution No. 768.

Approved and permit issued.

HEARING ON CONFIRMATION:

Declaratory Resolution No. 1187-1966 which provides for vacation of Melissa Street from the west property line of Freeman Street to its western terminus.

CONFIRMED.

Ordered the City Engineer to prepare Assessment Roll of Benefits and Damages.

HEARING ON CONFIRMATION OF ASSESSMENT ROLL:

Sewer Easement Resolution No. 1-1966 which provides for condemnation of right of way for sewer easement purposes across, through and under a portion of lots numbered 5 through 18 inclusive, in Liggett's Garden Park Addition; lots numbered 2 through 7 inclusive in Morell's Addition. For Sewer Resolution No. 767-1966)

CONFIRMED and ordered sent to the Department of Finance.

Received Special Sewer Permit for Lebrato Bros., Inc., prepared and approved by the City Engineer, and Performance Bond of Earth Construction & Engineering, Inc., to construct a sanitary sewer to serve Encino Drive in Southwick Village

Approved and Special Sewer Permit issued.

Permission is hereby granted to Wermuth Enterprises, Inc., to tap a sewer to serve an area consisting of 2.42 acres at 2500 West U.S. 30 Bypass, occupied by Truck Transport Equipment, Inc. Said permission is conditioned upon the payment of the sum of $259.76 to the City of Fort Wayne as reimbursement under a certain Sewer Agreement No. SC-64-3, dated the 19 day of November, 1964, which sum is to be remitted to the following:

Alton P. Hower & Beatrice I. Hower	(31.7%).	$ 82.34
Fortmeyer's Truck Stop, Inc.	(68.3%)	177.42

who are parties of said contract, by the city of Fort Wayne; it is further conditioned upon a sewer tap permit being taken out with the City Engineer, the Permit Room.

Approved.

Ordered the City Utilities to remit the sum of $259.76 to Alton P. Hower and Beatrice I. Hower and Fortmeyer's Truck Stop, Inc., which sum was deposited with the City by the applicants, to be distributed as set out in the Special Sewer Tap Agreement.

5. Received AGREEMENT between the City of Fort Wayne and Indiana Suburban Sewers, Inc., which provides that the City will accept for treatment in its Sewage System, sewage collected by the Utility in the Contract Territory on a metered basis. The Utility will finance and construct all sanitary sewers, interceptors and appurtenances in the Contract Territory, giving the City the right to exercise an option to purchase the entire Sewage System of the Utility in the Contract Territory.

Approved.

A true copy of which Agreement is incorporated by reference herein and appears in Minutes herein, under Agreement Between City and Public Utility for Sewage Disposal Service in Suburban area.

Ordered sent to the Common Council Tuesday, March 22, 1966 at 8 p. m.

6.

RESOLUTION

WHEREAS, the State Highway Department has prepared plans for the improvement of the intersection of U. S. Highway 27 and State Road 3, described as Project US-419(13), and

WHEREAS, it has been determined that property belonging to the City of Fort Wayne will be needed for said construction, and the City now has no further use for said property except for highway purposes, and

WHEREAS, the Division of Land Acquisition has tendered an offer to the City of Fort Wayne through its Land Agent, C. R. Wright

NOW, THEREFORE, BE IT RESOLVED that the Board of Public Works be granted permission to sell the hereinafter described parcel of real estate:

> A part of the East Half of the Southeast Quarter of Section 26, Township 31 North, Range 12 East, Allen County, Indiana, described as follows:
>
> Beginning at the intersection of the south boundary of Penn Avenue with the west boundary of U. S. 27; thence along the west boundary of U. S. 27 Southerly 123.45 feet along an arc to the left and having a radius of 4,938.85 feet and subtended by a long chord having a bearing of South 0 degrees 58 minutes 21 seconds West and a length of 123.44 feet to the northeastern boundary of Northrop Street; thence North 30 degrees 16 minutes 00 seconds West 141.45 feet along said northeastern boundary to the south boundary of Penn Avenue; thence North 89 degrees 01 minute 00 seconds East 73.40 feet along said south boundary to the point of beginning and containing 0.103 acres, more or less.

The Board requests that Ordinance be prepared for the aforesaid and Order of Appointment of Appraisers be approved and sent to the Common Council, March 22, 1966 at 8 p. m.

6. Received Contract, Guaranty and Liability Bonds of L. W. Dailey Construction Co., in the amount of $41,705.10, prepared by the City Engineer, signed by Reliance Insurance Co. for Street Improvement Resolution No. 5327-1965 to improve by widening and resurfacing Anthony Boulevard from the north property line of Creighton Avenue to the south property line of Pontiac Street.

Approved.

Ordered Contract, in the amount of $41,705.10, sent to the Common Council Tuesday, April 12, 1966 at 8 p. m.

Received Local Sewer Improvement Resolution No. 772-1966, final plans, estimate, specifications and property ownership list, prepared by the City Engineer beginning at a proposed manhole located in the existing sanitary sewer at the Southwest corner of lot numbered 86 in Waynedale Gardens 2nd Addition; thence Easterly on the South line of said lot numbered 86 a distance of 198 + or - feet to a proposed manhole; thence Northerly in and along Bradley Avenue a distance of 118 + or - feet to a proposed manhole to be located on the existing Nyffeler Drain; thence Easterly in and along the easement between Waynedale Boulevard and Witchwood Drive, terminating at a proposed manhole located on the South line of lot numbered 185 in Waynedale Gardens 2nd Addition. Said sewer shall be 8", 10" and 12" in diameter. The above project consists of modifying an existing County Drain so that it may be accepted as a City Sanitary Sewer. Before this sewer can be accepted by the City, it will be necessary that each property owner disconnects his downspouts and bypasses and abandons his septic tank.	Approved and adopted. A true copy of which Resolution No. 772-1966, is incorporated by reference herein and appears in Minutes herein, under Resolution No. 772-1966. Advertise, Notice to Property Owners, April 1 and 8, 1966. Hearing on Confirmation Thursday, April 21, 1966 at 3:30 p. m. Notices to be mailed April 8, 1966.
Received Sewer Easement Resolution No. 6-1966, final plans and property ownership list, prepared by the City Engineer for the Condemnation of right of way for sewer easement purposes across, through and under a portion of lots numbered 156 through 212 inclusive, and lot numbered 86, all lots in Waynedale Gardens 2nd Addition, an Addition to the City of Fort Wayne. (Sewer 772)	Approved and adopted. A true copy of which Resolution No. 6-1966, is incorporated by reference herein and appears in Minutes herein, under Resolution No.6-1966. Advertise, Notice to Property Owners, April 1 and 8, 1966. Hearing on Confirmation Thursday, April 21, 1966 at 3:30 p.m. Notices to be mailed April 8, 1966.
Received Contract, Guaranty and Liability Bonds of L. W. Dailey Construction Co., in the amount of $268,329.50, prepared by the City Engineer, signed by Reliance Insurance Co. for Street Improvement Resolution No. 5331-1966 to improve by paving Paulding Road from the west property line of Hanna Street to a point approximately 184 feet east of the east property line of Anthony Boulevard.	Approved. Ordered Contract, in the amount of $268,329.50, sent to the Common Council Tuesday, April 12, 1966 at 8 p. m.
Received Assessment Roll of Benefits and Damages, prepared by the City Engineer, for Sewer Easement Resolution No. 5-1966 for the Condemnation of right of way for sewer easement purposes across, through and under a portion of Lots numbered 13, 14 and 15 in George Mason's Sub, an Addition to the City of Fort Wayne. (Sewer 742-1965)	Approved and Board finds that the amount of damages to each property listed on said Roll are equal in the amount of $1.00 each and the assessment of said benefits and damages are so ordered. Notices to be served April 8, 1966. Hearing on Confirmation of Assessment Roll Thursday, April 21, 1966 at 3:30 p. m.

11. Received Assessment Roll of Benefits and Damages, prepared by the City Engineer, for Declaratory Resolution No. 1186-1966 to construct and maintain across Wabash Avenue, between Humphrey Street and Washington Boulevard in the City of Fort Wayne, Indiana, a certain overhead structure connecting the present buildings of Falstaff on the west side of said block of Wabash Avenue with a warehouse being constructed on the east side thereof, in accordance with that set of plans designated JOB NO. 1855 and entitled "NEW CASE WAREHOUSE FOR FALSTAFF BREWING CORPORATION, PLANT NO. 7, Fort Wayne, Indiana.	Approved and Board finds that the amount of damages to each property listed on said Roll are equal in the amount of $1.00 each and the assessment of said benefits and damages are so ordered. Notices to be served April 8, 1966. Hearing on Confirmation of Assessment Roll Thursday, April 21, 1966 at 3:30 p. m.
12. Received request from the CHURCH OF GOD OF PROPHECY, 1125 Wells Street to hold a parade Sunday, April 3, 1966 at 9:30 a. m. Will form at Wayne and Calhoun, north on Calhoun to Superior, west on Superior to Wells, north on Wells to the church at 1125 Wells. For the purpose of their Annual Campaign. PRESENT
F.S. Ehrman, R.W. Dahman, G.F. Gable
K. McGraw, Clerk

HEARING ON CONFIRMATION.

Local Sewer Improvement Resolution No. 772-1966 beginning at a proposed manhole located in the existing sanitary sewer at the Southwest corner of lot numbered 86 in Waynedale Gardens 2nd Addition; thence Easterly on the South line of said lot numbered 86 a distance of 198 + or - feet to a proposed manhole; thence Northerly in and along Bradley Avenue a distance of 118 + or - feet to a proposed manhole to be located on the existing Nyffeler Drain; thence Easterly in and along the easement between Waynedale Boulevard and Witchwood Drive, terminating at a proposed manhole located on the South line of lot numbered 185 in Waynedale Gardens 2nd Addition. Said sewer shall be 8", 10" and 12" in diameter.
The above project consists of modifying an existing County Drain so that it maybe accepted as a City Sanitary Sewer. Before this sewer can be accepted by the City, it will be necessary that each property owner disconnects his downspouts and bypasses and abandons his septic tank.

MODIFIED: By deleting therefrom the following: "Beginning at a proposed manhole located in the existing sanitary sewer at the Southwest corner of lot numbered 86 in Waynedale Gardens 2nd Addition; thence Easterly on the South line of said lot numbered 86 a distance of 198 + or - feet to a proposed manhole; thence Northerly in and along Bradley Avenue a distance of 118 + or - feet.-
And adding thereto the following:
"Beginning at an existing manhole located near the Northwest corner of lot numbered 213 in Waynedale Gardens 2nd Addition; thence Southerly in and along Bradbury Avenue a distance of 394 + or - feet".

CONFIRMED AS MODIFIED.

Advertise, Notice to Contractors, April 27 and May 4, 1966.

Receive Bids Tuesday, May 10, 1966 at 9 a. m.

Ordered the City Engineer to prepare the Bid Documents.

2. HEARING ON CONFIRMATION.

Sewer Easement Resolution No. 6-1966 for the Condemnation of right of way for sewer easement purposes across, through and under a portion of lots numbered 156 through 212 inclusive, and lot numbered 86, all lots in Waynedale Gardens 2nd Addition, an Addition to the City of Fort Wayne.

MODIFIED: The following described parcels of real estate are deleted from Sewer Easement Resolution No. 6-1966:

All of paragraph three (3) of Resolution. And lot numbered 86 from paragraph one (1), two (2) and eight (8) of Resolution.

CONFIRMED AS MODIFIED.

Ordered the City Engineer to prepare Assessment Roll of Benefits and Damages.

3. HEARING ON CONFIRMATION OF ASSESSMENT ROLL.

Sewer Easement Resolution No. 5-1966 for the Condemnation of right of way for sewer easement purposes across, through and under a portion of Lots numbered 13, 14 and 15 in George Mason's Sub, an Addition to the City of Fort Wayne. (Sewer 742)

CONFIRMED and ordered sent to the Department of Finance.

4. HEARING ON CONFIRMATION OF ASSESSMENT ROLL.

Declaratory Resolution No. 1186-1966 to construct and maintain across Wabash Avenue, between Humphrey Street and Washington Boulevard in the City of Fort Wayne, Indiana, a certain overhead structure connecting the present buildings of Falstaff on the west side of said block of Wabash Avenue with a warehouse being constructed on the east side thereof, in accordance with that set of plans designated JOB NO. 1855 and entitled "NEW CASE WAREHOUSE FOR FALSTAFF BREWING CORPORATION, PLANT NO. 7, FORT WAYNE, INDIANA.

CONFIRMED and ordered sent to the Department of Finance.

5. Received request from MIKE MODEZJEWSKI for permission to back truck across the sidewalk at 230 West Main Street beginning Friday, April 22, 1966 from Noon to April 29, 1966. Purpose: Tearing down building.

Approved and permit issued.

6. Received request from NORTHEASTERN DEVELOPMENT CORPORATION for permission to barricade the alley at the rear of 1510 West Third Street beginning Monday, April 25, 1966 at 8 a. m. to Monday, May 2, 1966 at 8 a. m. Purpose: Install a sewer 16 feet deep and to repave the alley.

Approved and permit issued.

Received request from C. WILLIAM FIGEL CONSTRUCTION, INC., 3332 Figel Avenue, to barricade the sidewalk at 1701 South Calhoun Street (Holsum Bakery) beginning Friday, April 22, 1966 at 1 p. m. to Tuesday, April 26, 1966 at 5 p. m. Purpose: Remodel front of building.	Approved and permit issued.
Received STREET DEDICATION from The Lindenwood Cemetery, Inc., whereby they dedicate to the public for public use the following described property in Fort Wayne, Allen County, Indiana: Part of Lots No. 8 and 10, in Commissioners Subdivision of Ewings Outlots to the City of Fort Wayne, in the northeast quarter of Section Four, Township 30 North, Range 12 East. Said Dedication in connection with the proposed improvement of Lindenwood Avenue at the Norfolk & Western Railroad Crossing, is recorded in Book 670, Pages 75-76.	The Dedication from Lindenwood Cemetery, Inc. was made a matter of record. A true copy of which Dedication is incorporated by reference herein and appears in Minutes herein, under Street Dedication.

Meeting adjourned at 3:34 p. m.

Advertise, Notice of Assessment, May 11 and 18, 1966.

Hearing on Confirmation of Assessment Roll Thursday, May 26, 1966 at 3:30 p. m.

8. Received inspection report from the City Engineer for Sanitary Sewer in Interstate Industrial Park for Sam W. Fletcher, constructed by Nobis-Bradley Construction Co., Inc.

Said sewer has been installed over one year; therefore, no bond is necessary.

Approved.

Ordered Acceptance Letter written.

9. Received inspection report from the City Engineer and Guaranty Bond of Nobis Construction Co., Inc., in the amount of $20,000.00, signed by Fidelity and Deposit Company of Maryland for Sanitary Sewer in Interstate Industrial Park to serve Continental Can Company.

Approved.

Ordered acceptance letter written.

10. Received invoice, in the amount of $8,847.00, of Nobis Construction Co., Inc., for City's share on Special Sanitary Sewer known as Profit Drive Sanitary Sewer (Interstate Industrial Park) Continental Can Company. Said amount is for oversizing.

Approved.

Ordered City Utilities to pay invoice of Nobis Construction Co., Inc., in the amount of $8,847.00, from the Sewer Utility Construction Fund.

Received City Utilities Purchase Order dated May 4, 1966, in the amount of $4,790.47, for Price Brothers Company of Dayton, Ohio, which provides for the proposed purchase of 120 feet 4 inch Prestressed Concrete Pipe for the Clay and Columbia Street Water Main. (Contract No. 6620)	Approved. Ordered Purchase Order No. 10617, in the amount of $4,790.47, sent to the Common Council Tuesday, May 10, 1966 at 8 p. m.
Received City Utilities Purchase Order dated May 6, 1966, in the amount of $3,199.98, for John Dehner, Inc., which provides for the installation of the Clay-Columbia Street Water Main. (Contract 6620)	Approved. Ordered Purchase Order No. 10645, in the amount of $3,199.98, sent to the Common Council Tuesday, May 10, 1966 at 8 p. m.
Received Water Contract No. 6609, prepared and approved by the City Engineer, between the Fort Wayne Water Utility and MARION RAY AND OTHERS. (Stellhorn Road)	Approved. Ordered sent to the City Engineer to be recorded.
Received "NOTICE OF MAIN EXTENSION", Contract No. 6617, to be installed by the Water Construction Department a distance of 1,815 feet on Charlotte Avenue from Hobson Road to Barnhart Avenue; on Nordholme Avenue from East State Boulevard to the North property line of Lot No. 182, Bellair Addition.	Approved. Ordered sent to the City Engineer to be recorded.
Received preliminary plans, estimate and recommendation prepared by the City Engineer for construction of a sanitary sewer to serve Vernon Avenue and Greenview Avenue from Cleveland Avenue to McKinley Avenue.	Ordered the City Engineer to prepare final plans, specifications, estimate, property ownership list and Sewer Improvement Resolution; in accordance with the Acts of the General Assembly of 1905 as amended.
AWARD CONTRACT In the matter of bids received on January 11, 1966 for the purchase of Four Hundred and Fifty (450) Double Space Parking Meters and One Hundred and Twenty (120) Single Space Parking Meters, the Board now makes the award.	The Bid of the Duncan Parking Meter Corporation was accepted under Purchase Order No. 20391, in the amount of $47,490.00. (SEE 16a) Bottom of Page. Ordered sent to the Common Council May 10, 1966 at 8 p. m.
Received request from CARPENTER TRENCHING SERVICE to barricade Paulding Road at Smith Street and at Old U. S. 27, beginning Thursday, May 5, 1966 at 1 p. m. until Thursday, May 5, 1966 at 4 p. m. Purpose: Installing a sewer at 1008 Paulding Road.	Approved and permit issued.
Received request from JOHN DEHNER, INC. for permission to barricade Warren Street from Pittsburg Street to Pennsylvania Street, beginning Monday May 9, 1966 at 7 a. m. to Friday, May 27, 1966 at 4:30 p. m. Purpose: Pave street for School Board.	Approved and permit issued.

Pursuant to the report of the special committee of engineers, with 22 tests performed, the Duncan Meter scored 868 points against 855 points for the Rockwell Meter. It is the conviction and recommendation of Willard A. Redmond, Parking Administrator, and approved by the Board, that the Duncan meter will give the more reliable operating performance during its expected lifetime at substantially less expense.

19. Received request from SOUTH SIDE HIGH SCHOOL for permission to hold their Ivy Day Parade on Friday, May 27, 1966 between 8:05 a.m. to 8:30 a. m.

Approved and permit issued.

26. Received Special Sewer Permit, prepared and approved by the City Engineer, for Jehl Brothers, Inc., to construct a Sanitary Sewer to serve Camelot Addition, Section I. The Jay Fox Construction, Inc. is to perform the construction work. No bond is required as this sewer is outside the city limits and part of Diversified's system.	Approved and Special Sewer Permit issued.

27. RESOLUTION

WHEREAS, the Board of Public Works failed to advertise for the required quantity of road oil, and

WHEREAS, it was deemed appropriate to begin our oiling program early this year to alleviate the dust condition for the benefit of the health of the general public, and

WHEREAS, it was considered appropriate to purchase industrial waste oil to more adequately lay the dust on unimproved streets, and

WHEREAS, Invitational Bids were obtained from three (3) waste oil companies, and

WHEREAS, only one company could supply either a daily demand or the season's requirement by the Street Department,

THEREFORE, BE IT RESOLVED, that a blanket purchase order be issued to Wayne Waste Oil for our requirement of approximately 125,000 gallons or less at ten cents (10¢) per gallon. It is further understood the Wayne Waste Oil will furnish a forced oil spreader at no additional cost and the Street Department to furnish driver for same.

A copy of this Resolution and blanket purchase order is to be sent to the Common Council Tuesday, June 14, 1966 at 8 p. m. (Board of Works Purchase Order No. 20454)

Meeting adjourned at 10:00 a. m.

Pres. [illegible]

Robert W. Dahman

Ordered the City Engineer to prepare Bid Documents.

4. HEARING ON CONFIRMATION OF ASSESSMENT ROLL.

Local Sewer Improvement Resolution No. 761-1965 Commencing at an existing manhole at the Southeast corner of lot numbered 24 in Homewood Acres Addition, situated in the Northeast ¼ of Section 5, Township 30 North, Range 13 East in Allen County in Inwood Drive; thence running Northerly in and along Inwood Drive a distance of 1,287 + or - l.f. to the intersection of Lake Avenue and Inwood Drive; thence Westerly in and along Lake Avenue a distance of 843 + or - l.f. to the intersection of Inwood Drive and Lake Avenue; thence Northerly in and along Inwood Drive for a distance of 1,139 + or - l.f., terminating at a proposed manhole at lot numbered 87, Delta Heights Addition in Fort Wayne, Indiana.

Commencing at a proposed manhole at the intersection of Lake Avenue and Inwood Drive; thence running Westerly in and along Lake Avenue a distance of 90 + or - l.f. terminating at a proposed manhole. Said sewers to be 10" and 8" in diameter.

A pro rata share is due for the use of the outfall interceptor more commonly known as the Pierson Ditch Interceptor and can be computed as follows: A tap-in fee of one hundred dollars ($100) for each single family residential unit on the basis that said residential units shall be located on platted lots of approximately one-third (1/3) acre or less in area. Tap-in fees for uses other than residential or for units located on lots possessing an area in excess of one-third (1/3) acre shall be computed on the basis of three hundred dollars ($300) per acre.

The Board determined the benefits as indicated.

Ordered the City Engineer to prepare the Final Assessment Roll.

5. HEARING ON CONFIRMATION OF ASSESSMENT ROLL.

Local Sewer Improvement Resolution No. 765-1965 Commencing at an existing manhole located in Fernwood Avenue approximately at the Northwest corner of Lot numbered 21, Elmhurst Gardens Addition; thence in a Northerly direction in and along Fernwood Avenue for a distance of approximately 1,070 feet terminating at a proposed manhole adjacent approximately to the middle of lot numbered 61 in Elmhurst Gardens Addition. Said sewer to be 10 inches in diameter.

The Board determined the benefits as indicated.

Ordered the City Engineer to prepare the Final Assessment Roll.

6. HEARING ON CONFIRMATION OF ASSESSMENT ROLL.

Local Sewer Improvement Resolution No. 768-1965 Beginning at an existing manhole located in Nightfall Road approximately 100 feet East of Winchester Road; thence Westerly in and along Nightfall Road a distance of 117 + or - feet to a proposed manhole; thence Southerly in and along the East side of Winchester Road a distance of 493 + or - feet, terminating at a proposed manhole. Said sewer shall be 8" in diameter.

The Board determined the benefits to be as follows:

Line 1----Total Assessment---$862.32
Line 3---- " " --- 597.35
Line 6---- " " --- 592.56
Line 8---- " " ---- 899.86
Line 10--- " " ----1778.38

Ordered the City Engineer to prepare the Final Assessment Roll.

Received driveway application. Fenker, Raymond & Lee --- Hipskind Asphalt Corp.	Approved and permit issued.
Received request from ROLF COAL COMPANY for permission to barricade the alley between Berry and Wayne Streets from Calhoun east to 50' east of the rear of the Gettle Building on Monday, June 27, 1966 from 7 a. m. to 5 p. m. Purpose: Clean boilers in Gettle Building.	Approved and permit issued.
Received Contract, Guaranty and Liability Bonds of Earth Construction & Engineering, Inc., in the amount of $10,288.00, prepared by Great American Insurance Company for Sewer Improvement Resolution No. 775-1966, the Sand Point Road and Monmouth Avenue area.	Approved.
Received Contract, Guaranty and Liability Bonds of Nobis Construction Co., Inc., in the amount of $6,890.70, prepared by the Fidelity and Deposit Company of Maryland for Sewer Improvement Resolution No. 163-1966, the St. Joe Boulevard Sanitary Sewer.	Approved. Ordered Contract, in the amount of $6,890.70, sent to the Common Council Tuesday, June 28, 1966 at 8 p. m.

20.

RESOLUTION

Pursuant to adoption of a policy to prevent certain concentrated industrial waste getting into our sewer system, it is deemed necessary to make use of our Sewage Plant tank truck to remove such items as brewery yeast, dairy whey, wire drawing compound and cutting oils.

It is further ordered that a charge of $35.00 per 5,000 gallon tank truck be established as the proper charge, which shall become effective July 1, 1966.

Purpose: Ice Cream Social.

Approved and permit issued.

19. RE: SEWER EASEMENT NO. 9-1966 (Reference to Sewer 777-1966)
Supplemental Modification.

Pursuant to an investigation by our Sewer Engineering Department, we find a building constructed on Lot No. 37 in Elzey's 4th Addition, extending two (2) feet on the proposed easement. It is, therefore, necessary to further modify said easement by changing paragraph 3 to read as follows:

"The West 5 feet of lot numbered 37 and the East 7 feet of lots numbered 38 through 40 inclusive in Elzey's 4th Addition"- *(In place of The West 7 feet of lot numbered 37 and the East 7 feet of lots numbered 38 through 40 inclusive in Elzey's 4th Addition).

Approved.

Meeting adjourned at 9:40 a. m.

Notices to be mailed August 5, 1966.

8. Received Local Sewer Improvement Resolution No. 783-1966, final plans, estimate, specifications and property ownership list, prepared by the City Engineer the MAIN SEWER: Commencing at an existing manhole in an alley located on the east side of Mechanic Street approximately 185 + or - feet north of the centerline of Huron Street; thence in a westerly direction a distance of 44 + or - feet to a proposed manhole; thence south along the west side of Mechanic Street a distance of 406 + or - feet to a proposed manhole; thence in a westerly direction a distance of 60 + or - feet to a proposed manhole; thence in a southwesterly direction in and through a 14 foot easement a distance of 261 + or - feet to a proposed manhole; thence in a southeasterly direction in and through a 14 foot easement a distance of 205 + or - feet; terminating at a proposed manhole. Said sewer shall be 8 inches in diameter. Basements may not be able to drain into this proposed sewer by gravity. This is caused by the fact that the existing outfall sewer is not low enough for this purpose.

Approved and adopted. A true copy of which Resolution No. 783-1966, is incorporated by reference herein and appears in Minutes herein, under Resolution No. 783-1966.

Advertise, Notice to Property Owners, July 28 and August 4, 1966.

Hearing on Confirmation Thursday, August 18, 1966 at 3:30 p. m.

Notices to be mailed August 5, 1966.

9. Received Sewer Easement Resolution No. 14-1966, final plans and property ownership list, prepared by the City Engineer for the Condemnation of right of way for sewer easement purposes across, through and under a portion of lot numbered 3 in Fishers Subdivision; that portion of lots numbered 2 through 6 inclusive in Butcher's Addition, west of Mechanic Street.

Approved and adopted. A true copy of which Resolution No. 14-1966, is incorporated by reference herein and appears in Minutes herein, under Resolution No. 14-1966.

Advertise, Notice to Property Owners, July 28 and August 4, 1966.

Hearing on Confirmation Thursday, August 18, 1966 at 3:30 p. m.

Notices to be mailed August 5, 1966.

10. Received Contract, Guaranty and Liability Bonds of Scheele Construction Co., Inc. in the amount of $6,333.30, prepared by the City Engineer, signed by United States Fidelity & Guaranty Co. for Local Sewer Improvement Resolution No. 776-1966 in Interurban Acre Addition in the area of Middle Street and Fillmore Street.

Approved.

11. Received request from the TUBERCULOSIS ASSOCIATION OF ALLEN COUNTY, for permission to park X Ray Cruiser in the first meter space on the north side of East Berry Street, east of Calhoun Street from 10 a.m. to 4 p. m. on certain dates during the months of August, September, October, November and December.
